# **Warren Police to Host Police Week Ceremony – Event set for May 11<sup>th</sup> at Warren FOP Hall**

The Warren Police Department would like to announce a ceremony for Police Week for the men and women of the Warren Police Department. In October 1962, President John F. Kennedy signed a Congressional proclamation declaring May 15<sup>th</sup> as Peace Officer Memorial Day. The week in which it falls will forever be known as Police Week. Every year, officers from across the country pay tribute to those officers who made the ultimate sacrifice. The Warren Police Department will celebrate police week with a ceremony on Monday, May 11, 2026, at the Warren Fraternal Order of Police Lodge (11304 E. 14 Mile Rd., Warren MI 48093) at 1:00pm.

Attendance for this moving ceremony is expected to be strong and will include remarks from Mayor Lori M. Stone, a speech and tribute to officers from Commissioner Hawkins, a roll call of heroes honoring Warren PD retirees who have passed away, as well as a presentation from the Warren Police Honor Guard. Many current officers, retired officers, family members, and community members will be in attendance to honor those officers who have made the ultimate sacrifice.

Commissioner Hawkins stated that “for the Warren Police Department and our colleagues across the nation, this ceremony is deeply significant. It is a moment of immense pride for all who serve, yet it remains a solemn reminder of the risks our protectors face every day. This week of tribute reflects the public’s profound respect for those who gave everything. By reflecting on their bravery, we renew our own commitment to the highest ideals of our profession, and our officers are truly honored to stand among them.

On behalf of the entire Warren Police Department, please come out to support the men and women of the Warren Police Department and law enforcement across the country by attending this momentous ceremony.
