Motown Music and Posters Fill Warren City Hall February 19 - 24

Warren, MI – Warren City Hall employees and visitors will enjoy the memorable sounds of Motown music, both in the atrium, on hold with city hall and by viewing Motown and Inventor posters in the atrium February 19-24.

Warren Mayor Jim Fouts said the Motown sound and display is in honor of Black History Month. “Personally, I have always been a Motown listener and, of course, it is local history in music,” said Fouts.
