NOTICE OF CONSTRUCTION

**TO: Voters that Vote at Owen Jax Rec Center
 Precincts 7, 8 and 18**

Construction scheduled along 9 Mile Road between Hoover and Van Dyke has necessitated the closure of eastbound 9 Mile Road between those major roads. Westbound 9 Mile Road remains open and all intersections between Hoover and Van Dyke will remain open throughout the project.

However, on Election Day, 9 Mile Road will be RE-OPENED for bi-directional local traffic from Van Dyke to Federal only. Voters will be able to access the Owen Jax Rec Center from either direction of 9 Mile Road to cast their vote.

The closure of eastbound 9 Mile Road between Van Dyke and Hoover will resume after Election Day.
