**In order to be considered for a place on a Planning Commission meeting agenda, ALL applications shall be submitted to the Planning Department in person. Any applications that are received via mail, without the applicant or an authorized representative present, will not be processed or placed on an agenda until the applicant or representative is present.**

# SUBDIVISION FINAL PLAT REVIEW CHECK OFF LIST

**As you, the applicant, complete these items, you need to check them off. We will not accept application packets without all items checked off and completed.**

- The completed application shall be signed and dated by the legal property owner, professional, and applicant.
- The completed Affidavit of Ownership of Land shall be signed by the legal property owner and applicant; both signatures shall be notarized. If there is more than one owner, a separate affidavit is required for each owner. The original affidavit(s) shall be submitted to the Planning Department.
- The legal property owner shall be listed on the application and Affidavit of Ownership of Land. If the owner is a business or LLC, an individual contact name is required in addition to the company name.
- If the legal property owner is a business or LLC, documentation shall be submitted confirming the individual signing the application packet is authorized to do so.
- The Additional Authorized Contact(s) form shall be completed and signed only if someone other than the owner, professional, or applicant is being authorized as an additional contact on the project.
- Submit a check payable to the *City of Warren* for the applicable fee as stated on the application.
- Submit an original signed Letter of Intent containing a detailed description of the project (what you plan to do, why it matters, etc.).
- Submit twenty (20) individual copies of subdivision final plat plans that are signed and sealed by a professional Architect, Engineer, Land Surveyor, or Landscape Architect licensed by the State of Michigan, or an AICP Planner. The professional listed on the application shall match the signature and seal on the subdivision final plat plans.
- Submit two (2) individual copies of property surveys that are signed, sealed, and certified by a professional Land Surveyor licensed by the State of Michigan.
- **Please provide the exact number of plans listed above. If you submit multiple sets of plans that are not needed, the Planning Department may not accept your application packet.**
- Submit a USB Flash Drive containing the property legal description in Microsoft Word format, along with an electronic PDF version of all submitted plans.
- Provide the acreage of the project (not the entire property) on the application.
- Provide the estimated cost of the project on the application.
- Provide the property legal description on the subdivision final plat plans.
- Provide a site data chart on the subdivision final plat plans.
- Provide a location map on the subdivision final plat plans.
- **NOTE: If the property has any delinquent taxes, your application packet will not be accepted.**

Signature of Applicant: \_\_\_\_\_ Date: \_\_\_\_\_  
*(Signature required or the application packet will not be accepted)*

**Employee Only (please initial):** \_\_\_\_\_

- Verify all items have been completed and checked off.
- Verify ownership listed on the application documents matches BS&A.
- Stamp the application and all plans as received.
- Let the applicant know the Planning Commission meeting date.
- Make a copy of the check.
- Put a brief description on the agenda.

# Subdivision Final Plat Procedure

1. A completed application, check off list, original Affidavit of Ownership of Land, original signed Letter of Intent, and required plans shall be submitted to the Planning Department for Subdivision Final Plat approval (*criteria is attached*).
2. Acreage determines the fee for subdividing property. For parent parcels up to, and including, five (5) acres the fee is \$1,500. Add \$50 for each additional acre, or portion thereof. Please make checks payable to the *City of Warren*.
3. **City of Warren Subdivision Regulations, Section 35-24 of the Code of Ordinances – Final Approval of Preliminary Plat** shall be followed.
  - a. The Planning Department shall provide findings and a recommendation to the Public Service Director. The Public Service Director, upon review of the Subdivision Preliminary Plat that meets all requirements, shall forward the Subdivision Preliminary Plat to the City Council.
  - b. The City Council shall consider and review the Subdivision Preliminary Plat at its next meeting, or within twenty (20) days from the date of verified compliance with all conditions of tentative approval of the Subdivision Preliminary Plat. The City Council shall give final approval of the Subdivision Preliminary Plat, if the applicant has met all conditions laid down for approval of the plat, or reject the plat and advise the applicant of the reasons for the rejection. The twenty (20) day period for consideration by the City Council may be extended if the applicant consents.
4. **City of Warren Subdivision Regulations, Section 35-25 of the Code of Ordinances – Final Plat.**

The procedure for preparation and review of the Subdivision Final Plat shall be as follows:

- a. Requirements:
  1. The Subdivision Final Plat shall comply with the provisions of the Subdivision Control Act.
  2. The Subdivision Final Plat shall conform to the Subdivision Preliminary Plat, as approved, and shall constitute only that portion of the approved Subdivision Preliminary Plat which the subdivider proposed to record and develop at that time; provided, however, that such portion conforms to the City of Warren Subdivision Regulations.
  3. A written application for approval and the filing and recording fees required by Section 241 of the Subdivision Control Act shall accompany all Subdivision Final Plats.

b. Filing and review:

1. One (1) mylar and not less than twenty-five (25) individual copies of the Subdivision Final Plat shall be filed with the City Clerk. The subdivider shall deposit with the City such sums of money as required by the City of Warren Subdivision Regulations, or any other ordinance of the City.
2. The Subdivision Final Plat shall be reviewed by the Public Service Director as to compliance with the approved Subdivision Preliminary Plat and plans for utilities and other improvements.
3. The Public Service Director shall notify the City Council of their recommendation for approval or rejection of the Subdivision Final Plat.

c. Final Approval:

1. The City Council shall consider and review the Subdivision Final Plat at its next meeting, within twenty (20) days from the date of submission to the City Clerk.
2. If the Subdivision Final Plat meets all requirements, the City Council shall prepare a resolution of approval of the Subdivision Final Plat and authorize the City Clerk to sign the plat on behalf of the City.
3. If the Subdivision Final Plat does not meet all requirements, the City Council shall reject the plat and specify the reasons for the rejection.
4. Upon approval of the Subdivision Final Plat by the City Council, the subsequent approvals shall follow the procedure set forth in the Subdivision Control Act. The mylar copy shall be forwarded to the Clerk of the County Plat Board.

# Specifications for Subdivision Final Plat Plan Drawings

The plat plan drawing for the Subdivision Final Plat shall contain the following criteria and be submitted in the following manner:

1. All subdivision final plat plans shall bear the seal and signature of a professional Architect, Engineer, Land Surveyor, or Landscape Architect licensed by the State of Michigan, or an AICP Planner.
2. Subdivision final plat plans shall have a minimum scale of 1" = 100' and shall indicate a north bearing.
3. Name of, and acreage contained within, the proposed subdivision.
4. Name, address, and phone number of the applicant, owner, and Architect, Engineer, Land Surveyor, Landscape Architect, or AICP Planner who prepared the subdivision final plat plans, and the date of preparation.
5. Location of the subdivision, giving the numbers of the section, town, and range, and the name of the city and county.
6. All lots and outlots shall be described as follows:
  - a. Number all lots consecutively;
  - b. Show total number of lots;
  - c. Letter all outlots consecutively;
  - d. Show total number of outlots;
  - e. Label the length of each lot line;
  - f. Show the width of each lot;
  - g. Show building setback lines;
  - h. Location(s) of any existing easement(s); and
  - i. Superimpose topographical mapping.
7. The applicant shall provide a topographical property survey of the proposed subdivision and all properties within two hundred fifty (250) feet of its boundaries. Elevations shall be given at all points where property lines change course or at intervals of not more than one hundred (100) feet. Contour lines shall be at one (1) foot intervals except where the intervals should be increased for clarity.
8. The street layout of the proposed plat shall indicate:
  - a. Width of rights-of-way;
  - b. Proposed connections with existing or future streets;
  - c. Width and location of public walkways; and
  - d. Rights-of-way and easements showing their location, width, and purpose.

9. Any land proposed to be acquired, reserved, or dedicated for public use and/or the use of property owners in the subdivision shall be designated.
10. All land within the boundaries of the plat shall be shown thereon in such a manner that title to the area may be clearly established as to whether it is dedicated to public use (for parks, playgrounds, schools, or other public uses) or reserved for any non-public use exclusive of single-family dwellings.
11. The exterior boundaries of the subdivision shall correctly show the area within the existing rights-of-way of abutting streets, county roads, or state trunkline highways.
12. When any part of the land lies within or abuts a flood plain area, as established by the Ordinance of the City of Warren, the plat shall delineate that flood plain area.
13. All lots shall meet the requirements of the Zoning Ordinance for the minimum lot width, depth, and corner lot dimensions within the applicable single-family residential zoning district.
