Warren and Macomb County Seeking \$81,719 Justice Assistance Grant (JAG)

The Warren Police Department, Macomb County Community Corrections, and the Macomb County Sheriff's Office are applying for a United States Department of Justice Assistance Grant (JAG) that is designed to combat crime and enhance officer and citizen safety.

The money from the grant, \$81,719, will go to aid several law enforcement projects:

- County of Macomb – Macomb County Community Corrections will use \$12,697 in funds to provide substance abuse treatment, testing, and support services for individuals eligible for diversion from the Macomb County Jail.
- The Macomb County Sheriff's Office will utilize \$12,697 to purchase body camera accessories that will support the department's Body Worn Camera Program and policy.
- The City of Warren will utilize \$56,325 in JAG funding to update current CCTV security camera system.

"This cooperative effort is a good example of the city and county fighting crime making our neighborhoods safer," said Warren Mayor Jim Fouts.
