Public Announcement

The City of Warren, Parks and Recreation Department is in the process of updating their 5-year Parks and Recreation Masterplan. This Masterplan provides planning information and serves as guide and direction for the Parks and Recreation Department. The plan will be on file with the Michigan Department of Natural Resources, which allows the City to apply for grant funding through the Michigan Trust Fund, other grant funding sources for park development, and renewal.

The Parks and Recreation Department working with Design Team + are in the final stages of updating the plan. The plan requires public input through focus groups.

Due to the Covid-19 Pandemic, these focus groups will be Zoom meetings and are scheduled on two separate evenings, Monday October 5, and Tuesday October 6, at 7:00pm.

You are invited to be part of the planning process. Please join the Zoom meetings on either night for any input regarding Warren's Park and Recreation Department.
