My obligations include all requirements and regulations in the City Ordinances, including but not limited to, the following notice requirements contained in the Ordinances:

- (a) Immediately report in writing to the Division of Building and Safety Engineering any fire, accident, chemical spill, criminal charges brought against a responsible party, or a government agency enforcement action taken against the Marihuana business or a responsible party.
- (b) Within 24 hours of any criminal activity on the property, make a police report with the Warren Police Department and provide a copy of the police report to the Division of Building and Safety Engineering.

RELEASE

STATE OF MICHIGAN)) SS.	
COUNTY OF	_)	
	on behalf of Applicant	and myself being first
	tes that I hereby acknowledge and agree that:	

I understand that the granting of a City marihuana establishment license to operate a marihuana establishment is a privilege and not a right and does not confer upon the applicant any business expectation or any other possible cause of action if I am denied a City marihuana establishment license

by the City.

The applicant, myself, and any subsidiaries, affiliates, officers, directors, shareholders, managers, members, successors, and assigns forever covenant and agree not to sue or bring any action in law, or in equity, including, but not limited to, an action in any court, forum, tribunal or arbitration proceeding and hereby release the City of Warren, its past, present, and future officers, directors, attorneys, agents, employees, representatives, insurers, assigns, the current and former members of the Warren City Council, and all other elected and appointed current and former City officials, of and from any and all claims, cross-claims, counterclaims, liability, demands, actions, causes of action, suits, debts, judgments, executions, damages and rights of whatever nature in law, equity or otherwise, which now exist or which may subsequently accrue by reason of any acts, events or facts which now exist or which could have been asserted arising out of the acts, transactions or occurrences which refer or relate to or arise out of or in connection with this Application and the actions or inactions of the City in considering, acting upon and/or awarding, approving, denying, or issuing licenses for the type of license addressed in this Application and the process contained in the City of Warren Ordinances regarding the marihuana establishments or marihuana licenses, including but not limited to the City of Warren Marihuana Regulatory Ordinance and the City of Warren Zoning Ordinance.

The operation of a licensed marihuana establishment is a revocable privilege and not a right, in conformance with applicable State law. Nothing in the City's Ordinances or the Application for a City operating license, its instructions, affidavits, exhibits, and attachments are to be construed to grant a property right for an individual or business entity to engage in the use, distribution, cultivation, production, possession, transportation, or sale of marihuana as a commercial enterprise. Any business entity or individual which purports to have engaged in such activities either prior to or after the enactment of the City of Warren Marihuana Regulatory Ordinance permitting certain adult use marihuana establishment licenses without obtaining the required authorization from the City and the State is deemed to be an illegally established use and is not entitled to legal nonconforming status. Nothing in the City's Ordinance or the Application are to be held or construed to grant a vested right, license, permit, or privilege to marihuana operations within the City.

I have the responsibility to prove that I am eligible, suitable, and qualified to be licensed. Information not initially requested or additional information may be requested by the City.

I consent to inspections, searches, and seizures as provided in State law, MCL 333.27401 of the Michigan Medical Marihuana Facilities Licensing Act and MCL 333.27957 of the Michigan Regulation and Taxation of Marihuana Act (MCL 333.27951 et seq.); the marihuana administrative rules, and City Ordinances to disclose to the City and its agents of otherwise confidential records, including tax records, held by any Federal, State, or local agency, credit bureau, or financial institution, while applying for or holding a City marihuana operating license. This consent is authorization to review and inspect tax records administered under the Michigan Revenue Act, 1941 PA 122.

I am the business owner for the Applicant or I am an agent of the business owner with authorization to both sign this Application and legally bind the Applicant and I have had the opportunity to consult with legal counsel regarding this Application, with attachments, including this Release and the Affidavits.
