**RESOLUTION OF THE WARREN CITY COUNCIL  
RECOGNISING WORKERS MEMORIAL DAY**

WHEREAS, on April 28th, 1971, the Occupational Safety and Health Act (OSHA) went into effect, promising every worker the right to a safe job, and

WHEREAS, every year on April 28th, communities and worksites around the world honor friends, family members, and colleagues who have been killed or injured on the job; and

WHEREAS, the U.S. Department of Labor, and the Federal Bureau of Labor Statistics estimates that Michiganders have died while on the job at an average rate of 147 people per year over the past decade; and

WHEREAS, the 2024 National Census of Fatal Occupational Injuries found a worker died every 99 minutes from a work-related injury; and

WHEREAS, it is appropriate to honor the memory of the courageous and dedicated members of Michigan's labor force who have been injured or disabled or have died as a result of workplace accidents; and

WHEREAS, we remember those who have died in workplace catastrophes, suffered occupational-related diseases, or have been injured due to dangerous conditions; and

WHEREAS, recognition of the integrity of Michigan's workforce and its achievements on behalf of the economic growth of our state is necessary; and

WHEREAS, the City Council of the City of Warren wishes to pay tribute to the workers who have died or been injured or disabled in workplace accidents. We honor the contributions of Michigan's workforce and call for increased workplace safety; and

WHEREAS, the City Council of the City of Warren renews our efforts to seek stronger workplace safety and health protections, better standards and enforcement, and fair and just compensation; and by rededicating ourselves to improving safety and health in every city workplace;

NOW, THEREFORE, BE IT RESOLVED by the Warren City Council, that the members of this legislative body declare April 28, 2025, as Workers Memorial Day

***RESOLUTION DECLARED ADOPTED on this 22nd Day of April, 2025.***

## **CITY OF WARREN, MICHIGAN GENERAL INFORMATION**

The City of Warren was incorporated as a home rule City on January 1, 1957. The City is governed by a seven-member Council, Mayor, Treasurer and City Clerk. The City encompasses 34.5 square miles (22,080 acres) of the southwestern section of Macomb County where it is adjacent to the City of Detroit. The City's boundaries are Eight Mile Road on the south, Fourteen Mile Road on the north, Dequindre Road on the west and a parallel line running due north from the Gratiot-Eight Mile Road intersection on the east. With a population of 139,387 (2020 census figure), Warren remains the third largest City in the State of Michigan.

Warren is an area rich with ethnic flavor and charm. We are proud of our community, from its rural beginnings to its phenomenal growth and its unique blend of industrial innovation, residential comfort, and educational and cultural opportunities.

With over 4,000 businesses, Warren has a diverse business climate. Unquestionably contributing to the economic vitality of the City is the presence of General Motors Corporation and FCA/Chrysler Corporation automotive facilities. Warren is proud to be the home of General Motors Technical Center, a 330-acre complex housing General Motors Corporation staff operations; research laboratories, engineering, and design. FCA/Chrysler Corporation has three major facilities in Warren. Occupying a 224-acre site, this complex includes an assembly plant, a stamping plant and a paint plant. The presence of General Motors Corporation and FCA/Chrysler represents approximately 9.4% of the City's taxable value. In 2021, General Motors Corporation sold the idle Hydramatic Transmission Plant to Northpoint Development. The 117 acre parcel is being redeveloped into an industrial park with its first tenants including Home Depot, Marlo Beauty Supply and Borg Warner subsidiary Akasol.

The South Campus of Macomb Community College is a public college located on a 100-acre site on Twelve Mile Road. Macomb Community College is one of the nations' leading community colleges. Macomb ranks nationally in the top two percent in the number of associate's degrees awarded and as the largest grantor of associate's degrees in Michigan. The college's comprehensive educational programming includes pre-college experiences, university transfer and career preparation programs, bachelor's degree completion and graduate degree programs, workforce training, professional and continuing education and enrichment opportunities.

Protecting the lives and property of Warren's citizens is the mission of our public safety departments. The Fire Department strives to ensure that the best fire extinguishment and emergency medical service is available to service the community. The Police Department operates an Emergency 911 System, in-vehicle wireless communications and a high tech mobile command center to afford residents the quickest possible response to any emergency situation. This continual investment in equipment, facilities and personnel has resulted in Warren having one of the lowest crime rates in the nation for a city over 100,000 people.

The mission of the Warren Public Library is to improve the quality of life for the citizens of Warren by providing services and resources that promote educational, cultural, social and economic well being. The library strives to be a source of information for lifetime learning and enjoyment. One of its primary goals is to stimulate young children's interest in reading and learning and to encourage literacy among all age groups. The Warren Public Library operates a Civic Center Library and occupies 35,000 square feet on the main floor of the City Hall building. The Library features a computer lab, self check-out units, private study rooms and an inviting reading room with fireplace. Services such as after hours book pick-up and a drive-up book drop are also available. This centrally located library benefits all citizens of Warren. Warren also has branch libraries, each providing internet access and adaptive devices for the visually impaired. As a member of the Suburban Library Cooperative, the Warren Libraries provide access for patrons to all library materials in the State of Michigan.

**CITY OF WARREN, MICHIGAN**  
**(Continued)**

The City of Warren has developed 30 City parks. Halmich Park, the largest of the City parks sits on approximately 80 acres and has four-lighted baseball diamonds, soccer fields, a concession stand and picnic pavilions. The City operates three indoor recreational facilities: the Warren Community Center, Owen Jax Recreation Center and the Stilwell Manor Senior Drop-In Center.

The Warren Community Center facility houses the Parks and Recreation, Communications Department and City Council offices as well as the Miller Branch of the Warren Public Library. The facility operates a year round aquatics center which includes a 150-foot water slide, a lazy river, play structure and lap pool. In addition, there are three gymnasiums, multi-purpose meeting rooms, and an auditorium and fitness center. The exterior grounds include a lighted football stadium, walking paths and irrigated soccer fields. With grant assistance from the Michigan Department of Transportation, the Recreation Department continues to offer specialized transportation for seniors and special populations.

The Parks and Recreation Department offers many year-round recreational programs, including baseball, softball, basketball, volleyball, swimming, bowling, arts and crafts, music, theater and dancing. Programs service pre-school children to senior citizens. Summer concerts are conducted by the City's Cultural Commission and the Parks and Recreation Department.

The City's Public Service Department provides a variety of services to the City's residents. Amongst these are weekly garbage collection; street maintenance, including snow and ice removal; building inspections; operation of the Waste Water Treatment Plant and the Water and Sewer System.

Affordable and safe housing is provided to Warren seniors through the operation of its 366-unit Senior Citizen Housing Complex.

**MAJOR INITIATIVES**

There is an ongoing commitment to improve conditions of road surfaces and traffic flows throughout the City as well as water and sewer main infrastructure where necessary. The majority of the road projects in this budget are funded directly by the City utilizing state shared state gas and weight taxes, through cooperative efforts with the Michigan Department of Transportation or Macomb County Road Commission and from the local road/replacement millage. Water mains will be replaced in conjunction with many of these road projects. The City continues with the commitment to replace aging equipment and vehicles.

This budget has over \$111 million worth of capital improvements. The main items include several road projects, police vehicles, fire station improvements, various Waste Water Treatment Plant improvements, and water and sewer main replacements. The 21.5-million-gallon detention basin, constructed over the past few years, is now in operation to help prevent flooding caused by severe weather conditions.

# **BUDGETARY DATA**

## **Introduction**

As you review the City's Budget document, note that it is organized by fund type. These fund types are distinguished by tabs and include the General Fund, Special Revenue Funds, Enterprise Funds, Capital Project Funds, and Debt Service Funds. The General Fund is further divided into major divisions or departments. Each division or department contains a Service Mission Statement, Performance Objectives and Indicators, Expenditure History Chart, Personnel and Budget changes for prior years, and requested, recommended by the Mayor and Adopted by Council for the new Budget year. The Service Mission Statement highlights the types of services each activity provides. The Performance Objectives give specific objectives that the activity hopes to achieve in the current year while the Performance Indicators provide a listing of key measurements of the activity's service, efforts and accomplishments. The Expenditure History Chart provides a graphic look at the activity's expenditures over the past ten fiscal years.

## **Uniform Budget Act**

The City is legally subject to the budgetary control requirements of State of Michigan P.A. 621 of 1978 (the Uniform Budgeting Act). The following statements represent a brief synopsis of the major provisions of this Act.

- Budgets must be adopted for the General Fund, Special Revenue Funds, and Debt Service Funds.
- The budgets must be balanced.
- The budgets must be amended when necessary.
- Debt cannot be entered into unless permitted by law.
- Expenditures cannot exceed budget appropriations.
- Expenditures cannot be made unless authorized in the budget.
- A public hearing must be held before budget adoptions.

## **Budgetary Basis of Accounting**

Budgets for the General, Special Revenue, Debt Service and Capital Project Funds are prepared and adopted on the modified accrual basis of accounting consistent with Generally Accepted Accounting Principles (GAAP).

## **Budgetary Process**

The preparation of the budget begins in December with the distribution of budget instructions by the Controller's Office. During January and February, the Mayor and Controller's Office hold meetings with all departments, divisions, and commissions to review proposed spending and activities. At this time alternative approaches are sought to provide better services and reduce costs. Departmental requests are addressed by the Mayor within overall City needs and an estimate of available resources. The remaining steps and deadlines are strictly outlined in the City Charter as follows:

1. Not later than the second Monday in April of each year, the Mayor shall submit to the Council a recommended budget for the next fiscal year, which is within the tax limit and other revenue sources of the City.
2. The recommended budget of the Mayor, together with his supporting schedules, information and messages, shall be reviewed by the Council.
3. A public hearing on the budget shall be held not less than one week before its final adoption.
4. Not later than the third Monday in May of each year, the Council shall, by resolution, adopt a budget for the ensuing fiscal year in accordance with the Michigan Uniform Accounting and Budgetary Act.

In addition to the Charter requirements, the Administrators of all City offices have made budget requests to the Mayor, which he has reviewed before arriving at his proposed budget recommendations.

**The Recommended Budget vs. Adopted Budget:** The terminology "Recommended Budget" is utilized throughout the document to indicate the budgetary totals and concepts as presented by the Mayor to the City Council on or before the second Monday in April. The terminology "Adopted Budget" refers to the official budgetary totals adopted by the City Council after the Mayor's submission and required public hearing is held.

Once adopted, the budget becomes the legally binding financial plan for the City. The City adopts its budget by budgetary center, which is in accordance with the State's legal requirement and is the level of classification detail at which expenditures may not legally exceed appropriations. The Council must approve any changes to a total budgetary center appropriation. Budgets are monitored carefully with the use of an encumbrance system.

In conformance to the State of Michigan Uniform Budgeting Act, the City amends the budgeted revenues and expenditures periodically to provide funding for new programs adopted during the fiscal year or to reflect changes in revenues and expenditure patterns as they occur. The purpose of this process is to ensure that the budget remains a timely and accurate management tool.

# **CITY GOALS & OBJECTIVES**

## **Public Health and Safety**

Everyone who lives, works, or visits the City must be safe and perceive it as a community in which people can live healthfully, move about safely and feel confident that they and their property are protected from criminal harm and the hazard of fire and natural and manmade disasters. Supporting this effort are hundreds of volunteers who are committed to maintaining safe neighborhoods and workplaces. Our neighborhood watch program along with the Police Department's community policing efforts continues to be valuable tools in reducing crime. Prevention programs, particularly youth anti-drug programs will continue to be emphasized to focus upon higher-order prevention activities and contribute to the City's overall desirability. Premier fire prevention programs and life support services also will continue to be provided.

## **Neighborhoods**

The neighborhoods of the City are the backbone of our community. Community pride and standards are vital to the neighborhoods and businesses throughout the entire community. One of City government's major focuses is to encourage its citizens to strengthen and improve their neighborhoods. Beautification and ongoing maintenance of property are encouraged to assure high community standards, along with social and recreational activities for people of all ages and interests. The City will continue to strive for a permanent stock of decent housing which is available to meet the needs of all members of the community regardless of age, income, or background. Young people and young families are urged to develop an attachment to Warren and its neighborhoods, to maintain the same level of commitment as today's senior adults, its founding citizens.

## **Education**

Public education is the responsibility of the school districts located within the City. However, the importance of both public and private schools to the social and economic vitality of Warren neighborhoods and the business community is a primary concern to City government. The City supports strong, imaginative and innovative public school systems, which demand the highest educational standards of its administrators, teachers and students. The City will continue to provide excellent public library programs, which serve as major resources to all Warren educational institutions, citizens and the business community.

## **Recreational and Cultural**

An enriched recreational and cultural life is an essential ingredient to every successful community. The City is committed to providing outstanding cultural and recreational activities to residents of all ages. Citizen volunteers on the Cultural, Recreation, Library, Beautification, Historical, and Village Historical Commissions provide opinions and ideas as to how the City's cultural and recreational resources can and should be used. The City has thirty (30) City parks distributed throughout its neighborhoods. Strong cultural and recreational programs will help residents of all ages to maintain both active, healthy minds and bodies.

# **CITY GOALS & OBJECTIVES**

## **Economic Development**

City government acknowledges the ability to provide services is tied directly to tax base growth and seeks to balance congenial land uses that promote a healthy environment. The City will continue to encourage economic development in the existing industrial and commercial areas to expand the tax base and retain and create jobs. It is important to assure a community climate, which encourages economic activity and full employment, rewards creative enterprise and provides the means to realize other goals in the plan.

## **Maintenance and Appearance**

Warren's extensive infrastructure (buildings, roads, bridges and utilities) helps attract and retain residents and businesses, along with the City's natural resources. Preservation of the physical appearance and structural integrity of buildings must be applied to both publicly and privately owned properties to maintain high appearance standards. The City will continue to encourage the revitalization of many existing facilities and properties to meet current standards.

Ease of travel within the community is attractive to both residents and businesses. The City will continue to provide a fully balanced transportation system which is integrated with the regional systems and provides transit options for everyone in the community. Warren must maintain its desirability by continuing to plan and implement a road improvement priority system. These plans must remain sensitive to the needs of the City's neighborhoods to prevent any negative impact on the integrity of residential areas.

## **Intergovernmental Relations**

The City acknowledges that it is part of a larger urban area and that solutions to certain problems must be addressed on a regional level. By doing so, duplication of services and related costs can be avoided. A greater responsibility for public services has been shifted to cities by state and federal governments in recent years; adequate financing, however, has not always accompanied these new service needs. The City will continue to aggressively seek its fair share of state and federal funding and will remain actively involved in legislation on critical issues.

## **Financial Planning**

Financial planning and responsible management are mandatory to create an ongoing balanced budget in a community for its short-term and long-term welfare. The City will continue to evaluate all services in order to effectively and efficiently provide them at the lowest cost possible to Warren taxpayers. It is also necessary to review all revenue sources available and adjust any user fee charges where appropriate. The City will continue its thoughtful, innovative financial approach, which has earned it national recognition in budget preparation and financial reporting. Also, the City continues to maintain one of the highest credit ratings of any municipal government in the United States. This rating improves the investments of our bondholders and reduces the cost of borrowing to our taxpayers.

# **FINANCIAL POLICIES & STRATEGIES**

## **Financial Policies**

The City of Warren financial policies detailed below set forth the basic framework for the overall fiscal management of the City. Operating independently of changing circumstances and conditions, these policies assist the decision-making process of the City Council and the Administration. These policies provide guidelines for reviewing current activities and proposals for future programs.

## **Operating Budget Policies**

1. No new or expanded services shall be implemented without implementing trade-offs of expenses or revenues at the same time. This applies to personnel, equipment and any other peripheral expense associated with the service.
2. The City shall continue to support a scheduled level of maintenance and replacement of its infrastructure and fleet. Expansions to the fleet must be offset through reductions in other equipment and/or costs.
3. The City will maintain a budgetary control system to ensure adherence to the budget and will prepare monthly reports comparing actual revenues and expenditures to budgeted amounts.
4. The City will monitor departmental expenditures continuously to ensure conformity to budgets and decide on actions to bring the budget into balance, if necessary.
5. The City will avoid budgetary practices or procedures that balance current period expenditures at the expense of future years' revenues.
6. The budget will provide for adequate levels of funding for all retirement systems.
7. The City will develop and maintain accounting and budgetary control systems to adequately safeguard the assets held in public trust.
8. Minimize the impact in the use of property tax financing by seeking alternative financing for City services including user fees and upgrading and/or enhancement of the property tax base.
9. Where possible, the City will integrate performance measurement and productivity indicators within the budget.

## **Revenue Policies**

1. The City will attempt to maintain a diversified and stable revenue system to shelter it from short-run fluctuations in any one revenue source.
2. The City will attempt to obtain additional major revenue sources as a way of ensuring a balanced budget.
3. The City will establish all user charges and fees at a level related to the full cost (operating, direct, indirect and capital) of providing the service.
4. The City will review fees/charges annually and will design or modify revenue systems to include provisions that automatically allow charges to grow at a rate that keeps pace with the cost of providing the service.
5. The City will project its annual revenues by an objective and thorough analytical process.
6. The City will maintain sound appraisal procedures and practices to reflect current property values.
7. The City will follow an aggressive policy of collecting revenues.

# **FINANCIAL POLICIES & STRATEGIES**

## **Investment Policies**

1. The City will deposit all funds on the same day the funds are received.
2. The City will make a cash-flow analysis of all funds on a regular basis. Disbursement, collection and deposit of all funds will be scheduled to insure maximum investment capabilities.
3. The City will pool cash from several different funds for investment purposes to maximize potential earnings, when permitted by law.
4. The City will analyze market conditions and potential investments to maximize its yield, while maintaining the integrity, diversification and safety of the principal.
5. The City's accounting system will provide regular information concerning cash position and investment performance.

## **Debt Policies**

1. The City will confine long-term borrowing to capital improvements or projects that cannot be financed from current revenues, and where the issuance of long-term debt is required, it will pay back the bonds within a period not to exceed the expected useful life of the project.
2. The City will not incur long-term debt to finance operating deficits.
3. The City will publish and distribute an official statement for each bond and note issue.
4. General obligation debt will not be used for enterprise activities.
5. The City will maintain a sound relationship with all bond-rating agencies and will keep them informed about our current capital projects.

## **Reserve Policies**

1. The City will strive to maintain investment grade credit ratings, reduce susceptibility to emergency or unanticipated expenditures, or revenue shortfalls, and maintain a General Fund unassigned fund balance which represents between ten and fifteen percent of the Funds expenditures.
2. If at the end of a fiscal year, the fund balance falls below ten percent, the City shall, within one year, take action necessary to restore the unassigned fund balance to acceptable levels, and the Mayor shall prepare and submit to the City Council a plan for expenditure reductions and/or revenue increases.

## **Accounting, Auditing and Financial Reporting Policies**

1. An independent audit will be performed annually.
2. The City will produce comprehensive annual financial reports in accordance with Generally Accepted Accounting Practices (GAAP), the body of accounting and financial reporting standards, conventions, and practices that have authoritative support from standard setting bodies such as the Governmental Accounting Standards Board (GASB) and the Financial Accounting Standards Board (FASB).

## *All Funds Summary*

The All Funds Summary provides the reader with a quick overview of the entire financial plan of the City for the upcoming fiscal year. Several schedules, charts and graphs are also included which highlight the revenue, expenditure and fund balance history and trends for all of the City's funds and helps to better illustrate the City's overall fund structure.

## *General Fund*

The General Fund is the City's major operating fund, providing the majority of services available to our residents. The function of the fund is to record all revenues and expenditures of the City which are not accounted for in other funds. The major activities financed by the General Fund are Police and Fire Protection, City Administration and most Public Services. The primary source of revenue to fund these services is local property taxes generated annually and supplemented by state shared revenues.

## **PROPERTY TAXES:**

The property tax is a local tax. All property tax revenues are collected, administered, and spent at the local level. Every property owner in Michigan is subject to property tax by at least four units of government - the County, the school district, intermediate school districts, and the City or Township in which the property is located. Villages, special authorities, and community colleges may also levy taxes on that property. The property tax is determined by two factors: The tax rate and assessment on property as finally equalized by the State. The unit of measurement for the property tax, the "mill", is defined as \$1 per \$1,000 of Taxable Value.

### **INDUSTRIAL FACILITY TAXES:**

Act No. 198, P.A. 1974 was designed to provide a stimulus in the form of significant tax incentives to industry to renovate and expand aging plants and to build new plants in Michigan. Under the provisions of the Act, a local governmental unit may establish plant rehabilitation districts and industrial development districts and offer industrial firms certain property tax incentives to encourage restoration or replacement of obsolete industrial facilities and to attract new plants to the area. The tax is determined by multiplying one-half of the total mills for the year by the state-equalized value of the facilities excluding land and inventory.

# **Fiscal 2026 General Fund Revenues**

## **City Taxes**

The city's major source of revenue is generated by property taxation. This revenue calculation is based on a relationship between two variables. The first is the taxable valuation of industrial, commercial, and residential parcels, both real and personal property.

Operating Tax Revenue

The second variable is the application of a specific tax levy for general operations. If either of these variables increases or decreases, a relative change to the city tax revenue will be experienced.

In the Fiscal 2026 Budget, operating city tax revenue represents 58.7% of total revenue sources, an increase of \$3,319,557 or approximately 3.7% more than the Fiscal 2025 Budget. The increase is the result of a slight rise in property values.

The Total General Fund Operating Levy for the 2026 Fiscal Year is 20.2669 mills per \$1,000 of taxable value. The mills were reduced 0.17 of one mill for Police and Fire Pension Act 345. The operating millage rate continues to be below the 20.97 millage rate limit established by City Charter and at the 20.2669 Headlee maximum allowable levy.

## **Intergovernmental Revenues**

Another major source of revenue to the City is Intergovernmental Revenues. This source of revenue is comprised of grants from the Federal, State, and County levels of government. The major source in this revenue category is State Shared Revenue. These revenue sharing distributions, made by the State to communities in Michigan, are distributed based on formulas determined by the State. These formulas take into consideration population estimates and sales tax collections made by the State.

Intergovernmental Revenues

In Fiscal 2026, Intergovernmental Revenues represent 17.1% of total revenue sources. Intergovernmental revenues decreased from Fiscal 2025, due to an estimated increase in revenue sharing expected from the State of Michigan offset by the elimination of future American Rescue Plan Act (ARPA) funds. All ARPA funds allocated to the City were recognized as revenue or fully committed in Fiscal 2025.

## **Fiscal 2026 General Fund Revenues**

### **Licenses & Permits**

The revenue source of licenses and permits represents fees charged by City Departments to individuals and businesses that allow for the building of new structures as well as improvements made to existing structures. New structures that require permits include garages, sheds, decks, porches, and buildings. Improvements such as central air conditioning, furnace replacement, electrical and plumbing modifications, fences and pools also require permits from the respective City department.

Licenses & Permits

In the Fiscal 2026 Budget, License and Permit revenues represent 3.5% of total revenue sources. No significant change is anticipated for the Fiscal 2026 Budget as compared to the Fiscal 2025 Budget.

### **Charges for Services**

Charges for Services consists of revenue received from individuals, schools, businesses, and other City funds. These funds are used to reimburse the General Fund for services provided by General Fund departments. The primary revenue accounts within this revenue center include EMS services, Engineering & Inspection fees, City Clerk services, and reimbursements for Police services.

Charges for Services

In the Fiscal 2026 Budget, revenues from Charges for Services represent 3.5% of total revenue sources. No significant change is anticipated for the Fiscal 2026 Budget as compared to the Fiscal 2025 Budget.

## **Fiscal 2026 General Fund Revenues**

### **Fines & Forfeitures**

Fines & Forfeiture revenues are comprised of payments made by individuals, businesses or corporations who have violated various statutes, ordinances or laws. Included in this revenue center are court costs, parking fines, bond forfeitures, and default judgment fees.

In the Fiscal 2026 Budget, Fines & Forfeiture revenues represent 2.9% of total revenue sources, an increase of \$660,000 or approximately 16.7% more than the Fiscal 2025 Budget. The increase is the result of improved collection processes through the 37<sup>th</sup> District Court.

### **Investment Income**

Investment income provides a minimal contribution to revenues. These revenues are budgeted cautiously due to the fact that they are largely a direct function of interest rates.

In the Fiscal 2026 Budget, Investment Income revenues represent 2.6% of total revenue sources. No significant change is anticipated for Fiscal 2026. The FY2024 and FY2025 interest comparisons include an “unrealized” investment offset as is required by GAAP. The offset is based on a comparison of investment cost versus market value at a point in time. It would only be realized if an investment was not held to maturity. At maturity, full interest is realized and there is no loss of principal.

## **Fiscal 2026 General Fund Revenues**

### **Miscellaneous Revenues**

The revenue source of Miscellaneous Revenue includes revenues that cannot be easily classified in other revenue areas. Included in this revenue area are Rental Income and Administrative Costs from different sources, and Sale of Equipment.

In the Fiscal 2026 Budget, Miscellaneous Revenues represent 7.5% of total revenue sources, an increase of \$543,668 or 4.8% more than the Fiscal 2025 Budget. This increase is a result of an increase in inter-governmental charges for administrative services provided with General Fund resources.

### **Use of Fund Balance**

A use of Fund Balance exists when there is an inequality in the relationship between revenues and expenditures in a given fund. If expenditures exceed revenues, a Use of Fund Balance is needed to balance the budget.

In the Fiscal 2026 Budget, Use of Fund Balance represents 4.2% of total revenue sources. This is a decrease \$1,657,994 or 19.7% less than the Fiscal 2025 amended budget.

## CITY COUNCIL

The City Council is an elected body responsible for the legislative activities of the City of Warren. City Council is composed of seven members, five are District Council Members, and two are at large. In addition to the legislative activities, the City Council is responsible for approving the City of Warren's Budget and the Water and Sewer System Budget on an annual basis.

City Council meets twice a month, on the second and fourth Tuesday of the month in the Council chambers, located in the Warren Community Center. Council will routinely meet for Committee of the Whole, Closed Sessions or Special Meetings. These meetings are designed to study, discuss, develop strategy or take immediate action on a wide range of topics facing the City. Council Members also sit on a number of commissions that are in place to help the community at large. Most of these commissions are run by residents who volunteer their time and report back to various City Departments.

## **37TH DISTRICT COURT**

The 37th District Court is part of a State system of courts and operates under the supervision of the Michigan Supreme Court. The Court's four judges are elected by the citizens of Warren and Center Line for six year terms. The Court has a location in Warren and a location in Center Line. The judges rotate hearing cases at the Center Line Court on Wednesday mornings. In total, the 37<sup>th</sup> District Court processed approximately 77,853 new cases during 2024. Revenues and expenditures operate through the general fund.

The District Court has exclusive jurisdiction over 1) all civil litigation up to \$25,000; 2) the arraignment, setting of bail, and preliminary examination of all criminal felony cases; 3) all criminal misdemeanors of State Statutes where the penalty does not exceed one year in jail; 4) all City ordinance violations; and 5) all traffic violations.

To perform these responsibilities, the District Court is divided into the following divisions:

### **TRAFFIC/PARKING**

The District Court handles all traffic violations within the Cities of Warren and Center Line. Approximately 63,488 traffic/parking tickets were processed in Warren and 4,003 were processed in Center Line in 2024. Seven clerks staff the traffic division in Warren.

### **CRIMINAL**

The District Court processes the arraignment, setting of bail and preliminary examinations of all felony charges in the district. In addition, the District Court handles the entire disposition of all misdemeanor criminal prosecutions. The Warren Division processed 3,099 felony cases (3,036 non traffic) and 4,151 misdemeanor prosecutions. The Center Line Division processed 90 felony cases and 550 misdemeanor prosecutions. Four clerks staff the criminal division in Warren while two clerks staff and process all criminal and traffic violations for the Center Line division.

### **CIVIL**

The District Court processes all civil litigation under \$25,000, landlord tenant litigation, evictions, land contract forfeitures and small claim cases. In addition, the District Court processes garnishments and other collection actions. In order to handle approximately 687 small claims, 12,828 general civil matters, and 5,373 landlord tenant matters, five clerks staff the civil division. The court was selected by the Michigan Supreme Court to be the first Model Michigan District Court to implement the "MiFile" solution which is the statewide e-Filing Project relating to electronic filing of civil cases. The e-filing system is great benefit to court participants using the electronic filing system.

In addition, each of the four judges has a Court Clerk, Court Reporter, and Court Officer to administer daily court hearings. The administrative management staff includes a Court Administrator, Office Manager, Financial Coordinator and Assistant. Financial transaction support includes three cashiers and two clerks who process bonds and other electronic fund transactions. One Court Officer provides security at the front door. The Probation Department is staffed by three Probation Officers and two support staff.

The District Court also operates a Drug Court that is in large part funded by Federal matching funds. The program is staffed by three full time employees and two part-time employees.

## 37TH DISTRICT COURT

### Fiscal 2026 Performance Objectives

1. To process in a speedy and efficient manner all cases filed in the 37th District Court.
2. To enforce all sanctions and sentences imposed by the Judges of the Court, through the use of drivers' license sanctions, vehicle immobilization, warrants, show cause hearings and probation enforcement.
3. To extend the use of community service programs to assist in the clean-up of property maintenance violations.
4. To increase utilization of the Probation Department.
5. To reduce the backlog of open files with outstanding fines and costs owing.
6. To continue rigorous collection efforts pertaining to appointed counsel fee reimbursement.
7. To maintain an effective and productive Drug Court.
8. To comply with the requirements set forth in the Michigan indigent Defense Commission Act.
9. To continue to support the Landlord-Tenant Legal Aid Clinic.

## **MAYOR**

The Mayor, the City's chief elected official, is elected to a four-year term by Warren voters. She serves as liaison between Warren and other governmental agencies at all levels.

As the Chief Executive Officer of the City, the Mayor, through her department heads is responsible for the day-to-day operations of the City. She also renders her recommendation on all labor contracts to City Council for their consideration and approval.

The duties of the Mayor include serving as signatory on official City documents as required by Council, City Charter, state or federal law, including validation of bonds, notes, and contracts along with the City Clerk, and/or Treasurer. She prepares the City budget and presents it to Council with comments in April of each year. Additionally, the Mayor has veto power over Council actions as they relate to ordinances, resolutions, and Council proceedings.

The Mayor presides over many ceremonial activities. She also is the appointing authority of all the City's major departments and has the power to prevent disorder, preserve public peace and health, and provide for the safety of persons and property.

## **TREASURER**

The Treasurer's Office is responsible for the collection, safekeeping, and allocation of all City revenues, including real and personal property taxes, highway revenues, federal and state grant and other revenues, special assessments, fees, licenses and water revenues. These moneys are invested utilizing several sophisticated techniques to optimize interest earnings while ensuring the safety of City funds. The interest revenue earned from investment of the City's funds is a significant factor in maintaining a high level of City services and minimizing City taxes.

In a constantly changing, increasingly complex economic environment, it is essential for the City Treasurer to keep abreast of new regulatory and technological developments in the financial marketplace. Government legislation, economic trends, new financial instruments, and technical innovations must be monitored and evaluated so investment strategies can be revised and improved. The Treasurer, in the capacity as the City's money manager, strives to keep Warren at the forefront of investment policy.

Organization and procedural methods that improve the efficiency and accuracy of the flow of financial information between the Treasurer's Office, the Controller's Office and other City departments have been updated and improved to meet the increasing demands by the public and other users for financial accountability and timely reporting. System improvements in several administrative functions, such as revenue collection, property tax information systems, and investment activity, are in process to further assist in meeting these demands.

As a Charter member of the Police and Fire Retirement System Board, the Treasurer also oversees the Police and Fire Pension Fund and the VEBA Trust Fund with the assistance of outside professional actuarial and financial consultants. These funds are managed in accordance with sound actuarially determined standards.

The Treasurer also acts as the property tax collection agent for all taxing units located in the City. Taxes are collected, accounted for, and distributed annually by the Treasurer to the units. The department is comprised of the elected Treasurer, eight full time employees, and one part-time clerical employee.

## TREASURER

### Fiscal 2026 Performance Objectives

## **CONTROLLER**

The Controller's Office is charged with the efficient administration, control and reporting of all funds expended by the City. The Controller as the chief financial officer of the City, directs the department, and plays a key role as a member of the Mayor's administrative team in policy development, and planning and control of City operations. The task of overseeing the City's financial well-being has become the major function of all employees in the department and they review all expenditures to ensure that Warren residents receive the best possible return for their tax dollars.

The Controller's Office is deeply involved in establishing, upgrading, coordinating, and administering the accounting systems used to control the operations of the City.

The three major sections of the Controller's Office are:

BUDGET AND PERFORMANCE MANAGEMENT  
ACCOUNTING AND FINANCIAL REPORTING  
PURCHASING AND INVENTORY MANAGEMENT

The Controller, with the assistance of the Budget Director, develops and continuously monitors the actual performance of the City's departments to the City's budget plan. The City and Water & Sewer System budgets exceed \$240 million dollars for the current fiscal year.

In planning for control, considerable data is gathered and subjected to classification and analysis by the accounting and reporting section. This section, under the direction of the Accounting Supervisor, assimilates all financial information into monthly and annual accounting reports of the City's financial condition. The reports are prepared for both internal use and external review. As evidenced by the City's maintenance of favorable underwriter and lender relationships, these reports are among the most significant communication mediums used by the City to reach parties interested in the City of Warren.

The Purchasing section is responsible for procuring the equipment, materials, supplies and services required for the operations of the City departments, at the best possible price. The Purchasing section processes over 4,200 purchase orders, having a value in excess of \$43 million dollars annually.

### Fiscal 2026 Performance Objectives

1. To continue developing the City's financial strategy and continue fiscal responsibility while maintaining core City services.
2. To continue to assist in the financial well-being of the City and cost savings effort by monitoring all City finances, including long-term financing.
3. To continue to receive an Unmodified Audit Opinion (the best opinion an organization can receive) from our external auditor, who attests to the City's controls, processes, and overall financial stability.
4. To continue to receive the Certificate of Achievement for Excellence in Financial Reporting from the GFOA.
5. To refine and enhance our new purchasing and financial system to increase efficiency and internal controls.
6. To continue to negotiate in the Request for Proposal process to lower contractual amounts.
7. To continue to improve customer service and timeliness of payments to vendors by implementing sound purchasing practices.

## **LEGAL**

The City of Warren Law Department is a full service law office for the City of Warren. The City Attorney and all Assistant City Attorneys function as General Counsel serving the Mayor, City Council, Departments, Boards and Commissions. The role of General Counsel is to provide legal advice and guidance, thereby protecting taxpayer dollars.

The Law Department also works to protect City assets and interests by defending the City when it is sued; initiating lawsuits when directed by City Council; preparing contracts for goods and services; supporting development projects and community events; reviewing and approving contracts for road repairs, sewers, infrastructure and facilities; preparing leases to generate revenue for the City; filing legal actions for the collection of money owed to the City; and defending the real and personal property assessments that are appealed to the Michigan Tax Tribunal.

The Law Department provides legal support services to keep the City safe and clean, by drafting ordinances and amendments to protect public health, safety and welfare; providing legal services for nuisance abatement hearings and lawsuits; issuing property maintenance administrative warrants; obtaining court orders; and prosecuting all misdemeanor criminal cases and citations authorized in the 37<sup>th</sup> District Court.

In addition, the Law Department protects private property interests by providing advice to the Planning Commission and Zoning Board of Appeals regarding land use issues; preparing zoning ordinance amendments to ensure compatibility of uses and protect the enjoyment of property rights, and defends the City when decisions are appealed. The Law Department also provides legal services in the implementation of the City's efforts to encourage re-development and investment in the City through DDA, TIFA, the Brownfield Redevelopment Authority, and the federally funded Block Grant programs.

The Law Department is comprised of two separate offices, one at City Hall and the other at the 37<sup>th</sup> District Court Building. Support staff is a necessary component to the efficient operation of both offices. One Court Administrative Secretary is assigned to the District Court Office and is responsible to maintain the day-to-day administrative functions of that office, the third busiest district court in the state. One Legal Office Manager and two Paralegal Administrative Clerks maintain the day-to-day functions of the City Hall Office.

### Fiscal 2026 Performance Objectives

1. To continue a vigorous defense of the City in both legal and administrative forums.
2. To continue to keep the City safe and clean by implementing fair and vigorous ordinance prosecution in the 37<sup>th</sup> District Court.
3. To protect the financial stability of the City by investigating and implementing all legal options available for cost recovery and collections.
4. To prepare ordinance amendments to update the Code of Ordinances where necessary.
5. To serve all Boards and Commissions in fulfilling their responsibilities and goals for the fiscal year.
6. To assist all administrative departments with legal services they need to continue providing quality services to the public.

## **ASSESSING**

The Assessing Department has the responsibility of preparing the Assessment Rolls and Tax Rolls of the City for all classes of property subject to taxation. Appraising and otherwise determining the true cash value of all such properties in the City carries out this responsibility. The state constitution and statutes require that, notwithstanding any other provision of law, the assessed values placed upon the assessment roll shall be at fifty percent (50%) of true cash value, and shall be determined by appraisers who are certified by the State Tax Commission. The Assessing Department's responsibilities provide the primary source of all General Fund revenues, which are local property taxes. In Fiscal Year 2023/2024, the Tax Rolls, including Special Assessments and Administration Fees, totaled \$84,206,484 in City operating revenues, which accounts for 60.6% of the total general fund revenue.

The Assessing Department also serves as the primary source of property information in the City by maintaining the most current data for more than 60,558 parcels, consisting of approximately 54,463 real and 4,507 personal property parcels. These include Ad Valorem, Industrial Facility Tax (IFT), Commercial Facility Tax (CFT), Tax Increment Financing Authority (TIFA), Downtown Development Authority (DDA), Brownfield Authority and Neighborhood Enterprise Zone properties. The Assessing Department property information database is available to the public via internet access, and is the information backbone supporting the databases of the City's Treasury, Planning, Building, Water, Rental, and Property Maintenance Departments. Without the Assessing Department's perpetual diligence in keeping this information current, the integrity of the data relied on by all of these other departments would be compromised.

Assessing personnel are statutorily required to be certified by the State Tax Commission at varying levels of expertise for each of the different duties required by law within the Department. All certified personnel must meet annual continuing education requirements, and must pay annual fees to maintain their certifications. Though the City is required by law to provide and to fund the Assessing Department, the State Tax Commission maintains all regulatory authority over the responsibilities and compliance of the Assessing Department's employees and their functions. The City currently funds one Michigan Master Assessing Officers (MMAO), three Michigan Advanced Assessing Officer (MAAO), six Michigan Certified Assessing Officers (MCAO), and two Michigan Certified Assessing Technicians (MCAT) employees of which one is a temporary position. Ten of the permanent certified employees also hold the Michigan Certified Personal Property Examiner (MCPPE) designation. The MCPPE certification allows the City to perform personal property audits of businesses within the City. During the past year, our audits discovered \$2,000,000 in incorrectly reported personal property taxable value, which generated an additional \$54,800 in City operating tax revenues.

## ASSESSING

### Fiscal 2026 Performance Objectives

1. To complete the re-appraisal of all Commercial real parcels and begin the re-appraisal of industrial real parcels.
2. To continue the residential re-appraisal of 3,500 real parcels per year.
3. To continue auditing businesses that are currently claiming exemption of personal property taxes.
4. To continue to train the new employees and fill any vacant positions.
5. To prepare and pass the scheduled 2026 State of Michigan AMAR audit.

## **HUMAN RESOURCES**

The Human Resources Department was established in the Fiscal 2011 Budget. It has proven to be a cost effective consolidation and an efficient use of City personnel.

A brief summary of this department's responsibilities are as follows:

- Developing a human resources plan, under the direction of the City of Warren Civil Service Commission for the purpose of recruiting and staffing all full-time, part-time, seasonal and contractual services and for maintaining records on all staff once they are hired. The Director also acts as the Equal Employment Opportunity Officer for all City employees.
- Risk Management is an integral part of the Human Resources Department. The objective is to protect the City's assets along with our human resources in the most cost-effective manner possible. This is done through a process which includes exposure identification, risk evaluation, risk control and risk management administration.
- The Insurance Division manages the Employee Benefits which includes health insurance, dental insurance, disability insurance, life insurance, flexible spending programs and various other voluntary insurance programs along with maintaining records of eligibility for benefits and reconciling monthly invoices. In addition, the Insurance Division plays a key role in ensuring City compliance with certain state and federal regulations. They maintain all Michigan Occupational Safety and Health Act (MIOSHA) postings and process and manage any unemployment claims against the City.
- Labor Relations investigates and makes recommendations to the Mayor and City Council relative to employee union problems; acting as the agent for the City in matters of negotiations, collective bargaining, and agreements with the City employees along with grievance processing for the City's seven bargaining units, representing nearly one hundred percent of the City's full-time workforce.
- Payroll prepares payroll for some 900 full-time City employees along with numerous part-time and temporary employees.
- Human Resources also maintains compliance with Act 78 of 1935 under the direction of the City of Warren Police and Fire Civil Service Commission for the purpose of maintaining fairness for all police promotions and investigations.

Over the past several years, the size and scope of the Department's mission has increased significantly. The establishment of the Department of Human Resources will enable the City to continue to meet the demands placed on it through additional state and federal regulations in the most efficient manner. Human Resources will continue to ensure the City's compliance with various laws including the Americans with Disabilities Act, Family and Medical Leave Act, Affordable Care Act, and Department of Transportation's drug and alcohol testing programs. Human Resources will also continue to provide employees with training workshops on topics ranging from sexual harassment to cultural diversity and customer service, ensuring they are aware of and trained in issues affecting the work environment.

## HUMAN RESOURCES

### Fiscal 2026 Performance Objectives

1. To recruit and hire the most qualified applicants as an Equal Opportunity Employer.
2. To maintain the most comprehensive insurance coverage at the most competitive cost.
3. To monitor Health Care Reform and how it affects our employee/retiree costs and benefits.
4. To implement an efficient, cost saving attendance, timekeeping and payroll process.
5. To negotiate labor contracts that preserve and protect the public interest.
6. To comply with the Civil Service Rules and Regulations along with all Federal and State employment laws.
7. To preserve an acceptable level of public service in the face of shrinking financial resources.
8. To ensure compliance with requirements of federal health care reform.

## **DEPARTMENT OF PROPERTY MAINTENANCE INSPECTION**

The Department of Property Maintenance Inspection is charged with the enforcement of the Property Maintenance Code adopted by City Council on March 14, 2006. In addition, the Department enforces the City's weed control program, rodent control program, West Nile virus program, vacant/foreclosed registration program, and the rental licensing and inspection program. The Department is also the primary first contact for residents with any type of property related complaints.

During the fiscal year 2024, Department of Property Maintenance Inspection took approximately 13,000 complaints from residents and inspectors of the City of Warren. Departmental staff currently includes three full-time clerical positions, three full-time Code Enforcement Officers, six full-time Blight Buster/Special Public Service Workers, twenty temporary Code Enforcement Officers, four temporary Blight Buster Crew workers, (two of which are reimbursed by TIFA) and one temporary clerical position.

Our Code Enforcement Officers monitor over 3,000 City owned and privately owned vacant lots and buildings, and abandoned/foreclosed homes for blight, rubbish/debris, rodent harborage, unsanitary conditions, weeds and board-ups. In the spring and summer seasons they also enforce the City's Weed Control ordinance.

Our Code Enforcement Officers also respond to all complaints regarding rubbish/debris, inoperative/unlicensed vehicles, unkempt pools, garbage containers, and all other general property maintenance blight concerns. They also partake in a six-month Clean Sweep Program where each inspector walks down every street in every section of the City checking for any blight issues. The staff's time is divided between answering telephones, inputting complaints, and inspecting properties. Our inspectors are also the first to respond to issues regarding vacant homes and rodent control issues.

The Department has several major goals for improving services in the upcoming years. The Property Maintenance Inspection Department's overall goal is to strengthen the emphasis on property maintenance, neighborhood stabilization, and reinvestment in the City. The Department's personnel secures continued knowledge of all applicable ordinances, laws and procedures. All vacant and blighted properties will continue to be monitored to ensure a clean and safe City.

## PROPERTY MAINTENANCE INSPECTION

### Fiscal 2026 Performance Objectives

1. To promptly investigate citizen complaints for blight.
2. To continue to update the vacant, abandoned and foreclosed registration database.
3. To continue to make sure all staff members are up to date on current ordinances, laws and procedures.
4. To continue Warren's national "City Livability Award" winning anti-blight program "Operation: Clean Sweep".
5. To continue to monitor manufactured home communities for blight and property maintenance issues.
6. To continue our Winter Sweep program for occupied and vacant commercial properties.

## **COMMUNITY AND ECONOMIC DEVELOPMENT**

The Department of Community and Economic Development represents a true collaboration between City Departments. In 2011 these two Departments were combined to create the Community and Economic Development Department. Since the establishment of the Community and Economic Development Department, the City has recognized significant savings in the cost of expenditures in both the Community Development and Economic Development areas. All programs funded through the Community and Economic Development Department are reviewed by the Mayor and City Council periodically throughout the year.

The Economic Development Department continues to concentrate on the retention and expansion of businesses in the City by personal attention provided to each and every business when contact is made. The Economic Development Department also continues to maximize the ability to assist businesses diversify and expand by utilizing all incentive programs available through State Statute.

## **ADMINISTRATIVE UNALLOCATED EXPENSE**

This budget activity center is used for general City expenditures. Typically, the costs involved in providing these services are not attributable to a given operation or department. This situation exists when expenditure is incurred by the City in which benefit is realized by more than one activity. For example, rather than allocating the utility charges over all the departments in City Hall, it is much simpler and auditable to charge an activity specifically set up for this type of expenditure.

Other types of expenditures include audit services for the annual general year-end audit, general liability and vehicle insurance premiums, City memberships and dues, tuition reimbursement and so forth.

## **POLICE AND FIRE CIVIL SERVICE COMMISSION**

The Police and Fire Civil Service Commission is a board created by statute, Public Act 78 of 1935, and incorporated by reference into the City Charter as provided in section 7.18(b). This Board was established to oversee and provide a civil service system for the Police and Fire Departments based on examination and investigation as to merit, efficiency, and fitness for appointment, employment, and promotion. Since 1993 responsibility for hiring police and fire fighters was given to the Personnel Department via the respective collective bargaining agreements. With the creation of the Human Resources Department in the fiscal 2011 budget, compliance with the Act under the direction of the Commission became the responsibility of the Human Resources Department.

The Police and Fire Civil Service Commission performs the following functions:

1. Prescribes and amends rules and regulations for enforcing the provisions of the Act.
2. Conducts promotional examinations, and oversees recruitment and examinations of new hires.
3. Keeps minutes of the Commission's proceedings, records of all examinations, and roster and personnel files of all members of the Police Department, current and past.
4. Make investigations concerning all matters for enforcing the provisions of the Act.
5. Holds appeal hearings upon request of aggrieved applicants or employees and, in the course thereof, has the power to administer oaths and take testimony.
6. Has the authority to subpoena and require the attendance of witnesses for investigations authorized by the Act.

The Police and Fire Civil Service Commission consists of three part-time commissioners. The City Clerk is an ex-officio member of the Commission.

The City of Warren Police and Fire Civil Service Commission shall continue fulfilling its responsibilities according to the requirements of Act 78 to determine qualifications by competitive examinations. All appointments, reinstatements, promotions, and discharges in the Police and Fire Departments will continue to follow the manner and means as prescribed in Act 78 of the Michigan Public Acts of 1935 as amended, and as modified by union agreement.

### **Fiscal 2026 Performance Objectives**

1. To provide current eligible police personnel with appropriate exam processes.
2. To provide current eligible police personnel with necessary information to prepare for exams.
3. To calculate and compile exam scores and eligibility lists as quickly and accurately as possible.
4. To be available to hear any appeals of police and/or fire applicants and/or current personnel and, in doing so, meet the requirements of the Rules and Regulations of the Police & Fire Civil Service Commission and Act 78 of 1935.

## **ZONING BOARD OF APPEALS**

The Zoning Board of Appeals is a nine-member with up to two alternates, quasi-judicial body authorized by the Michigan Zoning Enabling Act, MCL 125.3101 et seq., and the Warren Zoning Ordinance to:

1. Hear and decide appeals and review any administrative order, requirement, decision, or determination made by an administrative official or body charged with enforcement of the zoning ordinance.
2. Hear and decide questions related to the interpretation of the zoning ordinance.
3. Hear and decide questions related to interpretation of the zoning maps.
4. Grant land use and non-use variances as authorized by the Michigan Zoning Enabling Act and zoning ordinance.
5. Hear and decide special exceptions as provided for in the zoning ordinance which require approval of the Zoning Board of Appeals such as outdoor retail sales, fairs, carnivals and open air exhibitions.

Applications for approval of the Zoning Board of Appeals should be made to the Building Division. A public hearing will be scheduled and notices issued in compliance with legal requirements. Decisions of the Zoning Board of Appeals will be made at the conclusion of the public hearing. Questions related to the Zoning Board of Appeals should be directed to the Office of the Board of Appeals located within the City Council Offices.

## **BEAUTIFICATION COMMISSION**

The Beautification Commission was established in 1966, pursuant to Chapter 9, Section 2-101, Code of Ordinance for the City of Warren. Members are appointed by the Mayor and serve without compensation. The Commission has been charged with the following duties:

1. To study, conceive, formulate, promulgate and develop plans for the beautification of streets, highways, alleys, parks, streams, playgrounds, yards, lots and buildings.
2. To study, investigate and develop plans for improving the health, sanitation, safety and cleanliness of the City.
3. To foster the prevention of fires, diseases and other public hazards.
4. To encourage and recommend the placing, planting and preservation of trees, flowers, plants, shrubbery and other objects of ornamentation in the City.
5. To collect, study and evaluate information on community improvements and to make recommendations.
6. To sponsor, plan, promote, coordinate and carry out campaign activities for the restoration, preservation and enhancement of the beauty of the City.
7. To otherwise promote public interest in the general improvements of the appearance of the City: provided, however, that nothing herein shall be construed to abridge, invade, supplant or change the powers and duties of the other commissions, departments, boards and agencies of the City.

## **EMPLOYEES RETIREMENT COMMISSION**

Established under General City Ordinance on January 1, 1958, the City of Warren Employees' Retirement System is the administrator of a single-employer public employees' retirement system that covers all remaining full time employees, except police and fire personnel hired prior to the close of the plan effective upon ratification of the final collective bargaining agreements in February 2000. As of December 31, 2023, there were 485 retirees and beneficiaries receiving benefits from the fund. In addition, eight members have deferred their retirement benefits. All of the 25 active members in the system have vested pension rights.

The City of Warren Employees' Retirement System is governed by a board of five trustees; the Mayor or an alternate, a Council Member, a citizen appointed by the Mayor, and two elected members of the retirement system. Elected trustees serve three-year terms. The trustees' actions are governed under ordinances and resolutions adopted by Council, the City Retirement Board's adopted rules of procedure, and State of Michigan Public Act 55. The System has contractual agreements with eight money managers to invest approximately \$150 million in assets.

The system is funded through investment earnings and contributions from the City. The City's funding policy provides for periodic employer contributions at actuarially determined amounts that are designed to accumulate sufficient assets to pay benefits when due. The contribution for the fiscal year beginning July 1, 2025 is \$6,336,548, which will change annually after an annual actuarial valuation is completed. The system is audited annually by an independent certified public accountant and is evaluated each year by an actuarial firm. As of December 31, 2023 the retirement system is now 75.6% funded, which means that the accrued liabilities exceeded actuarial accrued assets by 24.4%.

In addition, the General Employees' Retirement System administers the VEBA Trust, which provides health, life, disability and dental insurance for retirees and their families. This Trust was closed to new hires effective in April of 2007. Regular retirement benefits are payable at any age with 30 years of service, attainment of age 50 with 25 years of service or age 60 with 8 years of service. The obligation to contribute to and maintain the system for these employees was established by City ordinance and collective bargaining agreements. At December 31, 2023 plan assets are in excess of \$90 million. As of the most recent actuarial valuation dated December 31, 2023 there are 590 retirees and beneficiaries, 32 deferred members and 105 active vested members covered by the VEBA Trust.

### **Fiscal 2026 Performance Objectives**

1. To improve communication between Board of Trustees, Retirees, Employees and City Administration.
2. To promote awareness and use of Retirement System's Webpage for better communication and education of members.
3. To promote education for staff and trustees regarding pension law and changing legislation.
4. To improve the databases of healthcare eligibility for retirees.

## **POLICE AND FIRE RETIREMENT COMMISSION**

The Warren Police and Fire Retirement Commission was established with the authority to administer, manage, and operate the retirement system following the provisions established by Public Act 345 of 1937, as amended. The responsibility of the Police and Fire Retirement Board is to make certain that the assets of the retirement fund are invested in a safe and prudent manner, yielding the highest possible return on the investment of the funds.

The Board is also responsible for calculation of retiree benefits. Board meetings are held on the third Thursday of every month at 11:00 a.m. in the Baseline Conference Room, located on the fourth floor of city hall. These are public meetings with the notices posted near the Treasurer's Department in city hall by the end of the week prior to the meeting.

Total assets in the fund as of December 31, 2023, were \$289,162,357. The financial objective of the plan, which meets the State of Michigan requirements, is to establish and receive periodic employer contributions at actuarially determined amounts in order to accumulate sufficient assets to pay benefits when due. The contribution for the fiscal year beginning July 1, 2025 is \$17,541,158, which will change annually after an annual actuarial valuation is completed and a report is issued. As of December 31, 2023 the retirement system is now 63.09% funded, which means that accrued liabilities exceeded actuarial accrued assets by 36.91%.

There are currently 585 retirees or beneficiaries receiving benefits from the fund and 353 active members of the system who pay three and five percent of gross wages into the system. Retirement benefits vest after 10 years of service.

The members of the Police and Fire Retirement Board include the City Treasurer, a police department representative, a fire department representative and two mayoral appointed positions. The Commission uses the services of independent legal counsel (on a retainer basis) to handle the legal matters of the system. The system is audited annually by an independent certified public accounting firm.

In 2004, an ordinance was passed creating the Warren Police and Fire Health Benefits Plan. The board members are comprised of a police representative, fire representative, City Treasurer and two mayoral appointees. The primary objective is to receive contributions from the City and to fund for current employee's future health expenditures and pay current retirees health expenditures and Medicare reimbursements. Plan assets as of December 31, 2023 were \$76,937,344.

### **Fiscal 2026 Performance Objectives**

1. To encourage more enrollments in the direct deposit program.
2. To continue software training for staff.
3. To continue education of active members regarding plan benefits.
4. To encourage use of online capabilities relative to forms.

## **HISTORIC DISTRICT COMMISSION**

On December 17, 2024, the City Council created the Historic District which repealed in its entirety the formerly titled commission Village Historic District Commission created December 28, 1976. The Historic District is composed of seven members, appointed by the Mayor, for a three-year term.

The purpose of the Warren Historic District Commission is to enrich the present and future by preserving the past. It does this through efforts to beautify the neighborhood; to encourage historic preservation and property maintenance; educate citizens on Warren's unique cultural heritage; and apply rules and regulations to protect the district from alteration and development that might compromise its aesthetic integrity or diminish its unique historic value.

## **ANIMAL WELFARE COMMISSION**

The Animal Welfare Commission was established on October 22, 1998. The Commission shall consist of seven members to be appointed by the Mayor. The members shall serve for three-year terms and may be re-appointed for any number of terms. Council and the Mayor may appoint ex-officio members.

The purpose and function of the commission shall be to study the proper care, husbandry, welfare, maintenance, education and awareness of issues of all animals that reside within City limits.

The duties of the Animal Welfare Commission shall be as follows:

1. Review and recommend to the Mayor and Council programs and practices that will develop citizen cooperation in the maintenance, proper care and animal rights of all animals in the City.
2. Advise and provide studies and recommendations to the Mayor and Council on such issues as husbandry (housing, food, shelter, water, general maintenance), medical care, cruelty to animals, licensing, promotion of spay and neuter programs, enforcement of ordinances and promotion of legislative action regarding animal cruelty, investigations and recommendations regarding wildlife incidents, and recommendations of additional ordinances designed to protect animals within the City.

## **VETERANS ADVISORY AND MEMORIAL COMMISSION**

The purpose and function of the Veterans Advisory and Memorial Commission is to assist resident veterans and their families by creating awareness of the rights and needs of veterans among the veterans and within the community.

The Veterans Advisory and Memorial Commission shall:

- Establish working relationships with neighboring veteran agencies.
- Recognize and honor the contributions of resident veterans, deceased resident veterans and active service personnel.
- Offer and promote volunteer opportunities that benefit resident veterans and their families.
- Recognize and honor the community service of residents working to promote veterans' rights and interests.
- Work cooperatively with other commissions, committees and boards, and City departments to develop recommendations for policies and programs addressing veterans' interests.
- The Commission is intended to be comprised of five (5) members appointed by the Mayor and confirmed by Council. At least three (3) members must be veterans.

## **FIRE DEPARTMENT**

The primary purpose of the Fire Department is to protect the lives and property of the citizens and business owners of the City of Warren. The operation of the department is based on its authority and responsibilities granted within home rule charter and divided into seven categories.

**ADMINISTRATION:** Executes and directs the research, planning and development of all department assignments, rules, and procedures, etc. Responsible for the preparation and submission of bi-weekly, monthly and annual reports, as well as preparation and administration of the annual budget. Monitors the use of apparatus, equipment, supplies and all assets of the department and reviews contracts. Maintains all incident reports, correspondence, records, files, operating procedures, resource manuals, orders and directives. Provides supervision and direction to all divisions within the department.

**FIREFIGHTING DIVISION:** The primary role of the firefighting division is to protect lives and property of residents, business owners and visitors to our community from products of combustion generated by fires. Fire fighters are also trained to respond to a wide range of incidents beyond their firefighting duties, including responding to hazardous materials and technical rescue incidents, natural or man-made disasters, chemical, biological, radiological or nuclear incidents.

**EMERGENCY MEDICAL DIVISION:** The primary role of cross-trained fire fighters/paramedics, who are licensed by the State of Michigan, is to provide advanced and basic medical response, treatment and transport of the sick and injured. Patients are treated and transported to the most appropriate medical facilities inside and outside the City.

**FIRE PREVENTION DIVISION:** The primary role of this division is the prevention of fires through inspection of building occupancies of all types with an emphasis on public gathering facilities including theaters, restaurants and bars. Review of site plans focus in the areas of fire protection systems and egress pathways for new or renovated facilities. Public fire safety education is also a responsibility of this division.

**HAZARDOUS MATERIALS TEAM:** The primary role of this specialized team within the firefighting division is to respond to and mitigate hazardous materials incidents. All fire fighters receive training while team members receive advanced specialized training to the technician level of certification. Team members are also responsible for maintaining an extensive inventory of specialized equipment and supplies necessary to mitigate and contain an incident. Team members are also part of the Macomb County Hazardous Materials Team providing response capabilities for larger scale incidents.

**TECHNICAL RESCUE TEAM:** The primary role of this specialized team within the Firefighting Division is to respond to and mitigate incidents in the areas of rescue from confined spaces, rescue from building collapse, rescue from heights, rescue from water incidents, and rescue from machine entrapments. Team members are also part of the Macomb County Technical Rescue Team providing response capabilities for larger scale incidents.

**TACTICAL MEDIC TEAM:** The primary function of this specialized team within the Firefighting Division is to respond to and provide medical support, treatment and or transport to the police department's special response team.

## **FIRE DEPARTMENT**

### **Fiscal 2026 Performance Objectives**

1. To collaborate with at least one other community to streamline the delivery of fire and EMS services to both communities or a group of communities, creating cost and delivery efficiencies.
2. To break ground on the new fire station #1 and #5 in the Summer 2024.
3. To gain approval for development of a new fire administration building coupled with a new fire station complete with apparatus storage and training facility along Van Dyke between 13 and 13 Mile Roads.
4. To implement a replacement schedule for all apparatus, squad, utility and staff vehicles that equalizes the capital expenditures across multiple fiscal years.
5. To continue to implement technological solutions (hardware & software) that improve workplace efficiencies while also accomplishing the goal of transforming the department into a paperless environment.
6. To continue to modernize and transform the department to meet the challenges of the 21<sup>st</sup> century.

## **POLICE DEPARTMENT**

The primary purpose of the Police Department is to protect life and property. To accomplish this goal, police officers enforce the criminal laws of the State of Michigan and our City Ordinances.

Organizationally, the Police Department's operations are divided into four bureaus: Administrative, Patrol, Investigative and Professional Standards.

The Administrative Services Bureau is responsible for the operation of the Computer Services Division, Technical Systems Management, and Emergency Services Division. The Administrative Bureau develops and maintains the department's budget, distributes personnel as needed, plans, directs and implements the departments equipment needs, maintains the good order and condition of the departments building and infrastructure, and ensures the accomplishment of the departments overall goals and mission. The Bureau's Emergency Services Division is responsible for development and implementation of emergency operation plans that would account for any possible hazardous or emergency situations that could occur throughout the City.

The Patrol Services Bureau is responsible for the first response to the majority of calls for service. Included in the Patrol Bureau is the Uniformed Patrol Division, and The Patrol Support Division (Traffic). The Uniformed Patrol Division concentrates on crimes against persons and property, with the ultimate goal of arresting offenders and preventing crime. The Patrol Support Division (Traffic) is responsible for ensuring safe driving practices by the public on both major arteries and residential streets. To accomplish this, the division has a traffic enforcement unit, a traffic engineer, an abandoned officer unit, and an animal control unit. Patrol Services is also responsible for jail operations, neighborhood watch, The K9 Division, and interaction with prisoner processing through the 37<sup>th</sup> District Court. They also oversee the School Resource Officer Unit, which is the department's liaison to our community schools.

The Investigative Services Bureau is responsible for the investigation of all crimes after the initial contact by uniformed patrol officers. This includes prosecution of offenders through the entire court process. The two major divisions are the Criminal Investigations Division, which takes responsibility for all crimes perpetrated by persons over the age of 16, and the Family Investigations Division, which handles incidents of crime perpetrated by juveniles, child abuse, and criminal sexual conduct cases. Also included in this bureau is the Evidence/Property Unit, which is responsible for the storage and disposition of all property coming into the possession of the Police Department.

The Professional Standards Division is responsible for Accreditation, the Technical Services Division, the Dispatch Center, and the Training Division. Technical Services responds to all request for FOIA, fingerprinting, records request and paperwork for firearms. The Dispatch Center handles all incoming calls from citizens requesting police or fire department assistance. Professional Standards also maintains all department policies and procedures, and maintains department accreditation.

## POLICE DEPARTMENT

### Fiscal 2026 Performance Objectives

1. To continue to interrupt any drug networks/trafficking in and around the City of Warren and Macomb County using new technology, techniques, and interdictions alongside other jurisdictions.
2. To dedicate officers in a Supplemental Police Patrol Program to enhance police response times and create additional patrols during peak hours to serve the citizens efficiently and effectively.
3. To emphasis on working closely with citizens and businesses to enhance relationships, educate, and combat criminal elements affecting our City.
4. To research and implement new technological ways of policing which include the use of advanced technology, new computer databases, and expanding existing cyber capabilities.
5. To update the forensic lab to more modern equipment for the investigations of crimes against the citizens of Warren and preservation of evidence.

## **ANIMAL CONTROL**

The Animal Control Unit is responsible for the enforcement of local animal control ordinances, and picking up stray, lost, and unlicensed animals. Additionally, they investigate all incoming community animal complaints. The Unit consists of three (3) civilian Animal Control Officers (ACO) employees. On average, these Officers respond to 40 calls for service a day and return 30 to 40 telephone calls each day, and 5 to 10 emails each day.

The Animal Control Unit is a very important service to the City and is in high demand from its citizens. Animal Control Services include, but are not limited to; attending to injured animals, removal of deceased dead animals from the roadway and neighborhoods, investigation of animal bites, and responding to stray and vicious animals complaints. Animal Control Officers establish and maintain relationships with outside animal rescue groups to facilitate permanent placement for unclaimed animals. They also maintain a social media page for animals turned into the Warren Police Department for the purposes of locating and reuniting animals with their owner.

As a public service, Animal Control Officers assist citizens with advice on how to care for their animals along with suggestions of low cost programs available for veterinarian care.

## ANIMAL CONTROL

### Fiscal 2026 Performance Objectives

1. Provide investigative service and education to the community with regard to stray, lost, unlicensed or deceased animals.
2. To expand pet food programs by hosting more events.
3. Research and implement a computer program that effectively tracks the amount of animals and animal-related incidents dealt with each period.
4. Education and enforcement of ordinances pertaining to all animals in the City of Warren.
5. Direct citizens to transport sick or injured animals to the Macomb County Animal shelter whenever possible.
6. Develop more relationships with area Veterinary doctors and animal rescue organizations to help with the care and re-location of the ever-increasing animal population, to reduce the amount of animals held at the Warren Police Department.
7. Proactive oversight and management of resources by ACO Supervisor(s) in order to reduce animal intake, boarding costs, and veterinarian care costs.

## **CIVIL DEFENSE**

The Emergency Services Division is responsible for maintaining a disaster response and recovery program in the event of any man-made or natural disaster or catastrophic emergency. It serves as the liaison between the Federal Emergency Management Agency (FEMA), the Department of Homeland Security (DHS), the Michigan State Police Emergency Management and Homeland Security Division and the Macomb County Office of Emergency Management in the event that a catastrophic emergency or disaster occurs within the City of Warren.

To accomplish these goals, the Emergency Services Division:

- \* Coordinates the emergency management plans and operations for the City of Warren.
- \* Maintains disaster response and recovery programs in the event of any type of disaster.
- \* Coordinates the training of personnel in emergency planning, disaster response and recovery operations.
- \* Coordinates disaster response and recovery plans and procedures with other agencies, local organizations, businesses, school districts, and volunteer agencies such as the American Red Cross and Salvation Army.
- \* Conducts public information programs on storm safety and sustainability in the event of any type of disaster.
- \* Maintains the City of Warren's public warning system of sirens and radio and television alert systems in the event of any type of disaster.
- \* Maintains an up-to-date resource directory of City, County, State, Federal and private resources that can be utilized in the event of a City emergency or disaster.
- \* Conducts simulated disaster exercises, using the resources of the City as well as private entities to test emergency plans and procedures and evaluate the City's level of preparedness.
- \* Prepares annual reports, quarterly activity reports, quarterly personnel and administrative expense reports as well as other reports mandated by the Michigan State Police's Emergency and Homeland Security Division.
- \* Serves as the City of Warren's local agent in documenting and gathering the necessary data to be submitted for any disaster relief funds.
- \* Coordinates the response and the reporting of any hazardous and toxic material spills or accidents.
- \* Reviews the industrial plans for hazardous and toxic material spills or accidents.

## CIVIL DEFENSE

### Fiscal 2026 Performance Objectives

1. To continue working with active Citizens Emergency Response Team (CERT) members and provide them the materials needed to maintain their readiness for the City of Warren.
2. To maintain a current disaster response and recovery program in the event of a nuclear, technological, or natural disaster.
3. To maintain the warning system and sirens within the City of Warren.
4. To coordinate training and planning for an emergency or disaster and assist with the recovery process for the incident.
5. To participate in full-scale exercises with General Motors, the Tank Arsenal and Fitzgerald Public Schools regarding Active Shooters, Civil Disorder and Rescue Task Force.
6. To provide public schools, local churches and local businesses with security and building assessments upon request.

## **ENGINEERING DIVISION**

The Engineering Division is responsible for delivering a cost effective infrastructure system. The Division assesses the condition of the present road, sidewalk, storm sewer, and sanitary sewer and water main systems; establishes a priority for system upgrades; pursues avenues for construction funding, designs and specifies the proposed construction work; and oversees the contract work that provides an improved infrastructure system. In addition, the Engineering Division services all City divisions, departments and commissions as they seek to restore, maintain and upgrade the City facilities and properties under their jurisdiction.

The Engineering Division maintains and updates all records of City utilities, streets, addresses as well as overseeing the implementation of Geographic Info System (GIS) programs to various City departments. All such records are available to residents, prospective developers, builders, architects and engineers. All private development site plans, including subdivisions, condominium projects and commercial and industrial facilities are reviewed by the Engineering Division for impact to the surrounding area and compatibility to the local infrastructure system. The Engineering Division inspects all utility work within City right-of-ways and easements as well as large private developments.

To meet the demands of the City, its businesses, and residents, the Engineering Division is organized into four functional areas, which are:

- **Field Engineering:** provides electronic survey data of existing conditions; inspects City contracted infrastructure system improvements and privately contracted work within City right-of-way and easements; inspects the condition of all City streets and sidewalks; investigates citizen complaints.
- **GIS/Drafting/Mapping:** utilizes field-generated survey data to draft proposed infrastructure system improvements; updates City infrastructure maps and GIS maps and programs for proper viewing/distribution; records all municipal underground utility locations; and provides construction standards and City-owned utility information to the public.
- **Civil Engineering:** assesses existing conditions; prioritizes infrastructure system improvements; determines feasibility of design options; implements the optimal design option; manages the contract bid process; provides contract oversight and administration; performs reviews of all proposed private site work within the City and issues permits for that work.
- **Office Management:** maintains parcel, private development, and City contract records; manages personnel; monitors and posts necessary cost accounting information; effectively communicates proposed programs and projects to other City departments and the public; interacts regularly with citizens regarding infrastructure and roadway complaints and concerns.

### **Fiscal 2026 Performance Objectives**

1. Implementation of GIS based mapping programs for City Departments.
2. To maintain and provide updated public utility information to residents, business owners, developers and all City departments.
3. Implementation of the annual sidewalk repair program to repair defective sidewalk in the City.
4. Ensure proper inspection of private/public construction within the City.
5. To continue implementation of the local roadway repair program.
6. To facilitate repair of known and unknown illicit connections to the City's storm sewer and ultimately the waters of the State.
7. To provide restoration to sanitary/water repair locations within the City.

## **BUILDING INSPECTIONS DIVISION**

Fiscal year 2024 was a continuation of robust building activity with 9,136 permits issued indicating substantial reinvestment within the City. This continued level of activity reflects the vitality of our residential and business community. Construction valuation amounted to \$269,335,800. Licenses and Permit fees collected amounted to \$4,040,037 which includes \$13,788 in Animal Licenses and \$1,420,737 in cannabis industry receipts indicating that cannabis continues to be a strong viable industry in Warren.

The Building Division continues to review existing buildings to identify possible areas of building maintenance affecting a building's aesthetic value, life safety systems and fire safety. Maintenance of life safety systems and fire resistive construction is required to ensure a building's ability to perform during emergency conditions, while maintenance of a building's exterior plays a significant role in the image presented by the building to the surrounding neighborhood. ADA Compliance and inspection will help to promote a barrier free environment for disabled persons using the City and its commercial buildings.

The Building Division will aggressively pursue code enforcement of new ordinances, including the Michigan Medical Marihuana Act (MMMA), the Medical Marihuana Facilities Licensing Act (MMFLA), and the Michigan Regulation and Taxation of Marihuana Act, (aka Recreational Marihuana). We will also monitor vacant commercial/industrial properties. Enforcement is coordinated with Zoning, Rental, Assessing and Property Maintenance Inspectors along with Fire and Police.

The Certificate of Compliance program for new businesses or changes in the use of existing commercial buildings has proven to be very effective in getting code violations corrected and properties properly upgraded. The inspection program added 342 new or recertified businesses established in new and/or existing buildings for fiscal year 2024.

Building Division personnel are trained and licensed professionals monitored by the State of Michigan's Bureau of Construction Codes. The Building Director monitors the training and advanced education of all inspectors employed by the City, as required by the State. Technical improvements, along with team building, are a top priority. The Building Division has implemented its International Code Council (ICC) Certification Programing for all new and existing employees. The improvement will increase the Building Division's general knowledge base along with helping to increase our accreditation score that contributes to improving the City's overall score for lower insurance rates for its residents and businesses.

The Building Division met its highest priority goal in fiscal 2024 by transitioning to on-line permitting and on-line inspection requests. With the City's decision to move forward with a cloud based information services platform, a real time field inspection program utilizing surface pro 8 tablets to complete all inspections remotely in a paperless environment which will save approximately 4,800 man hours per year is estimate to be completed Spring of 2025.

The Division's overall goal is to strengthen the emphasis on property maintenance, neighborhood stabilization, protection of lives and property, and reinvestment in the City. These goals are strongly supported through proper and effective code enforcement by knowledgeable and competent public safety officials.

### **Fiscal 2026 Performance Objectives**

1. To promptly investigate citizen complaints for eyesores.
2. To improve permit application process, including paperless applications.
3. To promote a safe Marihuana Industry by code compliance and revised ordinances
4. To remove unsafe structures under the Nuisance Abatement program.
5. To monitor new construction and demolition projects.
6. To continue manufactured housing community inspections, including vigorous State and local ordinance enforcement.
7. To continue mandatory employee training and improvement of job performance.
8. To continue to create a model Building Department that will set the standard for Southeast Michigan.
9. To increase efficiency during inspections with the implementation of our tablets with the BSA cloud base system.
10. To encourage all inspectors to pursue & complete ICC & other certifications to enhance their skills, knowledge and career developments

## **D.P.W. FLEET MAINTENANCE**

The D.P.W. Fleet Maintenance Division is now responsible for the maintenance of all motorized equipment for all divisions in the City.

As of June 2008, D.P.W. has absorbed Sanitation and Water along with its mechanics to consolidate all City repairs inside the D.P.W. Garage. In 2010, maintenance of fire apparatus equipment was added. In December 2016 DPW moved the garage from 12801 to 12821 Stephens (in the back of the Water garage). We also added a central lube system for the mechanics, which will streamline repairs and maintenance in the future.

D.P.W. provides the maintenance for over 600 licensed vehicles, such as staff cars, marked and unmarked police units and motorcycles, a variety of trucks and special equipment, such as motor graders, excavators, fire trucks, bulldozers, street sweepers, front end loaders and sewer vacuum jets.

Fleet Maintenance checks and winterizes the entire fleet of vehicles/equipment each year prior to November 15<sup>th</sup>, and responding to road calls for service to repair vehicles in the field to minimize down time.

The garage also maintains some 60 small pieces of equipment such as riding and push mowers, weed whips, portable generators and gas-powered pumps, etc. In addition to motorized equipment, the operation maintains over 80 non-motorized units, including snowplows, salt spreaders, flail and rotary deck mowers and utility trailers.

Another responsibility of Fleet Maintenance is to maintain an up-to-date inventory of frequently used parts as well as maintain an up-to-date inventory system that insures sufficient quantities of proper parts, tools, and materials are stocked.

The employees that make up this section have been able to provide on-time preventive maintenance and an improved fleet, while doing the majority of repairs and maintenance in-house.

## D.P.W. FLEET MAINTENANCE

### Fiscal 2025 Performance Objectives

1. To provide and arrange new vehicle technical training for ever-increasing diagnosis changes.
2. To maintain a high level of maintenance at the best price possible through competitive bids.
3. To continue the fleet consolidation program.

## **BUILDING MAINTENANCE**

The Building and Grounds Maintenance Division oversees the maintenance section and janitorial section. It consists of two shifts, the maintenance section along with two custodians work the day shift and the custodian section works the afternoon shift.

The goal of the Building and Grounds Maintenance Division is to maintain and clean City buildings for the purpose of continuing the efficient operation of City government.

The Building and Grounds Maintenance Superintendent is available on a 24-hour, seven-day basis to handle all emergency situations.

The maintenance section is responsible for the overall operations of the City Hall building, Warren Police Headquarters, 37th District Court building and the parking structure. Maintenance is responsible for the preventative maintenance of over 50 heating, cooling and ventilating units that require quarterly filter changing, lubricating, belt changing and constant monitoring. This includes maintenance and repair of the boilers.

Maintenance is responsible for minor electrical problems, changing light bulbs, minor plumbing problems, minor foundation and roof leaks, lawn irrigation systems, moving furniture, remodeling, painting and assisting with shipping and receiving. Maintenance is also responsible for snow removal, lawn cutting, minor tree trimming and lawn upkeep for the City Hall building, Warren Police Headquarters, the 37<sup>th</sup> District Court building, the parking structure and the four branch libraries. They also maintain the north east corner lot of Chicago and Van Dyke called the "W" and fourteen newly added butterfly gardens throughout the City.

The Building and Grounds Maintenance Division oversees the City's outside contractors for heating and cooling, electrical work and roof repairs. This includes the Stilwell and Coach Manor complexes, Water Garage, and the D.P.W. buildings.

The Janitorial Section is responsible for cleaning the City Hall building, Warren Police Headquarters building and the 37th District Court as well as the Mayor's office and Police substation at Civic Center South. This section is responsible for cleaning all offices, public areas and restrooms, including the cell blocks at the Warren Police Headquarters building.

While City Hall, the Warren Police Headquarters, the 37<sup>th</sup> District Court, parking structure and libraries are the main concern of the Building and Grounds Maintenance Division, this division will also assist in both inside and outside maintenance at other City owned buildings.

## **STREET LIGHTING**

The City of Warren currently has approximately 11,700 streetlights throughout our residential neighborhoods and main business thoroughfares, all conforming to the Illuminating Engineering Society of North America (I.E.S.) standards.

This lighting level provides excellent convenience and safety benefits for Warren residents and the public including:

- Aid to police protection.
- Reduction in night accidents and attendant economic losses.
- Facilitation of flow of traffic.
- Promotion of business and industry during night hours.

## **PLANNING**

The Department of Planning provides professional advice and guidance to the Planning Commission, Mayor, City Administration, City Council and the general public on all City planning matters. The Department prepares plans and studies, and provides information and guidance toward the orderly growth and redevelopment of our City.

City Planners apply sound planning practice and principals and use their professional foresight and skills to coordinate the location, extent and timing of public and private improvements. This professional planning helps prevent the numerous problems that result from unplanned growth and development and the failure to preserve and redevelop existing infrastructure.

The basic tools of the Planning Director are the Zoning Regulations (Ordinance No. 30, as amended), the Master Plan (2021), Subdivision Regulations, other related City Codes and Ordinances, and State of Michigan Enabling Laws, as well as resources such as APA, MAP, SEMCOG, the United States Census, and other similar statistical, marketing and economic development resources.

The Planning Director and staff serve as technical advisors to the Planning Commission regarding all business and communication involving zoning, land use, site development, and planning related matters. They provide professional recommendations to aid the Planning Commission in its decisions.

The public, including residents, developers and business owners, regularly call upon the Department of Planning for advice about zoning, land use, site planning, land divisions, housing assistance, and community development concerns. All requests for site plan approval, the rezoning of property, subdivision of land, lot splits and/or combinations, and petitions for vacating a public way, utility easement, or subdivision plat (or part of) are first referred to the Department of Planning. Available reference documents for public use include, but are not limited to, the Zoning Ordinance, Zoning Maps, City Maps, and many other maps and studies.

The Department of Planning also works with other City departments, boards, and commissions, as well as with many community, private sector, state and federal agencies on City planning, housing, community/economic development projects and related issues. For example, the Department provides staff support for the City of Warren Downtown Development Authority (DDA), the Tax Increment Finance Authority (TIFA), and the Community Development Block Grant (CDBG) Technical Committee. The Department also provides technical expertise and staff assistance to the City's Economic Development Director and, occasionally, works with the 8 Mile Boulevard Association. The Department has assisted in the preparation of the Parks and Recreation Master Plan, which will guide its programming and land adjustments for the next few years.

## PLANNING

### Fiscal 2026 Performance Objectives

1. To continue working on the Zoning Ordinance, zoning maps, and zoning atlas updates.
2. To continue working towards approval of the Van Dyke Corridor Plan, and the development and implementation of recommendations for the corridor.
3. To continue working in coordination with Economic Development and MEDC until the City obtains RRC Certification.
4. To continue working on the Greenspace Conservation Plan and the Active Mobility Plan (fka: Non-Motorized Transportation Plan).
5. To continue improving site plan review and recommendation processes and update applications.
6. To continue working with City Departments to develop and utilize ArcGIS or related software for planning purposes.
7. To provide planning information and assistance to the Mayor's Office and other departments and boards (e.g. ZBA, by providing Zoning Impact Statements).
8. To assist DDA and TIFA with planning and implementing their tax increment finance and development plans, and CDBG in their economic development efforts in South Warren.
9. To work on implementation of the Village Historic District Plan and the Historic Preservation Ordinance.

# *Special Revenue Funds*

Special Revenue Funds are self-balancing funds which are used to record events and to exhibit results for a specific area of responsibility. The proceeds of specific revenue sources (excluding special assessments and expendable trusts) that are legally restricted to expenditures for specific purposes are accounted for in Special Revenue Funds.

The Special Revenue Funds of the City are:

- Michigan Transportation Operating Funds Major and Local Roads
- Library Special Revenue Fund
- Recreation Special Revenue Fund
- Communications Special Revenue Fund
- Sanitation Special Revenue Fund
- Rental Ordinance Fund
- Vice Crime Confiscation Fund
- Drug Forfeiture Fund
- Act 302 Police Training Fund
- Downtown Development Authority Fund
- 2011 Local Street Road Repair & Replacement Fund
- Indigent Defense Fund
- Tax Increment Finance Authority
- Opioid Settlement Special Revenue Fund

## **STREET MAINTENANCE DIVISION**

The Street Maintenance Division is responsible for the maintenance of the City's roadways and related utilities. Street Maintenance provides a safe and clean road surface for vehicular traffic, adequate visual direction and a safe, maintained and unobstructed roadside environment. In part, these include 335 miles of local roads, 65 miles of major roads, 17,500 catch basins and manholes, 14 bridges, and numerous other common roadside appurtenances such as guardrails and culverts.

Programs executed by this division annually include a catch basin cleaning program which purges and cleans catch basins that allows the rapid disposal of storm water runoff and drainage. Drainage ditches are cleaned and the culverts are maintained to insure adequate capacity for storm runoff. Street sweeping of paved road surfaces occurs at least four times per year on all major and local roads. In order to maintain safe roads, this activity engages in road patching, alley and shoulder grading and maintenance. Other important programs of the street maintenance division are mowing and weed control, traffic and street sign installation and maintenance, snow and ice removal, and pavement repair and maintenance.

The division uses hot seal patching to repair potholes throughout the City. This system uses forced air to clean pothole surfaces and then fills the void with heated tar and stone aggregate driven through a single pneumatic tube. The tar coated product is applied at such force that it compacts uniformly in the hole. This technology requires fewer maintenance workers, less follow up operations, and reduces waste.

The employees who make up this division's road crews are also called upon to install and remove snow fencing for drift containment, set up crowd control devices at official functions, parades, festivals and disaster sites, and support Police and Fire emergencies as requested.

This division is committed to its residents and endeavors to provide superior service uniformly throughout the community in a timely fashion.

### **Fiscal 2026 Performance Objectives**

1. To maintain accurate records of street maintenance work and minimize the number of citizen complaints.
2. To continue an aggressive street sweeping program.
3. To continue an aggressive catch basin cleaning and inspection program.
4. To continue an aggressive road patching program.

## **Major Streets:**

The Major Streets Fund is a Special Revenue Fund because it is used to control the expenditure of motor fuel taxes. The motor fuel taxes are earmarked, by law and State Constitution, for street and highway purposes, which are described in detail by the Michigan Department of Transportation.

This fund is used to receive all Major Street Funds paid to Warren by the State, as well as to account for the construction, maintenance, and other authorized operations pertaining to all streets classified as major streets within the City of Warren.

This fund has been established to make it possible to show that all legal provisions of Act 51 of the Public Acts of 1951, as amended, have been complied with and to determine, fairly and with full disclosure, the financial position and results of operations as set forth in the Michigan Department of Transportation's instructions for preparing the annual street financial report.

The City's share of the construction of State and County road improvements and the cost of City major road capital improvements, including the payment of debt, are paid through the Major Road Fund.

## **Local Streets:**

The Local Streets Fund is a Special Revenue Fund because it is used to control the expenditure of motor fuel taxes. The motor fuel taxes are earmarked, by law and State Constitution, for street and highway purposes, which are described in detail by the Michigan Department of Transportation.

This fund is used to receive all Local Street Funds paid to Warren by the State, as well as to account for the construction, maintenance, and other authorized operations pertaining to all streets classified as local streets within the City of Warren.

This fund has been established to make it possible to show that all legal provisions of Act 51 of the Public Acts of 1951, as amended, have been complied with and to determine, fairly and with full disclosure, the financial position and results of operations as set forth in the Michigan Department of Transportation's instructions for preparing the annual street financial report.

## **LIBRARY**

The Library Special Revenue Fund accounts for the receipt of specific property taxes, State Aid, user fees and special grants that are used to provide library materials and services at the Warren Public Library. Fines for overdue materials and penal fines collected on state code violations also provide some revenue to operate the library.

In August 2010, the residents of Warren overwhelmingly approved a millage increase of .85 for the next 20 years. This revenue will allow each of the four branches to remain open, maintain adequate staffing levels, and provide substantial funding to increase collections and to upgrade each branch to a state of the art facility.

The Warren Public Library is a member of the Suburban Library Cooperative and participates in the Michigan eLibrary (MeL). Participation in the collaborative provides Warren residents interlibrary loan privileges from library collections throughout the state. The Warren Public Library is also a member of the MLibraryCard program which gives Warren residents the ability to borrow material from over 70 participating Michigan libraries while traveling throughout the state.

2024 featured several highlights for the Warren Public Library. The “Adventure Begins at Your Library” Summer Reading Club program had 1,144 participants. The library featured a local, city of Warren author Aeryne Christie who promoted her first science fiction novel, *Shadecursed: The Bestiary Book One*. Author/Illustrator Matt Faulkner discussed his graphic novels and shared the process by which a book is created. Michigan storyteller Lori Springnether Keel, in honor of Women’s History Month, told the “Hello Girl” story of Oleda Joure Christidies, a switchboard operator in the U.S. Army Signal Corps’ famed “Telephone Girls” brigade in WWI who fought for 60 years to win Veteran status. Other programming included mythological heroes, accepting a plant-based lifestyle, Medicare, pain relief with dry needling, chair yoga, and Seasonal Affective Disorder. The library eResource collection usage increased by 25%; Overdrive circulation increased by 18%; Hoopla circulation increased by 27%.

In 2024, the Miller Branch Library underwent a renovation, added 2 new study rooms, an outdoor electronic messaging sign, and newly painted interior, installed an HVAC unit, and added a motorized scooter for patron in-house use. Senior residents, of Warren enjoyed a free bus trip to the Detroit Institute of Arts to hear the music of G-7 performing Motown classics from the 1960’s, 1970’s and took a self-guided tour through the museum. The library received the Will Eisner Graphic Novel Innovation Grant which funded the development of a graphic novel program for underserved middle school students, fostering literacy and creative expression. The project “My First Library Bag” an early literacy grant was funded by the Suburban Library Cooperative and MISD. The canvas bag for babies from birth through age two included a board book, sensory ball, bib and a list of library resources. The canvas bags for ages 3 to 5 included a picture book, egg shaker, a growth chart. A total of four hundred bags were distributed to Warren residents.

A brief review of 2024 indicates that the Warren Public Library has 70,280 registered borrowers. The library circulated 646,517 items.

## LIBRARY

### Fiscal 2026 Performance Objectives

1. To provide the best selection of current books, periodicals, talking books, electronic books, music CD's, DVD's, and digital access to a variety of materials.
2. To provide residents with the best reference service that the Library can offer through hard copy, on-line databases, eBooks, and the Internet.
3. To provide quality educational, informational and recreational programs for children and adults to enhance quality of life.

## **RECREATION**

The Recreation Special Revenue Fund accounts for specific property taxes, grants and user fees that are used to operate the Warren Community Center, activities, parks, playgrounds and other facilities. The revenues received in this fund can only be used for recreation purposes.

The City of Warren is gifted with 30 City parks. While the land acreage may not meet the needs of the community, the locations of the 30 parks play a vital role in the community, especially since numerous schools have closed in the past 25 years. The total parkland is 370 acres and the department will continue to focus on opportunities to increase parkland whenever feasible. We want to continue to replace and update equipment in our parks including play structures, restrooms, pavilions and athletic facilities. All newly renovated restrooms and pavilions are ADA compliant. ADA compliant play structures are scheduled to be installed at Veteran's Memorial Park and Licht Park in 2025. We are in the process of creating destination parks for residents. Currently, Veteran's Memorial Park is defined as a destination park with its nine hole disc golf course. In 2025, Eckstein Park will be the home of the largest skate park in Michigan with a 40,000 square foot skate park and a 15,000 square foot BMX track. Wiegand Park will also be defined as a destination park with a new splash pad ready for use in 2025.

The Parks and Recreation Department is very fortunate to have the support of the citizens of Warren. The approval of one mill dedicated to the operation and improvement of the Parks and Recreation Department has proven to be a major accomplishment for the City of Warren. The intention of the department is to make continuing improvements in programs, staffing, facilities and parks wherever necessary. The stability of dependable funding will provide flexibility and latitude to make appropriate changes. The department offers year-round recreation programs, including baseball, ice skating, softball, basketball, volleyball, swimming, arts and crafts, music, theater, dancing, and special events. All of the special events held in the past year have been a huge success with residents. The department also has indoor facilities at Fitzgerald Senior Recreation Center, Owen Jax Recreation Center, Stilwell Manor, City Square and the Warren Community Center. Fitzgerald Recreation Center is open Tuesdays and Thursdays for senior programs, activities, and various events throughout the year. Owen Jax Recreation Center is open five days a week and offers activities and various events throughout the year.

The Warren Community Center houses the Parks & Recreation Department, the Miller Branch Library and the Warren Communications Department. The recreation area offers a Family Leisure Pool which has a 150-foot slide, a play structure with a 500 gallon dumping bucket, zero entry, and a lazy river. The Activity Pool offers lap swimming, exercise classes, water aerobics, and open swim. There is a 5,000 square foot fitness center, three gymnasiums, and a senior citizen wing. The center has been very successful and widely used with over 4,700 memberships at this time. We had almost 260,000 visitors to the community center in the past year. Many improvements have been made to the Warren Community Center to improve our services. The fitness center was completely renovated with new equipment in 2023. The Warren Community Center former Café was completely renovated to be the one of the new TRX fitness family. TRX is a form of suspension training that uses bodyweight exercises to develop strength, balance, flexibility and core stability simultaneously. In the aquatics area, play structure replacements and water park improvements are anticipated.

We operate most of our programs and activities with use of part time staff supervised by full time employees. Part time staff hours vary throughout the year as programs start and stop as the year goes on. We have more staff hired during the summer months to upkeep our parks and in the winter months to run operations at the Ice Rink.

Public transportation demands continue to grow with the older population in Warren. The Parks and Recreation Department has established and provides transportation for numerous older citizens. Funding is primarily secured through the Michigan Department of Transportation, Smart Grants and the Parks and Recreation Special Revenue Fund.

## RECREATION

### Fiscal 2026 Performance Objectives

1. To increase participation at all Special Events and attain corporate co-sponsorship of all Special Events.
2. To increase senior citizen and handicap transportation service to our community.
3. To continue to develop all City parks and enhance the physical appearance of the parks to increase family usage.
4. To continue to develop teen programs and family activities at all facilities.
5. To continue to promote membership growth and total usage of the Warren Community Center.

## **COMMUNICATIONS**

The Communications Special Revenue Fund was established to account for fees received under provisions of the cable television franchise agreements. The Warren Communications Department operates from franchise fees received from Comcast, Wide Open West and AT&T. Historically, Comcast has generated the largest and most significant revenue through its subscribers.

This Special Revenue Fund ensures that a thorough cable television based infrastructure is maintained throughout the franchise's life in order to serve the City of Warren's public and government. The revenues received in this fund can only be used for communication purposes.

The department currently operates with a director, five full-time and twelve part-time team members. Our part-time staff includes our Web Specialist, and eleven staff members that do not work set schedules but are given hours as needed to complete specific assignments.

The Communications Department produces two channels of access cable television programming, available on Comcast (channels 5 and 12), WOW (channels 10 and 18), and AT&T (channel 99). Additional responsibilities and support encompass, but are not limited to, the following:

- Manage all press releases and press inquiries for the City
- Daily updates and maintenance to the City's cityofwarren.org external website
- Manage City's Social Media platforms
  - Includes City of Warren, Warren Parks & Recreation, Warren Community Center, TV Warren, MI Warren, and City of Warren Fire Department
  - Assist City of Warren Police Department when needed
- Provide graphic design for City flyers, pamphlets, logos, posters, etc.
- Create & design City Calendar
- Create training videos for Warren Fire Department, Warren Police Department and Warren Planning Commission
- Create informational videos for City departments, including but not limited to Water, Waste Water, Police, Parks & Recreation, DPW, and Sanitation
- Manage Warren CAN - City Alert System
- Oversee & manage Warren Community Center Auditorium, including renting of the facility and audio/visual support for all programs in the auditorium
- Produce programming for and maintain TV Warren's Government and Community Cable Stations as well as online on-demand programming through Vimeo
- Provide livestream for City Council Meetings and ADA request.
- Daily updates, maintenance, and blog posts for MIWarren.org - soon to be rebranded to "We Are Warren"
- Oversee and manage Cable TV Emergency Alert System
- Create all Cable bulletin board notices
- Provide photography at City events

We continually replace antiquated equipment and are currently making necessary upgrades to our auditorium. These upgrades will enhance our audio and video quality operation for our meetings, improve our workflow and help Warren residents stay informed.

## COMMUNICATIONS

### Fiscal 2026 Performance Objectives

1. To increase residents' access to more meetings through video streaming.
2. To enhance our branding/promotions tier of the Communications Department.
3. To bring back our stellar internship program.
4. To continue to support City departments/stakeholders with their communication needs.

## **SANITATION DIVISION**

The Sanitation Special Revenue Fund accounts for specific property taxes that are used to operate the Sanitation Division.

The Sanitation Division is responsible for picking up refuse, recyclables, compost, metal, appliances and concrete at the curb in a prompt, reliable, and efficient manner from approximately 56,000 homes per week, which equates to over seven million individual pick up stops annually. In addition, the division provides a curbside recycle program for 10 schools, 16 churches and 26 miscellaneous buildings including all City libraries, fire stations, senior centers and many other City buildings. We average over 200 move ins, move outs, and evictions over the last ten years.

In conjunction with other departments, we participate in all blight sweep clean ups and other special projects including landlord/renters move outs and tenant evictions ordered from the 37<sup>th</sup> District Court. We have one Hazardous Waste Drop Off Day per year that generated over 25,000 pounds of hazardous waste last year.

The Sanitation Division is also responsible for operating and maintaining the recycling center, which provides additional recycling options to the community. The recycling center now recycles all electronics including computers, Styrofoam, cell phones, cardboard, non-ferrous metals, metal, concrete, newspaper, plastic, motor oil, antifreeze, car batteries and household batteries.

The Division is also responsible for the general maintenance of the building, offices, and grounds of the Sanitation complex. Our regular inspections of the transfer station to insure it is kept in good repair and operating condition have expanded in scope to include overseeing major renovations and coordinating downtimes to insure no breaks in service to residents.

## **SANITATION DIVISION**

### **Fiscal 2026 Performance Objectives**

1. To continue to provide the best sanitation service in the County and quickly respond to requests of residents.
2. Promote waste reduction by increasing awareness of the recycling and compost programs.
3. To correlate a Fine System for habitual violations of ordinances.
4. To increase the number of schools and churches involved in the recycling program.
5. To increase participation in hazardous waste drop off by adding a day in the spring.
6. To increase the revenues from when Sanitation provides a roll-off container for landlords and court ordered evictions (for a fee) as tenants move in/out of rental properties.
7. To continue replenishing our aging fleet of one-man trucks for refuse, compost and recycling.
8. To increase the use of smart waste technology, thus making the Sanitation Division more efficient and cost effective.
9. To repair and utilize the transfer station in the best possible manner for the benefit of the City and its residents.
10. To explore local business partnerships for innovative recycling and waste reduction programs

## **RENTAL ORDINANCE FUND**

The Rental Division is charged with the enforcement of the City's rental ordinances which were created to provide regulations and enforcements to protect the health, welfare and safety of occupants and owners of rental properties. In particular, the Rental Division administers the licensing and inspection of both residential, multi-family and apartment income producing properties on a biennial basis.

The Rental Division is currently monitoring over 8,200 licensed properties. In Fiscal 2024, the Rental Division performed over 7,700 inspections, re-inspections and investigations.

The Rental Program is funded by fees collected for license applications and inspections, which generated \$1,102,310 in revenue for Fiscal 2024. The rental Program for 2025 is projected to be over \$1,000,000.

The largest expense in the Rental Division is Personnel Services. The Rental Division staff currently includes a Senior Office Coordinator, three Rental Code Inspectors, one Administrative Clerk, and one Office Assistant. The program is additionally supported by two part-time rental inspectors and one temporary clerical employee.

In 2006, City Council amended the Rental Ordinance to include the licensing and inspection of multi-family (apartment) rentals in the City. An apartment licensing program was implemented in fiscal year 2010. The apartment-licensing program generated \$129,285 in Fiscal 2024 and is projected to generate \$35,000 for Fiscal 2025.

## RENTAL

### Fiscal 2026 Performance Objectives

1. To register and inspect all rental properties/condominiums/air bnb's/apartment complexes and bring them into compliance with City codes.
2. Continue to work with Property Maintenance / Building Inspectors during sweeps to locate unregistered rental properties.
3. To continue to cross-train our staff/personnel to interact with other departments enabling them to better assist residents and investors.
4. To update the division's website to make it more user friendly for the landlords to obtain vital information such as accessing registration forms, inspection information and the division's policies and procedures.
5. To continue to take an aggressive approach toward marihuana grow houses and work with code enforcement and the Building Department to ensure the rental dwelling(s) are in compliance with the Medical Marihuana Ordinance.
6. To ensure all Group Homes registered with the City have current licenses with the State of Michigan.
7. To work with Animal Control to ensure all dogs in rental properties are licensed with the City of Warren.

## **ACT 302 POLICE TRAINING FUND**

This fund represents special training funds received from the State of Michigan, which must be used exclusively for the training of sworn police personnel. To qualify for these funds, the City must allocate a certain level of funding for police training, which is budgeted in the City's General Fund. These training funds are established according to Public Act 302 of the Public Acts of 1965, as amended (MCL28.613).

## **DOWNTOWN DEVELOPMENT AUTHORITY OPERATIONS FUND**

The State of Michigan passed the Downtown Development Authority Act (PA 197 of 1975) to give municipalities a tool for improving the quality of downtown areas.

The Downtown Development Board consists of the Mayor plus eight members appointed by the Mayor, subject to approval by City Council. The DDA Director is hired by the DDA Board and serves as their day-to-day liaison for all downtown activities.

## **INDIGENT DEFENSE FUND**

In October 2011, Governor Snyder issued Executive Order 2011-12, establishing the initial Indigent Defense Advisory Commission, which was responsible for recommending improvements to indigent defense. As a result of these recommendations, several laws were passed in July of 2013 with the intent on improving indigent defense. The City of Warren's 37<sup>th</sup> District Court established its Indigent Defense Fund in fiscal 2019.

The new legislation created a 15-member Indigent Defense Commission known as the Michigan Indigent Defense Commission (MIDC).

The MIDC is charged with developing and overseeing the implementation, enforcement, and modification of minimum standards, rules, and procedures to ensure that indigent criminal defense services provide effective assistance of counsel.

Each year, the Managed Assigned Council Coordinator (MACC) is required to submit a compliance plan/budget to the MIDC in order to receive grant funds to help fund the costs of indigent defense. The City of Warren is required by law to support the costs of indigent defense by paying its local share. The grant is conditioned upon funds being available through the State of Michigan.

## **TAX INCREMENT FINANCE AUTHORITY CONSTRUCTION FUND**

The City of Warren established the Warren TIFA in 1986 under the State of Michigan Tax Increment Finance Authority (TIFA) Act of 1980, superseded by the Recodified Tax Increment Financing Act 57 of 2018. The TIF plan was originally adopted in 1986 and revised in 1991. TIFA generally covers the portion of Warren along Van Dyke Avenue, from Eight Mile Road north to Stephens Road. A nine-member Board of Directors administers TIFA.

The function of the authority is to prevent urban deterioration and encourage economic development and activity and to encourage neighborhood revitalization and historic preservation; to provide for the establishment of Tax Increment Finance authorities and to prescribe their powers and duties; to authorize the acquisition and disposal of interests in real and personal property; to provide for the creation and implementation of development plans; to provide for the creation of a board to govern an authority and to prescribe its powers and duties; to permit the issuance of bonds and other evidences of indebtedness by an authority; and to permit the use of tax increment financing.

In 2005, pursuant to a change in State law, the City amended its Downtown Development Authority plan to include the TIFA area. It was not intended for the DDA to supplant the TIFA but rather to make available the more substantial funding sources of the DDA to supplement TIFA funding.

Based on a 2010 opinion from the City Attorney, the City has continued to operate the TIFA in furtherance of the goals established in the revised TIF plan. The revenues and expenditures of the TIFA fund have been part of the City's audited Annual Comprehensive Financial Report since the fund's inception.

## **OPIOID SETTLEMENT SPECIAL REVENUE FUND**

The Opioid Settlement Fund was established to account for the receipt and use of funds received as the result of settlements with pharmacies and pharmaceutical drug companies for their roles in fueling the opioid crisis. The City is currently estimated to receive approximately eight million dollars over a 18 year period commencing in Fiscal Year 2023. To date, the Opioid Settlement Special Revenue Fund has received \$2,244,436 in settlements and earned 117,943 in interest revenue for a total of \$2,230,939 available to spend on opioid remediation.

Opioid settlement funds must be spent on opioid remediation. That is, the care, treatment, and other programs and expenditures designed to:

- Address the issue of misuse and abuse of opioid products
- Treat or mitigate opioid use and related disorders
- Mitigate other alleged effects of, including on those injured as a result of the opioid epidemic

The Opioid Settlement Fund is classed as a Special Revenue Fund as use or proceeds is restricted to the purposes for which it was received under guidelines provided by state law. Unlike some other states, Michigan currently has no timeline established under which funds must be used.

## *Enterprise Funds*

Enterprise Funds account for operations that are financed and operated in a manner similar to private business enterprises, where the intent of the City is that the costs (expenses, including depreciation) of providing goods or services to the general public on a continuing basis be financed or recovered primarily through user charges.

The Enterprise Funds of the City are:

- Senior Housing
- Water and Sewer System

## **STILWELL MANOR**

Harold Stilwell Manor, Warren's Senior Citizen Housing Project on Burg Road was built to accommodate Warren-area seniors. Stilwell Manor consists of 24 efficiency (435 square feet) apartments, 90 one-bedroom (480 square feet) apartments, and six two-bedroom (740 square feet) apartments that became operational in October 1975.

The cost of the Stilwell Manor construction was 100% financed through the Federal Revenue Sharing Program and has no debt outstanding. The rental rate structure is based entirely upon self-supporting user charges which includes maintenance of an adequate replacement reserve.

Stilwell Manor is intended for City of Warren residents, 60 and older. Stilwell Manor is designated for seniors that are considered very-low income, 30-80% of Macomb County Median Income. Specifically, seniors with an annual income between \$11,112 and \$29,632 single occupancy and \$22,163 and \$59,101 double occupancy. All utilities are included in the rental rate, and apartments are furnished with appliances. Stilwell Manor has secured key-fob building access, and 24-hour maintenance and snow removal.

The goal of the Warren Senior Housing staff is to be of assistance to residents when needed, and instill an atmosphere of comfort, security and well-being. The residents are kept up to date on current information that applies to senior citizens, assisted with repair work, and social and educational events are arranged throughout the year. The Warren Senior Housing staff also coordinates food assistance support for residents that includes, meal delivery, in-person dining, and grocery delivery services.

Stilwell Manor provides equal housing opportunity.

## **COACH MANOR**

Joseph Coach Manor, Warren's second Senior Citizen Housing Project was built in order to accommodate 216 one-bedroom (570 square feet) and 28 two-bedroom (800 square feet) units of Senior Housing that became available during Fiscal 1992. Joseph Coach Manor consists of three apartment buildings adjacent to the Stilwell Manor, on Burg Road.

Joseph Coach Manor is intended to serve City of Warren, Macomb County, and local-area residents, 60 and older. Joseph Coach Manor is designated for seniors that are considered low income, 50-100% of Macomb County Median Income. Specifically, seniors with an annual income between \$18,520 - \$37,040 single occupancy and \$36,938 - \$73,876 double occupancy. In addition to rent, all tenants pay for their own gas and electric service. Joseph Coach apartments are furnished with all appliances, including an in-unit washer and dryer with patio and balcony access. Joseph Coach buildings are secured with key-fob entry access and 24-hour assistance.

The goal of the Warren Senior Housing staff is to be of assistance to residents when needed, and instill an atmosphere of comfort, security and well-being. The residents are kept up to date on current information that applies to senior citizens, assisted with repair work, and social and educational events are arranged throughout the year. The Warren Senior Housing staff also coordinates food assistance support for residents that includes meal delivery, in-person dining, and grocery delivery services.

Joseph Coach Manor provides equal housing opportunity.

## **WATER & SEWER SYSTEM**

The Water & Sewer System's functions include the financing, acquisition, operation and maintenance of an adequate water supply and a waste water treatment facility for the benefit of the citizens and business community in the City of Warren.

Water Maintenance services include the maintenance and repair of the water mains throughout the City, water service installation, service repairs, responses to requests from the Miss Dig system, gate valve maintenance, hydrant repair and maintenance. Sewer Maintenance services include televising, cleaning, jetting and vactoring of the main sewers.

Shared Services consists of accounting, engineering and customer service personnel which provides support to the Water & Sewer Maintenance and Waste Water Treatment Plant. The accounting function is responsible for verifying that all financial activities for the Water & Sewer System are accurately entered in the System's financial records. Engineering personnel draft, inspect and implement infrastructure projects throughout the City that are related to the Water & Sewer System. Customer Service handles all questions regarding water bills, landlord and tenant arrangements, and bankruptcies as it relates to customer accounts, water taps, meter installations, repairing or replacing stop boxes, plugged main sewers and the availability of water and sewer service.

The Waste Water Treatment Plant staff's responsibilities include plant operations, plant maintenance, laboratory operations, the Industrial Pretreatment Monitoring and Enforcement, employee safety, grounds maintenance and administrative support.

The 2026 Water & Sewer System Budget is presented with an increase in the consumption-based water rate for City of Warren Water Utility customers from \$4.504 per 100 cubic feet {approximately 750 gallons} to \$4.837 per 100 cubic feet. The consumption-based waste water treatment rate for the City of Warren Water Utility customers will change from \$3.967 per 100 cubic feet {approximately 750 gallons} to \$4.198. The consumption-based rate for sanitary sewer improvements will change from \$0.961 per 100 cubic feet {approximately 750 gallons} to \$0.959.

The fixed rate meter service charge will remain the same at \$0.84 per month for accounts with a 5/8" service meter. The fixed rate sewer service charge will remain the same at \$2.03 per month for accounts with a 5/8" service meter.

## **WATER AND SEWER SYSTEM**

### **Fiscal 2026 Performance Objectives**

1. To continue to maintain and replace water and sewer line.
2. To continue to meet the stringent discharge limitations at the treatment plant imposed by the State and Federal authorities.
3. To establish storm water management plan meeting government standards.
4. To minimize power usage while maximizing treatment efficiency.
5. To convert permits and reports to our new mandated asset management program and new work order system.
6. To maintain delinquent receivables at three million dollars or less.
7. To implement a new work order system, paperless billing, bill presentment and customer meter-read access.
8. To maintain water loss at 10% or less.

# *Debt Service Funds*

Debt Service Funds are used to account for the accumulation of resources and payments of general long-term debt principal and interest. Debt Service Funds are not involved with the long-term debt of proprietary funds, which are responsible for redeeming their own obligations. Debt Service Funds are required when legally mandated and/or if revenues are being accumulated for general obligation long term debt principal and interest payments maturing in future years.

The following are Debt Funds of the City:

- Chapter 20 and 21 Drain Debt
- Michigan Transportation Debt Funds
- Capital Improvement Debt Funds – Major Road Improvements
- Capital Improvement Debt Fund – General Obligation Capital Improvements and Equipment
- Downtown Development Authority Debt Funds

## **CHAPTER 20 AND 21 DRAIN DEBT FUND**

Under State law, the County has the authority and control to obtain the necessary bonding, bidding, debt service, apportionment, etc., for intra-county and inter-county drain projects that are vital to the public health.

The City's Chapter 20 and 21 drain funds reflect Warren's drain debt requirements and maintenance costs as indicated by Macomb County Drain Commissioners. The full faith and credit of the County has been pledged under provisions of Chapter 20 and 21 Drain and Public Works Act 342.

## MICHIGAN TRANSPORTATION DEBT FUNDS

Michigan Transportation Bonds are issued pursuant to the provisions of Act 175, Public Acts of Michigan 1952 as amended, for the purpose of defraying part of the cost of constructing major and local street improvements in the City of Warren. These bonds are issued in anticipation of state shared Michigan Transportation Fund payments from the State of Michigan to be received by the City. The bonds pledge the full faith and credit of the City of Warren as additional security for payment of the principal and interest.

The following schedules reflect existing debts only and do not include any proposed bond issues.

## **CAPITAL IMPROVEMENT DEBT FUNDS**

Capital Improvement Bonds are issued pursuant to the provisions of Act 34, Public Acts of Michigan 2001 as amended, for the purpose of defraying part of the cost of capital improvements in the City of Warren. These bonds are issued in anticipation of state shared Michigan Transportation Fund payments from the State of Michigan to be received by the City. The bonds pledge the full faith and credit of the City of Warren as additional security for payment of the principal and interest.

The following schedule reflects existing debt only that relates to Major Road improvements and does not include any proposed bond issues.

## **CAPITAL IMPROVEMENT: GENERAL OBLIGATION DEBT FUND**

Capital Improvement Bonds are issued pursuant to the provisions of Act 34, Public Acts of Michigan 2001 as amended, for the purpose of defraying part of the cost of capital improvements in the City of Warren.

These bonds are being issued in anticipation of tax revenue generated by the General Fund. The bonds pledge the full faith and credit of the City of Warren as additional security for payment of the principal and interest.

The following schedule reflects existing debt only that relates to General Fund capital improvement and equipment purchases and does not include any proposed bond issues.

## **DOWNTOWN DEVELOPMENT AUTHORITY DEBT FUNDS**

Downtown Development Authority Bonds are issued pursuant to the provisions of Act 197, Public Acts of Michigan 1975 as amended, for the purpose of funding the cost of capital improvements in the City of Warrens Downtown Development District. These bonds are issued in anticipation of tax revenues generated within the DDA District. The bonds pledge the full faith and credit of the City of Warren as additional security for payment of the principal and interest.

The following schedule reflects existing debt only that relates to Downtown Development Authority improvements and does not include any proposed bond issues.

The State Equalized Value (SEV) is the Actual Value multiplied by the Equalization Factor, currently equal to fifty percent.

The amounts reported are provided annually by the City Assessor's Office and do not reflect any tax exempt properties. Assessments are valued as of December 31 of each year. The respective taxes were levied on July 1 of the following year for the fiscal year indicated. During the fiscal year, the SEV and taxable values may be amended through judgements of the State Tax Commission (STC), Michigan Tax Tribunal (MTT) or Board of Review (BOR).

On March 15, 1994, Michigan voters passed Proposal A which places a limit on the value used to compute property taxes. Effective with the July 1, 1995 levy, property taxes are calculated using a Taxable Value. The Taxable Value is the lower of the State Equalized Value or the Capped Value. The State Equalized Value is the Assessed Value (representing fifty percent of the true cash value) multiplied by the Equalization Factor (currently equal to 1.000). The Capped Value is calculated by using the prior year's Taxable Value minus losses times the lower of 1.05 or the prior year's Consumers Price Index for the twelve months ended September 30 plus any additions.

Section 8.11 of the Warren City Charter limits the net bonded indebtedness incurred for all public purposes to ten percent of the assessed value of all real and personal property in the city. Net bonded indebtedness applicable to the legal debt margin is defined as general obligation bonds, the principal and interest of which are payable from taxes levied upon taxable real and personal property in the city and for payment of which the full faith and credit of the city are pledged, when authorized by a three-fifths vote of the electors voting thereon at any general or special election.

# **GLOSSARY OF TERMS**

## **A**

**ACCRUAL BASIS** - Accrual basis accounting recognizes transactions when they occur, regardless of the timing of related cash flows. The application of accrual accounting techniques prevents distortions in financial statement representations due to shifts in timing of cash flows and related underlying economic events near the end of a fiscal period.

**ACTIVITY** - An office, department, or program to which specific expenses are to be allocated.

**APPROPRIATION** - An authorization granted by a legislative body to incur obligations and to expend public funds for a stated purpose.

**APPROVED BUDGET** - The revenue and expenditure plan for the City for the fiscal year as reviewed and given final approval by the City Council.

## **B**

**BALANCED BUDGET** - A budget in which estimated revenues are equal to or greater than estimated expenditures.

**BUDGET ADJUSTMENT** - An adjustment made to the budget during the fiscal year by the City Council to properly account for unanticipated changes which occur in revenues and/or expenditures and for program initiatives approved during the fiscal year.

**BUDGETARY CENTER** – A grouping of offices' or activities' budgets that are combined to create a cost center in which actual expenditures cannot exceed budgeted appropriations.

## **C**

**CAPITAL OUTLAY** - A disbursement of money that results in the acquisition of or addition to fixed assets. The item must have a purchase price greater than \$10,000 to be a capital item.

**CONTINGENCY** - An estimated amount of funds needed for deficiency, contingent or emergency purposes.

## **D**

**DEBT SERVICE** - The planned accumulation of revenues and appropriations of expenditures for the retirement of long term debt principal and interest.

**DEFICIT** - An excess of liabilities and reserves of a fund over its assets.

## **E**

**EMPLOYEE BENEFITS** - An expenditure object within an activity that includes all employee fringe benefits.

## **GLOSSARY OF TERMS**

**ENTERPRISE FUND** - A fund established to account for operations that are financed and operated in a manner similar to a private business. The intent of the governing body is that the costs of providing goods or services to the general public on a continuing basis be financed or recovered primarily through user charges.

**EXPENDITURE** - The cost of goods delivered and services rendered, whether paid or unpaid, including expenses, debt retirement not reported as liability of the fund from which retired, or capital outlay.

### **F**

**FISCAL YEAR** - A twelve-month period designated as the operating year for an entity. The fiscal year for the City of Warren is July 1-June 30.

**FUND** - An independent fiscal entity with a self-balancing set of accounts recording its revenues and expenditures.

**FUND ACCOUNTING** - The accounts of the City are organized on the basis of funds and account groups in order to report on its financial position and results of its operations. Fund accounting is designed to demonstrate legal compliance and to aid financial management by segregating transactions related to certain government functions or activities.

**FUND BALANCE** - An excess of revenues over expenditures segregated by fund.

### **G**

**GENERAL FUND** - The fund used to account for those general operating activities of the City which are funded through unrestricted revenues. General government, public safety and public services are financed through this fund. Revenues are received from general property taxes, state shared revenues, licenses and permits, fine and forfeitures, user charges, investment income and other sources.

### **L**

**LINE ITEM BUDGET** - A budget which emphasizes allocations of resources to given organizational units for particular objects of expenditure, such as salaries, supplies, services, and equipment. Line item budgets may be organized to provide accountability at varying levels, such as on department, division or agency levels.

### **M**

**MILL** - A taxation unit equal to one dollar of tax obligation for every \$1,000 of taxable valuation of property.

**MILLAGE** - The total tax obligation per \$1,000 of taxable valuation of property.

**MODIFIED ACCRUAL** - This basis of accounting recognizes revenues in the accounting period in which they are both measurable and available to finance expenditures. Expenditures are generally recognized in the account period in which they are both measurable and incurred.

# **GLOSSARY OF TERMS**

## **O**

**ORGANIZATION CHART** - A chart representing the authority, responsibility, and relationships among departmental entities within the City organization.

**OTHER SERVICES AND CHARGES** - An expenditure object within an activity that includes professional services, utilities, rents, and training for example.

## **P**

**PERFORMANCE INDICATOR** - A measurement of how a program is accomplishing its mission through the delivery of products or service.

**PERFORMANCE OBJECTIVES** - Desired output oriented accomplishments which can be measured within a given time period.

**PERSONAL SERVICES** - An expenditure object within an activity that includes payroll expenditures.

## **R**

**RECOMMENDED BUDGET** - The City's revenue and expenditure plan for the fiscal year as prepared and recommended by the Mayor for City Council consideration.

**REVENUE** - An addition to the assets of a fund, which does not increase a liability, does not represent the recovery of an expenditure, does not represent the cancellation of a liability without a corresponding increase in any other liability or a decrease in assets, and does not represent a contribution of fund capital in enterprise or in intra-governmental service funds.

## **S**

**SPECIAL REVENUE FUND** - A fund to account for the proceeds of specific revenue sources (other than special assessment, expendable trust, or the major capital projects) that are legally restricted to expenditures for specified purposes.

**STATE EQUALIZED VALUATION (SEV)** - The assessed valuation of property in the City as determined by the local Assessor and then reviewed and adjusted, if necessary, by the County and the State, to assure that it equals 50% of market value, as required by State law.

**SUPPLIES** - An expenditure object within an activity that includes all supplies that have a useful life of less than one year and/or a purchase price of less than \$1,000.

**SURPLUS** - An excess of the assets of a fund over its liabilities and reserves.

## **T**

**TAX BASE** - The total value of taxable property in the City.

RE: REQUEST FOR STANDARD REZONING: located on the south side of Twelve Mile Road; approximately 120 ft. west of Van Dyke Avenue; from the present zoning classifications of "C-1", Local Business District, "R-1-C", One-Family Residential District, and "R-1-P", One-Family Residential and Parking District to "R-3", Multiple-Family Dwelling District; 7602 Twelve Mile Road (13-16-226-019, -020, -022, -026, -044, -045, -046, -047, -061, -063); Section 16; Peter Snyder (Assaad Sobh); PR210004.

Dear Mr. Sobh:

At its public hearing of February 24, 2025, the Planning Commission adopted a resolution pertaining to the above-captioned matter. The resolution, as adopted, is a recommendation to the City Council that the formal request to rezone property, specifically identified pursuant to a legal description in said resolution, from "C-1", Local Business District, "R-1-C", One-Family Residential District, and "R-1-P", One-Family Residential and Parking District to "R-3", Multiple-Family Dwelling District be APPROVED by City Council, and more specifically:

The location is an adequate location for a multiple-family housing development. The proposed rezoning satisfies the following concepts:

- a) Rezoning the property would allow a higher residential density infill development in an area that has seen a reduction of housing units.
- b) Rezoning the property would eliminate the prospect of the property being proposed for a rezoning for higher use (office/commercial/industrial). The properties along Twelve Mile Rd. are currently zoned "C-1", Local Business District, the rezoning to "R-3", Multiple-Family Dwelling District would provide a residential transition zone from the single-family dwellings to the south (Stanley Ave.) and the commercial to the north (Twelve Mile Rd.) and east (Van Dyke Ave.).

- c) The use provides additional "missing middle" residential uses as described in the 2021 Warren Master Plan.

The Future Land Use Map (FLUM) in the 2021 Master Plan indicates the property as a "Traditional Residential" area, however, due to the number of parcels involved in the project, the future land use category that better fits this area would be "Redevelopment". The Master Plan describes a Redevelopment Site (page 114) as follows: Several large or consolidated parcels through the City are in transition, and this category provides the maximum flexibility in their redevelopment.

- d) Additionally, if the rezoning is approved, Planning Staff would request to meet with the applicant prior to submitting the site plan application. After reviewing the concept plan, the Planning Staff would like to discuss the project details with the applicant, and request some modifications to reduce the number of potential variances.

The Planning Staff requests the petitioner to remove the access driveway to Stanley Ave. and provide a direct access driveway to Twelve Mile Rd. in addition to the access alley driveway to Twelve Mile Rd.

**Prior to the rezoning request being forwarded to City Council, ten (10) additional copies of the concept plan shall be submitted to the Planning Department.**

When the Planning Commission approves the minutes from the February 24, 2025 Planning Commission meeting, and upon receipt of ten (10) additional copies of the concept plan, the formal resolution and supporting documentation will be forwarded to the City Council in connection with this matter.

The petitioner should be apprised of the fact that formal site plan approval before the Planning Commission is required prior to obtaining a building permit, should the City Council grant the rezoning request.

Please do not hesitate to contact our office, should you have any questions.

Sincerely,

Mahmuda Mouri  
Commission Secretary

### **FINDINGS**

1. The petitioner is requesting that property located on the south side of Twelve Mile Rd.; approximately 120 ft. west of Van Dyke Ave., with the present zoning classifications of "C-1", Local Business District, "R-1-C", One-Family Residential District, and "R-1-P", One-Family Residential and Parking District be rezoned to "R-3", Multiple-Family Dwelling District.
- NOTE 1: The project is listed under the address 7602 Twelve Mile Rd., however several parcels are involved in the rezoning application: 13-16-226-019, -020, -022, -026, -044, -045, -046, -047, -061, and -063.
- NOTE 2: This project was tabled by the petitioner on June 21, 2021, September 27, 2021, and on November 22, 2021 by the Planning Commission. The petitioner provided updated concept plans to continue this rezoning request.
- NOTE 3: The FLUM (Future Land Use Map) for this site, per the 2021 Master Plan, indicated this area as "Traditional Residential", however, due to the number of parcels involved in the project, the future land use category that better fits this area would be "Redevelopment". The Master Plan describes a Redevelopment Site (page 114) as follows: Several large or consolidated parcels through the City are in transition, and this category provides the maximum flexibility in their redevelopment. They are good candidates for planned unit development, offering the rare commodity of space in a fully-development community. Each of these sites should be designated as a Redevelopment Ready Site within the RRC framework, and where a specific community vision is warranted, it should be developed through public and stakeholder engagement.
- NOTE 4: Planning staff believes this site fits the Redevelopment FLUM category, as this site has experienced loss of housing. In review of Macomb County aerial photographs, these now vacant lots once contained dwellings.

- 6.a) **REQUEST FOR STANDARD REZONING:** located on the south side of Twelve Mile Rd.; approximately 120 ft. west of Van Dyke Ave.; from the present zoning classifications of "C-1", Local Business District, "R-1-C", One-Family Residential District, and "R-1-P", One-Family Residential and Parking District to "R-3", Multiple-Family Dwelling District

### 3. CURRENT STATUS OF APPLICATION:

- a) The Planning Commission, pursuant to Article XXIV, Changes and Amendments, Section 24.01, Division 1. Procedure for standard rezoning or Section 24.10, Division 2. Procedure for rezoning with conditions of the Zoning Ordinance, must provide a report and recommendation to City Council for any rezoning requests that alter or change zoning district boundaries.
- b) The present hearing will be the initial formal review of this application by the Planning Commission.
- c) On February 4, 2025, notice was given in the Warren Weekly for the February 24, 2025 public hearing before the Planning Commission.
- d) On April 28, 2022, a letter was sent to Lee Zumbrunnen, Deputy City Assessor, with information including the three (3) parent parcels; 13-16-226-062, 13-16-226-050, and 13-16-226-051 and the description of the two (2) resultant parcels. The two new parcels created after the split and combine are parcel numbers; 13-16-226-063 (West 26 ft. of Lot 63 and Lot 64 along with half vacated alley) and 13-16-226-064 (East 14 ft. of Lot 63 and Lots 61 and 62 along with half vacated alley).
- e) On March 22, 2022, the City Council by formal motion APPROVED the resolution for the subdivision lot split and combination (split the east 14 ft. of Lot 63 and combine it with Lots 61 and 62 along with half vacated alley).
- f) On December 6, 2021, the Planning Commission voted to APPROVE the subdivision lot split and combination (split the east 14 ft. of Lot 63 and combine it with Lots 61 and 62 along with half vacated alley).
- g) On November 22, 2021, the Planning Commission TABLED the request indefinitely. The letter to petitioner states that they may move forward with the rezoning process once the subdivision lot split and combination for 7591 and 7607 Stanley Ave. is approved by City Council.

6.a) REQUEST FOR STANDARD REZONING: located on the south side of Twelve Mile Rd.; approximately 120 ft. west of Van Dyke Ave.; from the present zoning classifications of "C-1", Local Business District, "R-1-C", One-Family Residential District, and "R-1-P", One-Family Residential and Parking District to "R-3", Multiple-Family Dwelling District

- h) On November 8, 2021, the Planning Commission APPROVED plans for the minor amendment for the site plan for parking lot expansion. The split and combination application is one of the conditions of site plan approval.
- i) On September 27, 2021, the Planning Commission TABLED the request for rezoning to November 22, 2021. The Planning Commission TABLED the request in order to allow the petitioner to address the many issues with the plan.
- j) On June 21, 2021, the Planning Commission TABLED the request for rezoning to September 27, 2021. The reason for the request was to allow the applicant time to correct several issues with the conceptual plan, including a change to the parking lot that was approved on October 23, 2017.
- k) On October 23, 2017, the Planning Commission APPROVED the site plan for the parking lot expansion.

NOTE: The Planning Commission extended the above-mentioned project on March 22, 2021 to December 19, 2022.

- l) On October 3, 2013, the Building Division issued a Demolition Permit No. PD13-048 for an existing dwelling (7591 Stanley Ave.).
- m) On September 9, 1987, the Zoning Board of Appeals GRANTED the petitioner permission for a land use variance to allow Lots 63 through 72 of John S. Konczal's Orchard Park Subdivision to be used for all purposes under the "R-1-P" classification of the Zoning Ordinance with the stipulation there is a 25 ft. setback on Stanley Ave. with a six foot landscaped berm with trees and there is to be six foot high decorative, masonry wall on the west next to the residential. The Board also stipulated that there is to be no ingress or egress on Stanley Ave. whatsoever.
- n) On June 12, 1985, the Zoning Board of Appeals GRANTED the petitioner permission to:
  - 1) Erect a 46 ft. x 19 ft. addition to within 10 ft. of the rear property line and to the corner side lot line.
  - 2) Waive nine (9), required, off-street parking spaces.

6.a) REQUEST FOR STANDARD REZONING: located on the south side of Twelve Mile Rd.; approximately 120 ft. west of Van Dyke Ave.; from the present zoning classifications of "C-1", Local Business District, "R-1-C", One-Family Residential District, and "R-1-P", One-Family Residential and Parking District to "R-3", Multiple-Family Dwelling District

- o) On July 16, 1979 and May 8, 1985, the Planning Commission APPROVED plans for 19 ft. x 46 ft. building addition containing 874 sq. ft. to the existing commercial building.
- p) On July 11, 1979, the Zoning Board of Appeals GRANTED the petitioner permission to:
  - 1) Construct a 34 ft. 4 in. x 40 ft. addition to within 5 ft. 8 in. of the front property line along Van Dyke Ave. and to the side street property line.
  - 2) Hard surface to the side street property line for parking purposes.
  - 3) Waive 12 required off-street parking spaces.
- q) On January 27, 1970, the City Council by formal motion VACATED the east/west 20 ft. wide alley abutting Lots 1 through 50 and Lots 61 through 85 of John S. Konczal's Orchard Park Subdivision.
- r) On December 1, 1964, the City Council by formal motion DENIED THE VACATION of the east/west 20 ft. wide alley abutting Lots 1 through 50 and Lots 61 through 85 of John S. Konczal's Orchard Park Subdivision.
- s) On March 18, 1925, the Macomb County Register of Deeds recorded the plat of John S. Konczal's Orchard Park Subdivision in Liber 8 of Plats, Page 89.

**4. GENERAL DESCRIPTION OF THE SURROUNDING PROPERTIES IS AS FOLLOWS:**

- a) The property to the north, across Twelve Mile Rd., is zoned "M-3" and contains the General Motors Technical Center.
- b) The properties to the east, across a north/south 20 ft. wide public alley, are zoned "C-1" and "R-1-P" contain a parking lot and two (2) retail/restaurant uses in buildings also owned by the applicant.
- c) The properties to the south, across Stanley Ave., are zoned "R-1-C" and "R-1-P" and contain single-family dwellings and a parking lot (City of Warren public parking lot).
- d) The property to the west is zoned "R-1-C" and contains vacant property and single-family dwelling.

6.a) REQUEST FOR STANDARD REZONING: located on the south side of Twelve Mile Rd.; approximately 120 ft. west of Van Dyke Ave.; from the present zoning classifications of "C-1", Local Business District, "R-1-C", One-Family Residential District, and "R-1-P", One-Family Residential and Parking District to "R-3", Multiple-Family Dwelling District

**5. THE CONCEPT PLAN SUBMITTED BY THE PETITIONER INDICATES THAT:**

- a) Three (3) multiple-family dwelling buildings would be provided on the property requested to be rezoned.
- 1) Building #1 would be constructed on Lots 63 through 68 and would measure (approximately) 120 ft. x 30 ft. and contain 3,600 sq. ft. It would be constructed 35 ft. from the Stanley Ave. property line. Building #1 would contain eight (8) units.
  - 2) Building #2 would be constructed on Lots 32 through 37 and would measure (approximately) 77 ft. x 30 ft. and contain 2,310 sq. ft. It would be constructed 35 ft. from the Twelve Mile Rd. property line. Building #2 would contain four (4) units.
  - 3) Building #3 would be constructed on Lots 41 through 50 and would measure (approximately) 111 ft. x 30 ft. and contain 3,330 sq. ft. It would be constructed 35 ft. from the Twelve Mile Rd. property line. Building #3 would contain six (6) units.

NOTE 1: Per Section 10.02, the maximum height of the building in "R-3" is 2½ stories or 35 ft. Based on the concept plan, if the rezoning is approved, the minimum setback of 25 ft. shown on the concept plan meets the Zoning Ordinance for one- or two-story multiple-family buildings.

NOTE 2: Per Section 10.05, side yards - residential use requires 15 ft. which is increased by ½ foot for each ten (10) feet by which the length of the multiple dwelling exceeds fifty (50) ft. in overall dimension. The eight (8) unit building measures approximately 120 ft., and is located 90.37 ft. from the "R-1-C" zoned property to the west. Building #2 is indicated with a 15 ft. side yard setback from the "C-1" property to the west. The building is indicated as approximately 77 ft. (76.67 ft.) in length. The building would need to be setback 16 ft. from the west property line.

NOTE 3: Per Section 10.07, side yard abutting a street requires a side yard setback not less than twenty-five (25) ft. Building #3 is indicated on the concept plan setback 15 ft. from the 20 ft. wide north/south public alley to the east. The building would need to be setback 25 ft. from the east property line.

6.a) **REQUEST FOR STANDARD REZONING:** located on the south side of Twelve Mile Rd.; approximately 120 ft. west of Van Dyke Ave.; from the present zoning classifications of "C-1", Local Business District, "R-1-C", One-Family Residential District, and "R-1-P", One-Family Residential and Parking District to "R-3", Multiple-Family Dwelling District  
7602 Twelve Mile Rd. (13-16-226-019, -020, -022, -026, -044, -045, -046, -047, -061, -063)

The plan indicates the density as 4, 6, or 8 units per building, and 18 as the total number of units. Based on Planning Staff calculation of "R-3", Multiple-Family Dwelling District, Section 10.03 Lot Area, the total number of units permitted on the site would be 13. This is only a concept plan. If the rezoning is approved, the site plan application, with site plans, floor plans, and elevations plans will be required. Sections 10.04, 10.05, 10.06, 10.07, and 10.08 regulate the setbacks along the front yard, side yards, and rear yards. For front yards, 25 ft. plus 10 ft. for each additional story could require a greater front setback. For side yards of a residential use within a multiple-family project, it must be 15 ft. plus an additional ½ ft. for each 10 ft. or part thereof of which the length of the building exceeds 50 ft.

Per Section 10.08, the rear yard shall have a depth not less than 35 ft. for 1 story, and not less than 50 ft. for two (2) or more story buildings.

No community buildings or useable recreation area is indicated on the concept plan.

**NOTE 1:** Based on the concept plan, variances for the number of units proposed (18 and calculated for 13) based on lot area, and for the side and rear setbacks would be required from the Zoning Board of Appeals.

**NOTE 2:** The property to be rezoned is over 1 acre. Upon approval of the rezoning, site plan approval will be required. When the acreage of disturbance is over 1 acre, the project will need to comply with the City's Stormwater Ordinance. As part of the site plan application, a stormwater narrative shall also be provided that will be reviewed by the Engineering Division.

**NOTE 3:** There are ten (10) parcels involved in the rezoning; upon approval of the rezoning, a lot combination would be part of the conditions.

b) No open storage area is indicated, nor would it be permitted.

c) Parking spaces for 31 passenger vehicles would be provided on the site; including three (3) accessible parking spaces. The minimum amount of parking spaces required for this development per the concept plan provided would be 36 (2 parking spaces per unit per Section 4.32 (2) of the Zoning Ordinance). The concept plan also indicates three (3) accessible parking spaces, one per building.

6.a) **REQUEST FOR STANDARD REZONING:** located on the south side of Twelve Mile Rd.; approximately 120 ft. west of Van Dyke Ave.; from the present zoning classifications of "C-1", Local Business District, "R-1-C", One-Family Residential District, and "R-1-P", One-Family Residential and Parking District to "R-3", Multiple-Family Dwelling District  
7602 Twelve Mile Rd. (13-16-226-019, -020, -022, -026, -044, -045, -046, -047, -061, -063)

- d) A new driveway would be provided to Stanley Ave. and to the existing 20 ft. wide north/south public alley. The existing five (5) driveway approaches to Twelve Mile Rd. would be asked to be removed and replaced with street curbing and landscaping during the site plan process, as it appears they do not plan to utilize them to access parking or the new buildings.

NOTE 1: At the time of site plan approval, the plans shall include the following, per Section 10.11 of the Zoning Ordinance:

**Section 10.11 Approval.**

In case of planned residential developments involving the construction of one (1) or more two-family dwellings or multiple-family buildings or combination of multiple and two (2) or one (1) family dwellings on a lot, parcel, or tract of land, or on a combination of lots under one ownership, a detailed site plan shall be submitted to the Planning Commission for review and approval. Such site plan shall indicate:

- (a) The location of main and accessory buildings on the site and the relation of one to another.
- (b) Traffic and pedestrian circulation features within and without the site.
- (c) The location of off-street parking areas.
- (d) The identification of all service lanes and areas within the development.
- (e) The location of open spaces on the site.
- (f) The location of any landscape, fences or walls proposed in and around the site.
- (g) The height and bulk of buildings.

(Ord. No. 30-256, § 2, 7-25-67)

NOTE 2: The Planning Staff requests the petitioner to remove the access driveway to Stanley Ave. and provide a direct access driveway to Twelve Mile Rd. in addition to the access alley driveway to Twelve Mile Rd.

6.a) REQUEST FOR STANDARD REZONING: located on the south side of Twelve Mile Rd.; approximately 120 ft. west of Van Dyke Ave.; from the present zoning classifications of "C-1", Local Business District, "R-1-C", One-Family Residential District, and "R-1-P", One-Family Residential and Parking District to "R-3", Multiple-Family Dwelling District

- e) No landscape plan was provided, however, the concept plan does indicate some existing grass areas. The Zoning Ordinance, per Section 10.10, requires an eight (8) ft. wide greenbelt whenever an off-street parking facilities area is located adjacent to an existing single- or two-family residence or district.

NOTE: Section 10.14 of the Zoning Ordinance requires two-tenths (.2) of useable recreation space for each square foot of total dwelling floor area. The plan shall indicate the location and amount of proposed recreation area. Per the approximate total floor area of the proposed buildings (9,240 sq. ft.), 1,848 sq. ft. of usable recreation space would be required.

- f) No greenbelts or walls are indicated.

NOTE: Per Section 10.10, off-street parking facilities, whenever there are parking facilities located adjacent to an existing single- or two-family residence or single-family residential district or adjacent to an alley which abuts an existing single- or two-family residence or residential district, an eight (8) ft. greenbelt or decorative wall shall be erected and maintained in compliance with Section 2.26 of the Zoning Ordinance. The parking lot proposed on Lots 67 - 68 is adjacent to an "R-1-C" zoned single-family dwelling (Lot 69) and an eight (8) ft. wide greenbelt or 6 ft. high wall would be required. This will be a requirement as part of the site plan process.

- g) No fences or walls are indicated at this time on the concept plan.
- h) No trash enclosure locations are indicated on the plan. If the rezoning is approved, a trash enclosure and/or trash collection location would be part of the site plan approval review.
- i) While some improvements may remain, the majority of the site will be completely redevelopment.

6. The petitioner should be apprised of the fact that formal site plan approval before the Planning Commission is required prior to obtaining a building permit, should the City Council grant the rezoning request.

- 6.a) REQUEST FOR STANDARD REZONING: located on the south side of Twelve Mile Rd.; approximately 120 ft. west of Van Dyke Ave.; from the present zoning classifications of "C-1", Local Business District, "R-1-C", One-Family Residential District, and "R-1-P", One-Family Residential and Parking District to "R-3", Multiple-Family Dwelling District

### **RECOMMENDATION**

The following recommendation is made to City Council regarding the rezoning request for the property in question as described above.

It is recommended that the rezoning request from "C-1", Local Business District, "R-1-C", One-Family Residential District, and "R-1-P", One-Family Residential and Parking District to "R-3", Multiple-Family Dwelling District be APPROVED.

The location is an adequate location for a multiple-family housing development. The proposed rezoning satisfies the following concepts:

- a) Rezoning the property would allow a higher residential density infill development in an area that has seen a reduction of housing units.
- b) Rezoning the property would eliminate the prospect of the property being proposed for a rezoning for higher use (office/commercial/industrial). The properties along Twelve Mile Rd. are currently zoned "C-1", Local Business District, the rezoning to "R-3", Multiple-Family Dwelling District would provide a residential transition zone from the single-family dwellings to the south (Stanley Ave.) and the commercial to the north (Twelve Mile Rd.) and east (Van Dyke Ave.).
- c) The use provides additional "missing middle" residential uses as described in the 2021 Warren Master Plan.

The Future Land Use Map (FLUM) in the 2021 Master Plan indicates the property as a "Traditional Residential" area, however, due to the number of parcels involved in the project, the future land use category that better fits this area would be "Redevelopment". The Master Plan describes a Redevelopment Site (page 114) as follows: Several large or consolidated parcels through the City are in transition, and this category provides the maximum flexibility in their redevelopment.

6.a) **REQUEST FOR STANDARD REZONING:** located on the south side of Twelve Mile Rd.; approximately 120 ft. west of Van Dyke Ave.; from the present zoning classifications of "C-1", Local Business District, "R-1-C", One-Family Residential District, and "R-1-P", One-Family Residential and Parking District to "R-3", Multiple-Family Dwelling District

- d) Additionally, if the rezoning is approved, Planning Staff would request to meet with the applicant prior to submitting the site plan application. After reviewing the concept plan, the Planning Staff would like to discuss the project details with the applicant, and request some modifications to reduce the number of potential variances.

The Planning Staff requests the petitioner to remove the access driveway to Stanley Ave. and provide a direct access driveway to Twelve Mile Rd. in addition to the access alley driveway to Twelve Mile Rd.

**Prior to the rezoning request being forwarded to City Council, ten (10) additional copies of the concept plan shall be submitted to the Planning Department.**

The petitioner should be apprised of the fact that formal site plan approval before the Planning Commission is required prior to obtaining a building permit, should the City Council grant the rezoning request.

**REQUEST FOR STANDARD REZONING:** located on the south side of Twelve Mile Road; approximately 120 ft. west of Van Dyke Avenue; from the present zoning classifications of "C-1", Local Business District, "R-1-C", One-Family Residential District, and "R-1-P", One-Family Residential and Parking District to "R-3", Multiple-Family Dwelling District; 7602 Twelve Mile Road (13-16-226-019, -020, -022, -026, -044, -045, -046, -047, -061, -063); Section 16; Peter Snyder (Assaad Sobh); PR210004. PETITIONERS PORTION:

Mr. Assaad Sobh – Good evening, I'm here on behalf of 4-Ward Development as the applicant. I've owned this piece of land for almost 10 years, maybe a little bit longer. I've had different ideas, and nothing was able to work because of the depth of it and the Consumers building being in the middle of it. I own the parcel west of the Consumers building off of Twelve Mile and east of that and the parcel on Stanley.

We figured there's always a need for residential and there's not enough to put single homes on there. The Architect, the Engineer, and myself and Mr. Wuerth have worked on this and we came up with three different buildings to come up with 18 units, a building of eight, a six, and four. That's what we are looking to do, to convert it to a multi-family and to be able to put some residential in, there's always a need for more residential in that area and in the City.

Secretary Mouri reads the following correspondence:

**TAXES:** Current.

**ENGINEERING (updated 2-11-25):**

1. Show how the property boundaries were established. Show and identify the location of property irons found and or set.
2. The plan shall show and identify all existing City of Warren underground utilities, sizes, and connections in the vicinity of the project.

**FIRE (updated 1-30-25):** The WFD approves this site plan as long as all access roads remain 22 ft. wide as shown on the site plan. If you have any questions, please contact me at 586-756-2800 ext. 3300.

Secretary Mouri reads a letter into the record:

To: Warren Planning Commission

Re: Property Address 7602 12 Mile Road, Lots 13-16-226-019, 020, 022, 026-044, 045, 046, 047, 061, 063.

I am against the rezoning of above property from C-1 Local Business District & R-1-C One-Family Residential District, to R-3, Multi-Family Dwelling District: 7602 Twelve Mile Road and above Lots.

I feel this would add more traffic (in & out) on Stanley St. We have a lot of traffic from the businesses (Happy's Pizza, City Burger, Hi Sushi) as well as the gas station. People making left & right turns onto Staley going to Pauline St. to make left turn onto 12 Mile Rd.

Also, I am sure some tenants may have more than one car. So where do they park? This would more congested parking on the street. I live directly across the street on Stanley St.

Irene Baldrige Elson  
7568 Stanley  
Warren, MI 48092

Mr. Ron Wuerth reads the recommendation of the Staff:

**PUBLIC HEARING:**

Mr. Jim Moore – Jim Moore, my address is 7503 Stanley. I agree with Ms. Baldrige about the traffic and the congestion. I think the area is okay for a single-family dwelling but multiple-family dwellings

would cause too much congestion and problems in the area. Thank you.

A motion was made by Commissioner Duzyj to approve, supported by Commissioner Holowaty.

COMMISSIONERS PORTION:

Commissioner Duzyj – This could end up being a very nice project and development, but there is concern with traffic up and down Stanley, although I don't know how bad traffic is there now. This is a rezoning, so we are still going to have to look at the plan and discuss the drives and so on. Have you talked to anybody at Macomb County for access to Twelve Mile, I know that there's that parking lot next to Tac Auto that has a driveway onto Twelve Mile Road, have you talked to anybody from the County as far as access to that?

Mr. Assaad Sobh – We have not, I own the building where City Burger and Happy's Pizza is. We thought it would be much easier to get in from the parking lot that I own and on Stanley. I've serviced that property for over 10 years cutting the grass and so on, I'm hands on. The property has never been issued a citation, there really is not a lot of traffic nobody has any business going onto Stanley unless they live in the area. We have a drawing of what it would look like, it's tastefully done.

I've built numerous things in the City and in Sterling Heights, we developed the property on Vermont, it's tastefully done. It's kept up very well, I have a lot to gain there. Not only do I own that property I own the shopping center that is facing Van Dyke and where the parking lot. There's never been an issue between any of the

neighbors, I've seen most of them, I'm hands on between maintaining the grass or doing the snow. I've never had an issue with any of the neighbors. I'd be glad to visit any of them and have a one on one with them and their concerns. These are built to keep. I have over 40 units on Hoover and on Kennedy Circle and I maintain my properties, I truly do.

Commissioner Duzyj – Fair enough, I think if you are acceptable to getting together with the neighbors it might be a good idea so you can explain it to them, I think that would go a long way in making that much better of a development. This has a lot of promises and this is pretty nice. I think what people on Stanley don't realize is you put up these three buildings, it's going to cut down on the noise off of Twelve Mile Road considerably.

Mr. Assaad Sobh – I have the plans with me tonight to see what it looks like, there's three buildings. If you'd like to see it I'd be more than glad to share it with you.

Commission Duzyj – Tonight is just the rezoning. Thank you very much.

Chair Smith – Good evening, sir, this has been an issue for quite a few years, it came before us years ago. I like the fact that we are missing the missing middle, which is bringing more residential to the area and it's nothing that's big and going to stand out so it will fit in the lot better. As far as the traffic on Twelve Mile it's probably going to buffer that a little bit. I think your design is good, I know there's a couple of things that might need to be tweaked, but it will be good to see something come into that area now. Thank you.

Mr. Assaad Sobh – Thank you.

**Re: Resolution Approving Memorandum of Understanding Regarding  
Benefits and Employment Terms for Police Commissioner; and  
Resolution Approving Memorandum of Understanding Regarding  
Benefits and Employment Terms for Deputy Commissioner**

Dear Ms. Moore:

Attached please find a resolution to approve memoranda of understanding to formalize the fringe benefits of police commissioner and deputy commissioner, consistent with past practice of the City.

As appointed positions, they would be subject to the wages, benefits and reforms granted to the members of UAW Local 412, Unit 35, in accordance with the Council resolution dated April 13, 1999. Since the Unit 35 labor contract does not contain terms specific to police employment, the City's longstanding practice is to approve a separate resolution for police commissioner and deputy commissioner to approve certain fringe benefits provided to members of the Warren Police Command Officers Association (WPCOA), such as gun and uniform allowance.

The memoranda containing the employment terms for Police Commissioner Eric Hawkins and Deputy Commissioner Charles Rushton are attached. As noted, they remain "at-will" positions, although the Deputy Commissioner would have the right to return to a former position of police lieutenant.

If acceptable, please submit to the Council for its meeting on Tuesday, April 22, 2025.

Respectfully,

  
Mary Michaels  
Acting City Attorney

## **MEMORANDUM OF UNDERSTANDING REGARDING EMPLOYMENT BENEFITS AND TERMS OF POLICE COMMISSIONER**

This memorandum of understanding entered this \_\_\_\_\_ day of \_\_\_\_\_ day of April, 2025 between the City of Warren ("City") and Eric Hawkins, ("Commissioner Hawkins").

In consideration of the mutual promises of the parties, as set forth in this memorandum, the City and Police Commissioner agree to the following terms of Commissioner Hawkins employment, effective December 2, 2024:

1. Commissioner Hawkins is the appointed Police Commissioner of the City of Warren, effective December 2, 2024. As Police Commissioner, Commissioner Hawkins is the executive head of the Warren police department, who shall exercise the authority in accordance with section 7.17 of the Warren City Charter and the applicable laws of the State of Michigan.
2. The position of Police Commissioner is an at-will position, and serves at the sole discretion of the Mayor, pursuant to the City Charter Section 7.17. The Police Commissioner may withdraw or be removed from that position either voluntarily or involuntarily.
3. The salary of the Police Commissioner is \$147,810.00, subject to wage increases at the same percentage rates and times as provided to members of the Warren Police Command Officers Association ("WPCOA").
4. The Police Commissioner will not be eligible for any overtime compensation. The Police Commissioner may accumulate compensatory time up for attendance at City meetings outside of working hours, computed in the same manner as the members of the WPCOA.
5. Except as otherwise provided in this document, the Police Commissioner shall receive the same paid holidays, sick days, bonus days, longevity, health insurance and other fringe benefits, as provided to members of the Local 412, Unit 35 "Unit 35").
6. The Police Commissioner will receive the same vacation benefit as provided to members of the WPCOA, which is two 15-day furlough days.
7. The Police Commissioner shall receive the same gun and uniform allowance as provided to members of the WPCOA.
8. Commissioner Hawkins will be issued a police department vehicle for use while employed by the City of Warren as Commissioner, with an FOB to City gas pumps. Commissioner Hawkins will be on-call 24/7 for incident response.
9. Commissioner Hawkins will serve as the spokesperson for the Department of Police. Media inquiries and response will be coordinated with the Mayor and Communications Director.
10. The Police Commissioner agrees to the appointment of Charles Rushton as Deputy Commissioner, the next highest rank officer in command, and to his return to the position as lieutenant, upon the Deputy Commissioner removal or resignation from this position. The return to the position shall be subject to the rights or obligation of the parties under the WPCOA agreement.
11. The remaining fringe benefits of the Police Commissioner shall follow the UAW Local 412 Unit 35 contract, including the following:
  - a. The Police Commissioner will not receive a pension (defined benefit) or receive any credits toward a pension but will participate in the 401(a) defined contribution program with a 10% contribution by the City and a 4% contribution by the Police Commissioner, which is the standard contribution amount.
  - b. The Police Commissioner is entitled to elect health care coverage, or a health care savings account, which provides for a 2% contribution by the City and a 2% mandatory contribution by the Police Commissioner.
12. It is understood that nothing in this agreement is intended to create just cause employment protection for the position of Police Commissioner, nor is this agreement all inclusive, as the position remains subject to any current or future workplace policy or rule, applicable to the position, or of general applicability to City of Warren personnel.

## **ELECTRONIC RECORD AND SIGNATURE DISCLOSURE**

From time to time, City of Warren (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

### **Getting paper copies**

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

### **Withdrawing your consent**

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

### **Consequences of changing your mind**

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

### **All notices and disclosures will be sent to you electronically**

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

### **How to contact City of Warren:**

You may contact us to let us know of your changes as to how we may contact you electronically, to request paper copies of certain information from us, and to withdraw your prior consent to receive notices and disclosures electronically as follows:

To contact us by email send messages to: [dclark@cityofwarren.org](mailto:dclark@cityofwarren.org)

### **To advise City of Warren of your new email address**

To let us know of a change in your email address where we should send notices and disclosures electronically to you, you must send an email message to us at [dclark@cityofwarren.org](mailto:dclark@cityofwarren.org) and in the body of such request you must state: your previous email address, your new email address. We do not require any other information from you to change your email address.

If you created a DocuSign account, you may update it with your new email address through your account preferences.

### **To request paper copies from City of Warren**

To request delivery from us of paper copies of the notices and disclosures previously provided by us to you electronically, you must send us an email to [dclark@cityofwarren.org](mailto:dclark@cityofwarren.org) and in the body of such request you must state your email address, full name, mailing address, and telephone number. We will bill you for any fees at that time, if any.

### **To withdraw your consent with City of Warren**

To inform us that you no longer wish to receive future notices and disclosures in electronic format you may:

- i. decline to sign a document from within your signing session, and on the subsequent page, select the check-box indicating you wish to withdraw your consent, or you may;
- ii. send us an email to [dclark@cityofwarren.org](mailto:dclark@cityofwarren.org) and in the body of such request you must state your email, full name, mailing address, and telephone number. We do not need any other information from you to withdraw consent.. The consequences of your withdrawing consent for online documents will be that transactions may take a longer time to process..

### **Required hardware and software**

The minimum system requirements for using the DocuSign system may change over time. The current system requirements are found here: <https://support.docusign.com/guides/signer-guide-signing-system-requirements>.

### **Acknowledging your access and consent to receive and sign documents electronically**

To confirm to us that you can access this information electronically, which will be similar to other electronic notices and disclosures that we will provide to you, please confirm that you have read this ERSD, and (i) that you are able to print on paper or electronically save this ERSD for your future reference and access; or (ii) that you are able to email this ERSD to an email address where you will be able to print on paper or save it for your future reference and access. Further, if you consent to receiving notices and disclosures exclusively in electronic format as described herein, then select the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

By selecting the check-box next to 'I agree to use electronic records and signatures', you confirm that:

- You can access and read this Electronic Record and Signature Disclosure; and
- You can print on paper this Electronic Record and Signature Disclosure, or save or send this Electronic Record and Disclosure to a location where you can print it, for future reference and access; and
- Until or unless you notify City of Warren as described above, you consent to receive exclusively through electronic means all notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you by City of Warren during the course of your relationship with City of Warren.

**RE: Amendments to 2019-2020, 2020-2021, 2021-2022 & 2022-2023 Housing and Community Development Action Plans - HOME Budgets**

It is proposed that the following amendments be made to the allocations for HOME activities in the above referenced Housing and Community Development Action Plan HOME Budgets.

It is recommended that funds allocated to HM19-01 Community Housing Development Organization (CHDO) Operating be decreased by \$24,830.40. It is also recommended that funds from this activity in the amount of \$24,830.40 be transferred to HM19-02 New Construction.

In addition, it is recommended that funds allocated to HM20-01 Community Housing Development Organization (CHDO) Operating be decreased by \$27,348.15. It is also recommended that funds from this activity in the amount of \$27,348.15 be transferred to HM20-02 Home Owner Rehabilitation.

In addition, it is recommended that funds allocated to HM21-01 Community Housing Development Organization (CHDO) Reserve be decreased by \$84,771.00. It is also recommended that funds from this activity in the amount of \$84,771.00 be transferred to HM21-02 Home Owner Rehabilitation.

Finally, it is recommended that funds allocated to HM22-01 Community Housing Development Organization (CHDO) Reserve be decreased by \$88,312.35. It is also recommended that funds from this activity in the amount of \$88,312.35 be transferred to HM22-02 Home Owner Rehabilitation.

HUD approved the city's request for a redesignation of CHDO set aside funds for use on non-CHDO HOME projects. These amendments will align the city and HUD's accounting records, and help meet the need of the HOME Owner Rehabilitation Program.

Please consider these amendments at the April 22, 2025 meeting. The appropriate resolution is attached. Should you have any questions, please call Community Development at (586) 574-4686.

RE: Resolution Amending the Ordinance for Michigan Transportation Fund Bonds Series 2018

Honorable Council Secretary Moore:

Attached please find the subject ordinance amendment adding the Chicago Road project, as described therein, to the list of eligible uses for bond proceeds. The project is currently funded with Act 51 Road monies. The funds available from the bond issue, currently \$1,127,846.46, will not cover the entire cost of the project estimated at \$2.6 Million but it will free Act 51 funds to be used on other projects.

The available funds are currently earning interest and it is our intent to apply the total amount available to the Chicago Road project cost.

Please feel free to contact me if you have any questions. Your usual fine cooperation is appreciated.

Sincerely,

The following preamble and resolution were offered by \_\_\_\_\_ and seconded by \_\_\_\_\_:

**AMENDMENT TO BOND ORDINANCE  
CITY OF WARREN  
MICHIGAN TRANSPORTATION FUND BONDS SERIES 2018**

WHEREAS, the City Council (the "Council") of the City of Warren, Michigan, (the "City"), authorized the City to issue its Michigan Transportation Fund Bonds Series 2018 (the "Bonds") in the aggregate of not to exceed \$13,100,000 as authorized by and in accordance with the provisions of Act 175, Public Acts of Michigan, 1952, as amended ("Act 175") and pursuant to an Ordinance adopted by the Council on April 24, 2018; and

WHEREAS, after the Bonds were issued it was determined that there remains unspent proceeds and investment earnings leaving funds available for other projects; and

WHEREAS, in order to use the available funds, the City wishes to add the following project:

**Chicago Road (Van Dyke Ave. to 13 Mile Road) and 13 Mile Road (Chicago Road to Campbell St.),**

As described in APPENDIX A, attached.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF WARREN, MICHIGAN, AS FOLLOWS:

1. The authorized uses of proceeds from the Michigan Transportation Fund Bonds, Series 2018, is amended to include the project as described in Appendix A.
2. All Ordinances and parts of ordinances and resolutions in conflict with the foregoing are hereby rescinded.

3. This Amendment to Ordinance shall be published in full in the Warren Weekly, a newspaper of general circulation in the City, qualified under state law to publish legal notices promptly after its adoption and shall be recorded in the Ordinance Book of the City and such recording authenticated by the signatures of the Mayor and City Clerk.

4. Pursuant to the provisions of Section 6 of Act 94, the Revenue Bond Act of 1933, this Ordinance shall be approved on the date of first reading and accordingly this Ordinance shall be immediately effective upon its adoption.

5. A roll call vote on the foregoing ordinance was then taken, and was as follows:

**RE: Budget Amendment Request: GL Account #261-9261-82215**

Due to significant mechanical issues affecting two of our unmarked vehicles in the fleet, the Warren Police Department is requesting a budget amendment to GL Account #261-9261-82215.

If approved, the total cost for the replacement of these vehicles, including upfitting, will be \$107,450.32. The Warren Police Department is therefore requesting a budget amendment be approved, reflecting the addition of this amount to GL Account #261-9261-82215.

Mr. Craig Treppa, Purchasing Agent, City of Warren

**RE: VEHICLE PURCHASE REQUEST UTILIZING STATE OF MICHIGAN CONTRACT #071B7700183**

Dear Mr. Treppa:

The Police Department regularly requests appropriation of funds in our yearly budget to supplement the unmarked, investigative and patrol fleet vehicles. The Department is currently seeking a budget amendment requesting the utilization of \$107,450.32 from GL account #261-9261-82215. Recently, significant mechanical issues to two of our vehicles have required us to make these purchases as soon as possible. In an effort to remain fiscally responsible and continue our operational effectiveness, we will rotate the older, high-mileage vehicles out of the fleet and place the new ones into the bureaus and divisions as needed. We intend to purchase two (2) vehicles. Listed below is a breakdown of the vehicles to be purchased:

| <u>Quantity</u> | <u>Vehicle</u>                                              | <u>Unit Cost</u>                                                                             | <u>Total Cost</u> |
|-----------------|-------------------------------------------------------------|----------------------------------------------------------------------------------------------|-------------------|
| 2               | Vehicles "A" and "B"<br>Unmarked/Investigation/Surveillance | \$46,704.00 per unit<br>Michigan State Contract #071B7700183<br>Purchased at LaFontaine CDJR | \$ 93,408.00      |

Along with this purchase, both vehicles will require upfitting at Canfield. The cost for this upfitting will be \$14,042.32 total. Again, the funds for this upfitting will come from GL account #261-9261-82215.

The two (2) vehicles listed as "A" and "B" will be for unmarked/investigative/surveillance use and will not be described by make or model in this document so as not to compromise officer safety or operational integrity.

If the City of Warren's Council approves the budget amendment related to this request, currently scheduled for Council review on April 22, 2025, then we would respectfully request this matter be reviewed and approved in the same session.

All vehicle pricing comes from the State of Michigan State contract pricing bid referenced above.

Thank you in advance for your assistance. If you have any questions, please contact me at 574-4768.

Sincerely,

**RESOLUTION**

Document No: STA-W-1518

Product or Service: Confidential Police Vehicles

Requesting Department: Police Department

At a Regular Meeting of the City Council of the City of Warren, County of Macomb, Michigan, held on \_\_\_\_\_ 2025 at 7 p.m. Local Time, in the Council Chamber at the Warren Community Center Auditorium, 5460 Arden, Warren, Michigan.

PRESENT: Councilmembers: \_\_\_\_\_

ABSENT: Councilmembers: \_\_\_\_\_

The following preamble and resolution were offered by Councilmember

\_\_\_\_\_ and supported by Councilmember \_\_\_\_\_.

Pursuant to Section 2-344 of the Code of Ordinances, the City may either participate in, sponsor, conduct, or administer a cooperative purchasing agreement for the procurement of any supplies, equipment, goods or services with one (1) or more public procurement units.

Upon performing a diligent inquiry, the Police Department has determined that it is necessary in the interest of the Police Department and the City, to acquire supplies, equipment, or goods pursuant to cooperative purchasing.

The Police Department recommends awarding the purchase of two (2) Police Vehicles, utilizing the State of Michigan Contract #MA240000001206, in the amount of \$93,408.00 (\$46,704.00 each vehicle) to LaFontaine Chrysler Dodge Jeep Ram of Lansing, Inc., 6131 S. Pennsylvania Ave., Lansing, MI 48911.

The City is also recommending an award for the required upfitting of the two (2) Police Vehicles, utilizing the current agreement (TRI-W-0544), in the amount of \$14,042.32 (\$7,021.16 each vehicle) to Canfield Equipment Services, Inc., 21533 Mound Rd., Warren, MI 48091.

The vehicles will replace older, high-mileage vehicles into the bureaus and divisions, as needed.

Due to the confidential nature of this purchase, the backup information (make and model of the vehicles, etc.) is being kept confidential. Your honorable body can obtain this information by contacting the Police Department or the Purchasing Agent.

The purchasing agent has conducted a review and concurs with the cooperative purchasing.

Funds are available in the Drug Forfeiture Account: 261-9261-82215, dependent upon concurrent resolution of budget amendment.

IT IS RESOLVED, that the cooperative purchase is hereby accepted by City Council to the vendors listed in the below table, in the total amount of \$107,450.32 (\$53,725.16 each vehicle).

| VENDOR                                                                                | CONTRACT                             | QTY | UNIT PRICE   | EXTENDED AWARD AMOUNT |

Re: Request for an Increase in Budgeted Appropriations – Property Maintenance and  
Department of Public Works – DPW, Garage

Dear Council Secretary Moore:

In correspondence dated March 26, 2025 and April 11, 2025, the Superintendent of Public Works, Public Services Administrative Supervisor and the Budget Director have indicated a need to this Council for a line-item transfer between general fund general ledger account numbers in the amount of \$313,985.00 to cover the unexpected cost associated with replacing twenty (20) Sanitation Truck's floors, to cover the cost associated with the rehabilitation of City owned property at 14217 E. Nine Mile and to cover the cost associated with temporary employee costs

A copy of the amending budget resolution is attached for Council action.

Respectfully,

Kristina K Battle  
Budget Director

RE: Budget Amendment request for Department of Property Maintenance to purchase Comcast fiber optics installation, Presidio equipment/ installation, D/A Central camera and key reader equipment/installation, building Utilities and Fencing for 14217 9 mile Rd. in the amount of \$104,500.00.

Mrs. Battle,

Public Services is requesting a budget amendment to purchase Comcast fiber optics installation \$30,000.00, D/A Central cameras and one key card reader \$ 20,000.00, Presidio equipment and installation \$25,000.00, parking lot Fencing \$25,000.00 and building Utilities \$4,500.00 for 14217 9 mile. The purchase of this equipment is essential to the upfitting for 14217 9 Mile so the Department of Property Maintenance inspectors and staff can move to this offsite location. The move will open up needed space in the public services departments for the additional personnel. DMPI personnel have been working on the interior of the building, painting, replacing ceiling tiles, upgrading the light fixtures and cleaning the building out for the anticipated move. The parking lot will be re-paved as part of the contract for the Waste Water Catch basin that was erected on Stephens Rd in the next few weeks, allowing us to move forward with the rehab of this building for occupancy. Waste Water has also repaired the leaking roof and is repairing the missing equipment for the HVAC and a contract has been approved with JCI for HVAC maintenance ensuring at the building we are ready to accept the occupants.

RE: Increase in budgeted funds for account 1442

Craig,

The Division of Public Works would like to recommend an increase the amount of the budgeted money for account 1442 of \$200,000. ✓

This shortfall was caused by unexpectedly having to replace the floors in twenty (20) Sanitation trucks.

The cost of these repairs were:

|                                           |           |
|-------------------------------------------|-----------|
| \$12,538.50 labor per truck x 20 trucks = | \$250,770 |
| Heil Parts from Environmental Equipment = | \$100,000 |
| Total Cost =                              | \$350,770 |

This additional \$200,000 will cover the cost of running Fleet Maintenance thru the end of this fiscal budget.

I will be available to you or City Council for any questions in regards to this increase by the Division of Public Works.

Respectfully,

Scott Raedel  
Superintendent  
Division of Public Works
