Council Secretary  
City of Warren, Michigan

Honorable Council Secretary,

Attached please find a copy of the Water & Sewer System rate ordinance amended to reflect rates and charges incorporated in the 2026 Mayor's recommended budget. I respectfully request that you place the first reading of the ordinance on the agenda for the April 22, 2025 regular City Council meeting. Please bear in mind that this is a procedural issue. Rates do not actually change until there is a second reading formally adopting the rates and establishing the operating budget for FY2026.

Thank you for your consideration of this request.

Sincerely,

| Biochemical oxygen demand (BOD): | \$0.2493 per pound in excess of three hundred (300) mg/liter;       |

g. The rates established here are to meet operations and shall not be excessive or produce profit over and above the requirements of the system or as required by law.

(3) Isolation of wholesale water costs, union contract wages and fringe benefits. The purpose of this section is to permit the automatic adjustment of retail rates to residential, commercial and industrial customers for changes in operating costs that are outside the direct control of the water and sewer system.

a. Wholesale water costs - the consumption-based retail water rate shall be adjusted to reflect changes in the wholesale cost of water purchases implemented by the City of Detroit during the current fiscal year.

1. Water purchase expense in the original adopted operating budget is calculated as the estimated water purchase volume times the wholesale rate in effect at the time of budget adoption.

2. When the City of Detroit Board of Water Commissioners approves a change in wholesale rate to be charged to the City of Warren, water purchase expense shall be recalculated as the actual year-to-date wholesale purchase cost plus estimated purchase volumes for the balance of the fiscal year times the revised wholesale rates.

3. The revised water purchase expense as determined above shall be compared to the original approved water and sewer system budget for water purchases. If the revised cost exceeds the original budget cost the resulting shortage shall be recoverable from retail customers through an increase in the water consumption rate for balance of the current fiscal year. If the revised cost is less than the original budget cost the surplus shall be rebated to retail customers through a decrease in the water consumption rate for the balance of the current fiscal year.

The adjustment to the water consumption rate shall be determined by dividing the anticipated cost change by the projected sales volume for the balance of the current fiscal year.

b. Reserved.

c. Reserved.

d. Reserved.

e. These adjustments of water and sewer rates shall occur by operation of this ordinance under authority granted under sections 6.1 of the City Charter, as if specifically adopted by city council.

f. Any changes in rates shall be published at least once in a newspaper of general circulation with the city. Supporting schedules shall be filed with the city clerk for public inspection and transmitted to the city council for information and review.

g. Nothing in this section shall, in any way, limit the power of the city council to adjust water and sewer rates by resolution or ordinance amendment independent of the operation of this ordinance.

SECTION 2. This ordinance is ordered to be published in the manner provided by law and the water and sewage charges shall be implemented on all billings rendered on or after its effective date.

THIS ORDINANCE SHALL TAKE EFFECT ON 07/01/25.

I HEREBY CERTIFY that the foregoing Ordinance # was adopted by the Council of the City of Warren at its meeting held on .

### RE: PURCHASE OF SERVER – CONNECTION

Dear Mr. Treppa:

The court is in need of a new server due to one of the current servers the court utilizes reaching it's end of life. After discussing with the IS Department, both the Court and IS personnel agreed upon purchasing a new server to effectively and safely store our data. When purchasing servers in the past, the court has consistently purchased through Connection, which utilizes the Sourcewell contract number 121923-GVC, and they have provided a quote for the cost of the server as \$33,473.04. The court as well as the city have an established relationship, and we trust this vendor with purchases such as this.

Funding should be available in the court's building fund, 410-9410-97400

If you have any questions, please contact me at your earliest convenience.

Respectfully submitted,

Annette Gattari-Ross  
Court Administrator/Magistrate

### NECESSITY FOR REVISION:

The contract modification is for the final adjustment of quantities and balancing the pay items to as-constructed quantities, resulting in an increase from the amended contract amount by \$76,215.00 resulting in a final contract amount of \$4,130,354.65. ## **ELECTRONIC RECORD AND SIGNATURE DISCLOSURE**

From time to time, City of Warren (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

### **Getting paper copies**

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

### **Withdrawing your consent**

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

### **Consequences of changing your mind**

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

### **All notices and disclosures will be sent to you electronically**

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

### **How to contact City of Warren:**

You may contact us to let us know of your changes as to how we may contact you electronically, to request paper copies of certain information from us, and to withdraw your prior consent to receive notices and disclosures electronically as follows:

To contact us by email send messages to: [dclark@cityofwarren.org](mailto:dclark@cityofwarren.org)

### **To advise City of Warren of your new email address**

We do not require any other information from you to change your email address.

If you created a DocuSign account, you may update it with your new email address through your account preferences.

### **To request paper copies from City of Warren**

We will bill you for any fees at that time, if any.

- i. decline to sign a document from within your signing session, and on the subsequent page, select the check-box indicating you wish to withdraw your consent, or you may;
- ii. send us an email to [dclark@cityofwarren.org](mailto:dclark@cityofwarren.org) and in the body of such request you must state your email, full name, mailing address, and telephone number. ## **ELECTRONIC RECORD AND SIGNATURE DISCLOSURE**

From time to time, City of Warren (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

### **Getting paper copies**

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

### **Withdrawing your consent**

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

### **Consequences of changing your mind**

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

### **All notices and disclosures will be sent to you electronically**

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

### **How to contact City of Warren:**

You may contact us to let us know of your changes as to how we may contact you electronically, to request paper copies of certain information from us, and to withdraw your prior consent to receive notices and disclosures electronically as follows:

To contact us by email send messages to: [dclark@cityofwarren.org](mailto:dclark@cityofwarren.org)

### **To advise City of Warren of your new email address**

To let us know of a change in your email address where we should send notices and disclosures electronically to you, you must send an email message to us at [dclark@cityofwarren.org](mailto:dclark@cityofwarren.org) and in the body of such request you must state: your previous email address, your new email address. We do not require any other information from you to change your email address.

If you created a DocuSign account, you may update it with your new email address through your account preferences.

### **To request paper copies from City of Warren**

To request delivery from us of paper copies of the notices and disclosures previously provided by us to you electronically, you must send us an email to [dclark@cityofwarren.org](mailto:dclark@cityofwarren.org) and in the body of such request you must state your email address, full name, mailing address, and telephone number. We will bill you for any fees at that time, if any.

### **To withdraw your consent with City of Warren**

To inform us that you no longer wish to receive future notices and disclosures in electronic format you may:

- i. decline to sign a document from within your signing session, and on the subsequent page, select the check-box indicating you wish to withdraw your consent, or you may;
- ii. send us an email to [dclark@cityofwarren.org](mailto:dclark@cityofwarren.org) and in the body of such request you must state your email, full name, mailing address, and telephone number. We do not need any other information from you to withdraw consent.. The consequences of your withdrawing consent for online documents will be that transactions may take a longer time to process..

### **Required hardware and software**

The minimum system requirements for using the DocuSign system may change over time. The current system requirements are found here: <https://support.docusign.com/guides/signer-guide-signing-system-requirements>.

### **Acknowledging your access and consent to receive and sign documents electronically**

To confirm to us that you can access this information electronically, which will be similar to other electronic notices and disclosures that we will provide to you, please confirm that you have read this ERSD, and (i) that you are able to print on paper or electronically save this ERSD for your future reference and access; or (ii) that you are able to email this ERSD to an email address where you will be able to print on paper or save it for your future reference and access. Further, if you consent to receiving notices and disclosures exclusively in electronic format as described herein, then select the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

By selecting the check-box next to 'I agree to use electronic records and signatures', you confirm that:

- You can access and read this Electronic Record and Signature Disclosure; and
- You can print on paper this Electronic Record and Signature Disclosure, or save or send this Electronic Record and Disclosure to a location where you can print it, for future reference and access; and

## **ELECTRONIC RECORD AND SIGNATURE DISCLOSURE**

From time to time, City of Warren (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

### **Getting paper copies**

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

### **Withdrawing your consent**

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

### **Consequences of changing your mind**

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

### **All notices and disclosures will be sent to you electronically**

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

### **How to contact City of Warren:**

You may contact us to let us know of your changes as to how we may contact you electronically, to request paper copies of certain information from us, and to withdraw your prior consent to receive notices and disclosures electronically as follows:

To contact us by email send messages to: [dclark@cityofwarren.org](mailto:dclark@cityofwarren.org)

### **To advise City of Warren of your new email address**

To let us know of a change in your email address where we should send notices and disclosures electronically to you, you must send an email message to us at [dclark@cityofwarren.org](mailto:dclark@cityofwarren.org) and in the body of such request you must state: your previous email address, your new email address. We do not require any other information from you to change your email address.

If you created a DocuSign account, you may update it with your new email address through your account preferences.

### **To request paper copies from City of Warren**

To request delivery from us of paper copies of the notices and disclosures previously provided by us to you electronically, you must send us an email to [dclark@cityofwarren.org](mailto:dclark@cityofwarren.org) and in the body of such request you must state your email address, full name, mailing address, and telephone number. We will bill you for any fees at that time, if any.

### **To withdraw your consent with City of Warren**

To inform us that you no longer wish to receive future notices and disclosures in electronic format you may:

- i. decline to sign a document from within your signing session, and on the subsequent page, select the check-box indicating you wish to withdraw your consent, or you may;
- ii. send us an email to [dclark@cityofwarren.org](mailto:dclark@cityofwarren.org) and in the body of such request you must state your email, full name, mailing address, and telephone number. We do not need any other information from you to withdraw consent.. The consequences of your withdrawing consent for online documents will be that transactions may take a longer time to process..

### **Required hardware and software**

The minimum system requirements for using the DocuSign system may change over time. The current system requirements are found here: <https://support.docusign.com/guides/signer-guide-signing-system-requirements>.

### **Acknowledging your access and consent to receive and sign documents electronically**

To confirm to us that you can access this information electronically, which will be similar to other electronic notices and disclosures that we will provide to you, please confirm that you have read this ERSD, and (i) that you are able to print on paper or electronically save this ERSD for your future reference and access; or (ii) that you are able to email this ERSD to an email address where you will be able to print on paper or save it for your future reference and access. Further, if you consent to receiving notices and disclosures exclusively in electronic format as described herein, then select the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

By selecting the check-box next to 'I agree to use electronic records and signatures', you confirm that:

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

DATE: APRIL 11, 2025  
TO: MINDY MOORE, SECRETARY OF WARREN CITY COUNCIL  
SUBJECT: RECOMMENDATION TO FURNISH AND INSTALL METASYS HVAC CONTROL SYSTEM AT THE WARREN COMMUNITY CENTER (WCC); TRI-W-1014

The Purchasing Division concurs with the Parks and Recreation Department and recommends that Johnson Controls, Inc. (JCI), 6111 Sterling Drive North, Sterling Heights, MI 48312 be awarded Phase I of II for furnishing and installing a Metasys HVAC control system, utilizing the contracted rates contained in the extendable City of Warren agreement (RFP-W-9103), at a cost of \$83,289.55.

Metasys is the industry-leading building automation system (BAS) for HVAC controls. BAS provides the overall framework for managing building systems, while the Direct Digital Control (DDC) is the control method used in conjunction with Metasys to precisely manage the individual equipment. The BAS works with the DDC to properly measure environmental conditions and automatically adjusts settings based on desired temperature parameters.

Currently, City Hall houses one (1) Metasys server and one (1) DDC is housed at each of the following locations: City Hall, Police Station, Water Building, Fire Station #1 and Fire Station #5.

This project will be conducted in two Phases.

**Phase I:**

**Cost: \$83,289.55**

Phase I will consist of replacing and upgrading the existing proprietary TRANE control system, on the HVAC equipment listed below, with the Metasys HVAC control system that will link to the City Hall Metasys server. This will allow for greater controls and oversight by the Warren Community Center (WCC) Staff.

Currently, if there are issues at the WCC, the department staff has to notify TRANE to adjust the controls. With this new system, WCC staff will have the ability to control and schedule the air temperature in each room of the WCC effectively and efficiently. This system will enhance comfort, health, and safety while providing more system controls and easy access to information.

The equipment being upgraded in Phase I includes the following:

- Qty (2) Large DesChamps Dehumidification Unit
- Qty (1) TRANE Chiller
- Qty (2) Chilled Water Pumps
- Qty (2) Large Air Handling Units
- Qty (2) Large Exhaust Fans

**Phase II:**

**Cost: \$189,621.37**

Phase II will consist of replacing and upgrading the existing proprietary TRANE control system, on the HVAC equipment listed below, with the Metasys HVAC control system that will link to the City Hall Metasys server. This will allow for greater controls and oversight by the Warren Community Center (WCC) Staff as well as the Building Maintenance Division at City Hall, including notifications and the ability to change set points and space temperatures either onsite or remotely.

- Replace One (1) TRANE TRACER front-end control panel with a new JCI panel. This new JCI control will bring in all the field devices in Phase I, Phase II and Boiler Room and provide real time data. This will also allow for reporting, access and trending back to City Hall main server.
- Retrofit controls and integration of thirteen (13) Trane Roof Top Units (RTUs) that currently need Trane support to adjust or program. This will allow Warren the flexibility to make changes and adjustments on their own. JCI is also building a graphics package so Warren Facilities will see the RTUs and information reporting back in real time.
- Allow for real time temp/humidity reporting and easy access to changing set point or temperatures for the following Four (4) Large Air Handling Units.
  - o Gymnasium (qty. 3)
  - o Auditorium (qty. 1)
- Provide and install new CGM controller and control wiring for four (4) Air Handling Units for the office spaces
- Provide and install new controllers and control wiring/wireless mesh for forty (40) Variable Air Volume Boxes (VAV) located throughout the Community Center auditorium and offices. This will allow for notifications and the ability to change set point and temperature onsite or remotely.

Johnson Controls will be responsible for properly furnishing and installing the equipment. Training will also be provided to the end-users as well as a one-year warranty on all new parts and labor. Please see the attached detailed quotes for both phases of work.

The City will be utilizing JCI for this work utilizing the extendable City of Warren Contract; ITB-W-9103 approved by City Council on September 13, 2022, which allows the City to extend HVAC-related work to JCI as long as they maintain the same labor and material rates agreed to under the RFP-W-9103 agreement.

The Parks and Recreation Department will seek proper approvals for Phase 2 during the 2026 fiscal year.

The City has been pleased with the work of JCI and is confident that JCI will continue to perform at high-levels for this project.

Funds for Phase I are available in the following Account: 208-9208-97400.

Respectfully Submitted,

Craig Treppa  
Purchasing Agent

Subject: Warren Community Center HVAC Controls

The Parks & Recreation Department, recommends that Johnson Controls install a Metasys HVAC control system for monitoring the air temperature in all the rooms at the community center. The department is in desperate need of this program so we can control and schedule the air temperature in each room in an efficient and cost savings method. This system is in collaboration with other City department's air temperature controls.

This project will be completed in two phases. The first phase cost is \$83,289.55 that includes tying into the existing City of Warren Johnson Controls Metasys Server that is located at City Hall. Installation of the room, chiller and pump sensors. Implementation of the programming and training of the new software program. The Parks & Recreation Department will be seeking Council budget approval for Phase 2 in the Fiscal Year of 2026. Estimated cost for Phase 2 is \$189,621.37. Phase 2 is controls conversion from Trane to Johnson Controls. Attached is the quote and spec sheet of Phase 1 & 2.

Funds for Phase 1 project are available in the Capital Improvement account 9208-97400.

If you have any questions or concerns please contact me.

Sincerely,

Anthony Casasanta  
Parks & Recreation Director

City of Warren, Michigan

RE: Delinquent Water Charges for 2025 Tax Roll

Dear Mayor Stone,

Section 15.4 (c) of the City Charter provides that all charges for water and wastewater treatment services that have been unpaid for a period of three months or more as of March 31<sup>st</sup> of each year are subject to collection through assessment on the city tax roll.

As of today, the total currently potentially collectible pursuant to the above Charter provision is approximately \$970,000. The actual amount changes daily as payments are processed, and we will continue to adjust the file from which notices are generated until the last possible moment.

Individual notices were included on the April 2025 billing statement. The notices indicate that the balances due, if not paid by April 30, 2025, will be added to the city tax roll and collected with the city taxes. The actual amount placed on the tax roll will depend on collection activity between now and the creation of the roll. Historically, this amount is substantially less than the original listing both because of normal collection activity and payments generated as the result of the notices.

According to Section 15.4 (c) of the City Charter, the City Council is required to order the publication of a notice in the newspaper of general circulation. This notice will inform the public that the unpaid water and wastewater treatment charges will be added to the City's Tax Roll.

## **ELECTRONIC RECORD AND SIGNATURE DISCLOSURE**

From time to time, City of Warren (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

### **Getting paper copies**

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

### **Withdrawing your consent**

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

### **Consequences of changing your mind**

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

### **All notices and disclosures will be sent to you electronically**

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

### **How to contact City of Warren:**

You may contact us to let us know of your changes as to how we may contact you electronically, to request paper copies of certain information from us, and to withdraw your prior consent to receive notices and disclosures electronically as follows:

To contact us by email send messages to: [dclark@cityofwarren.org](mailto:dclark@cityofwarren.org)

### **To advise City of Warren of your new email address**

To let us know of a change in your email address where we should send notices and disclosures electronically to you, you must send an email message to us at [dclark@cityofwarren.org](mailto:dclark@cityofwarren.org) and in the body of such request you must state: your previous email address, your new email address. We do not require any other information from you to change your email address.

If you created a DocuSign account, you may update it with your new email address through your account preferences.

### **To request paper copies from City of Warren**

To request delivery from us of paper copies of the notices and disclosures previously provided by us to you electronically, you must send us an email to [dclark@cityofwarren.org](mailto:dclark@cityofwarren.org) and in the body of such request you must state your email address, full name, mailing address, and telephone number. We will bill you for any fees at that time, if any.

### **To withdraw your consent with City of Warren**

To inform us that you no longer wish to receive future notices and disclosures in electronic format you may:

- i. decline to sign a document from within your signing session, and on the subsequent page, select the check-box indicating you wish to withdraw your consent, or you may;
- ii. send us an email to [dclark@cityofwarren.org](mailto:dclark@cityofwarren.org) and in the body of such request you must state your email, full name, mailing address, and telephone number. We do not need any other information from you to withdraw consent.. The consequences of your withdrawing consent for online documents will be that transactions may take a longer time to process..

### **Required hardware and software**

The minimum system requirements for using the DocuSign system may change over time. The current system requirements are found here: <https://support.docusign.com/guides/signer-guide-signing-system-requirements>.

### **Acknowledging your access and consent to receive and sign documents electronically**

To confirm to us that you can access this information electronically, which will be similar to other electronic notices and disclosures that we will provide to you, please confirm that you have read this ERSD, and (i) that you are able to print on paper or electronically save this ERSD for your future reference and access; or (ii) that you are able to email this ERSD to an email address where you will be able to print on paper or save it for your future reference and access. Further, if you consent to receiving notices and disclosures exclusively in electronic format as described herein, then select the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

By selecting the check-box next to 'I agree to use electronic records and signatures', you confirm that:

## CONTRACT MODIFICATION

**DATE:** March 10, 2025

**CONTRACT:** WWTP-23-001, Aeration Gallery Improvements  
(ITB-W-0998)

**MODIFICATION NO.:** 2 & Final

**TO:** Midwest Power Systems, Inc.  
2401 Hickory Oak  
Milford, MI 48380

**NECESSITY FOR REVISION:** Modifications to the contract work after project award due to field changes, additional work outside the scope of the original project, and the adjustment of final project quantities including balancing of the original pay items to as-constructed quantities.

The adjustment of final quantities is as described in the attached Final Adjustment of Quantities table.

Item No. 4, Concrete Crack Injection, had the largest change from the original contract due to the additional findings of active and non-active cracks along the two (2) 20-foot-tall walls of the aeration tunnel. These walls separate the gallery from the aeration tank(s) and were covered with mineral deposits prior to construction. Once the mineral deposits were removed and cleaned, further cracks were observed and required to be addressed as part of the water proofing portion of the project.

The total change in contract price resulting from balancing the original pay items to as-constructed quantities is \$79,876.05 (increase) resulting in a final contract amount of \$1,119,125.48.

This document, including the additional pay items described above shall become an amendment to the Contract, and all provisions of the Contract will apply thereto.

The amount of \$79,876.05 is hereby added to the amended contract amount of \$1,039,249.43, resulting in a final contract amount of \$1,119,125.48.

The Contractor will be held to furnish all materials and labor required for the completion of the work described herein, including all items incidental thereto or necessary to complete the work, even though not specifically mentioned.

The above shall be effective upon approval of the Mayor and City Council.

Except as modified, all other items of the Contract remain in effect.

## **ELECTRONIC RECORD AND SIGNATURE DISCLOSURE**

From time to time, City of Warren (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

### **Getting paper copies**

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

### **Withdrawing your consent**

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

### **Consequences of changing your mind**

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

### **All notices and disclosures will be sent to you electronically**

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.
