

Warren Police Investigating Missing Woman - 30-Year-Old Ashley Elkins reported missing Friday

The Warren Police Department would like to provide a preliminary update regarding 30-year-old Ashley Elkins. Ms. Elkins was reported missing by her family members to the Warren Police Department on Friday (01/03/2025).

Ms. Elkins left her residence in southeast Warren on Thursday (01/02/2025) morning to run some errands. Investigators have confirmed that Ms. Elkins was last in Roseville in the afternoon hours on Thursday (01/02/2025). Since then, neither family nor law enforcement has been able to make contact with Ms. Elkins. She is described as a black female, 5'02", 150 lbs. A recent picture is contained below.

The Warren Police Department is taking the lead on this open and active investigation. Investigators have spoken with several family members and friends of Ms. Elkins. Investigators have also canvassed several area businesses for video and utilized digital forensics to help determine Ms. Elkins' whereabouts. The Warren Police Department is collaborating with members of the Roseville Police Department as well as other law enforcement agencies on this investigation.

While we understand that many interested parties want to know every detail about a case like this immediately, careful investigations take time. We want to ensure that only accurate information is reported and released so as not to jeopardize the investigation.

Anyone with information regarding Ms. Elkins or this case in general is asked to contact Warren Police Detective Darryl Bagiano at 586-574-4784 or dbagiano@warrenpd.org.
