ALL MEDIA FOR IMMEDIATE DISTRIBUTION - CITY OF WARREN - TONIGHT THE ENTIRE WARREN CITY HALL WILL BE LIT UP LIME GREEN FOR MUSCULAR DYSTROPHY AWARENESS MONTH

Go green! Tonight the entire Warren city hall will be lit up lime green. This is in support of "Light Up Green for Muscular Dystrophy" month 2017. This is to support awareness and increase support for all the families affected by this debilitating illness. Various other places throughout the United States will also be green. This inherited disorder that causes muscle weakness was for many years the central subject of the Jerry Lewis telethon on Labor Day. I hope that this effort first started by Jerry Lewis will continue until a cure is found.
