About Us

The City of Warren has four branch libraries serving its residents. We are a member of the Suburban Library Cooperative which links Warren with 26 libraries throughout Macomb County, Troy, and Harper Woods. An online catalog enables patrons to know what materials are available to them system-wide. All branches provide reference services in the library and by phone. Other useful information is found on our website: www.warrenlibrary.net

Our branches also offer a variety of materials and services such as:
