

WARREN-SUNDAYS @ THE SQUARE VENDOR
Program takes place on Sundays (June 5-September 25/9:30am-12:30pm)

We are continuing our Sunday program with old & new vendors.

- There is NO fee to participate and we will provide you with a table/chair.
- You will be assigned a specific area and it will be yours for the whole season.
- Layout of vendors will be closer together, so customers don't have to walk so far
- We are giving assigned areas to our returning and loyal vendors first.
- Your application will request 3 choices on spots.
- You will need to provide your own canopy, if you feel you need one. We highly recommend weighing canopies down to prevent damage/loss in inclement weather.
- Fountain will be open, starting at 10am
- 1 big special event each month (4 total)
- Working with various ethnic groups (sell their goods/food and music)
- Adding new crafters
- Various giveaways

We encourage promoting yourself on social media to drive customers to visit your table.

We will be pushing this event on our social media, in hopes of increasing attendance. A weekly highlight on a vendor will be done to help each of you gain recognition in the community.

We will also advertise in our City of Warren-water bill and the Warren Weekly.

Attached is a vendor contract, handbook and site map with numbered spaces. Please fill out the application and return as soon as possible so we can begin the process of assigning the spots. (past vendor request by: April 11, then open to all)
