

Congratulations To The Citizen Of The Month – Jovito & Leizel Delosreyes

Jovito and Leizel Delosreyes are a very caring couple who keep their property beautiful and help their neighbor’s. If any of their neighbors need assistance with grass cutting, and handyman repairs they are there to help. Jovito has repaired broken steps, and built a privacy fence, just to name a few things. He made it possible to have a neighbors mailbox moved closer to her house so she could retrieve her mail easily. Leizel planted a flower garden and kept it watered for a neighbor who is immobile so she could enjoy the beauty from her window. They both care about all their neighbors and keeping the neighborhood looking its best.
