

THANK YOU NOTE
TO ALL WARREN
RESIDENTS

Dear Residents,

It has been an honor to serve you with your neighborhood concerns for the last 16 years. Whether it was a blighted area, animal problem, flooding, sanitation, a crime event, etc. I was happy to assist you.

During these past 1 ½ decades I have made many friends and have helped solve their concerns. I have many memories of various concerns written in my personal notebooks for all this time. I have also enjoyed big projects such as the Towne Center, Detention Basin, bringing the Fire EMS back, blight sweeps for cleaner neighborhoods, and making our police department the highest accredited police department in the state. Almost every day I come to work with a mission and passion to help others and make our city the best in the state.

A safer and cleaner city has been my mission and goal. Thank you for allowing me to be the longest serving mayor in Warren history. I'm humbled by this wonderful opportunity and experience. I leave with both sadness and gratefulness for this unique opportunity to be Mayor of the third largest city in the state. Thank You!

Congratulations To The
Citizen Of The Month

Alfred Schrank is 86 years old and still going strong. He always lends his neighbors a helping hand and never asks for anything in return. He grew up in poverty and has a 7th grade education, however he was determined to make it in the world! He served in the air force and later went to art school. Using his talents, Alfred designed art on the boxes of AMT model cars! He then moved on to be a commercial artist in Detroit, where his work was featured all over Michigan’s billboards. When the commercial art business became obsolete, he found another job driving a truck until the age of 83. He only stopped to take care of his dying wife. If those jobs weren’t enough, he also worked at Maple Lane Golf Course! Thank you for your service Alfred, and thank you for being an exceptional example of what it means to keep going and never give up!
