**OPERATING MILLAGE RENEWAL AND RESTORATION PROPOSAL**

This proposal would renew and restore authority of the Center Line Public Schools to levy up to 18.00 mills for general school district operating purposes on taxable property in the School District to the extent that such property is not exempt from such levy and would restrict the levy on principal residences (owner occupied homes) to no more than 15.48 mills. The Current authority, which expires at the end of 2023, to levy 18 mills on all property, except principal residences and other property exempted by law, and to levy 16.5354 mills on principal residences have been rolled back by application of the Headlee Amendment to the Michigan Constitution. If approved, this proposal would renew and restore authority of the School District to levy the statutory limit of 18 mills on all property except principal residences and other property exempted by law (principally industrial and commercial real property and residential rental property) and levy the authorized mills on principal residences to allow the School District to continue to receive revenues at the full per pupil foundation allowance permitted by State law. In 2022 the School District levied only 11.155 mills of the authorized 16.5354 mills on personal residences.

Shall the limitation on the amount of taxes which may be imposed on taxable property in the Center Line Public Schools, County of Macomb, Michigan, be increased in the amount of 18 mills (&18.00 per \$1,000 of taxable value), to the extent such property is not statutorily exempt, and of which not more than 15.48 mills (\$15.48 per \$1,000 of taxable value) may be imposed on principal residences, for ten (10) years, the years 2024 and 2033, inclusive? This operating millage if approved and levied would provide estimated revenues to the School District of \$7,643,211 during the 2024 calendar year to be used for general operating purposes.

Further questions may be obtained at the administrative offices of Center Line Public Schools, 26400 Arsenal, Center Line, MI 48015, Telephone 586-510-2000. A sample ballot may be viewed at [michigan.gov/vote](http://michigan.gov/vote).

**WARREN WOODS PUBLIC SCHOOLS  
COUNTY OF MACOMB  
STATE OF MICHIGAN REPLACEMENT OPERATING  
MILLAGE PROPOSAL**

This proposal would replace, restore and extend the authority of the Warren Woods Public Schools to levy the number of mills for operating purposes on taxable property in the School District required for the School District to receive the full amount of local revenue permitted by the State and allow the district to continue to levy the statutory limit of 18 mills on non homestead property in the event of future Headlee rollbacks of up to 2.00 mills. Personal residences are exempt from this levy.

Shall the limitation on the amount of taxes which may be imposed on taxable property in the Warren Woods Public Schools, County of Macomb, Michigan, be increased to 20.00 mills (\$20.00 per \$1,000 of taxable value), with 18 mills being the maximum allowable levy (\$18.00 per \$1,000 of taxable value), to the extent such property is not statutorily exempt, for ten (10) years, the years 2023 to 2032, inclusive, to provide funds for operating expenses of the school district with 16.1889 mills being a replacement of authorized millage which will otherwise expire on December 31, 2023 and 18.111 mills being a restoration of millage lost as a result of the application of the Headlee Amendment to the Michigan Constitution? This millage would raise approximately \$4,280,000 in the first year of levy to be used for general operating purposes.
