Mayor Lori Stone Extends Compost Pickup Two Weeks

Warren, MI (Nov. 22, 2023) - Warren Mayor Lori Stone is extending seasonal compost/leaf pickup by two weeks this year. Compost season now runs from April 1 to **December 15**.

The time leaves fall varies each year depending on the weather. The extension gives residents more time to finish fall cleanup projects.

All yard waste (grass clippings, leaves, garden/flower bed debris, and small brush) must be in the blue 95-gallon compost cart with brown lid, or 30-gallon biodegradable brown paper bags. Compost is picked up on scheduled collection days.

Compost is accepted at the Warren Recycling Center, 25801 Flanders Ave., year-round.
