Warren Police Announce “Stuff-A-Bus” Event to Support “Operation Back to School”

The Warren Police Department is proud to announce the upcoming "Stuff-A-Bus" event to support the "Operation Back 2 School" event on Sunday, August 23, 2026.

The community donation drive will be held on **Monday, August 10, from 12:00 PM to 6:00 PM at the Fitzgerald High School Parking Lot**, located at 23200 Ryan Road, Warren, MI 48091. This initiative was spearheaded directly by the Warren Police Community Policing Unit to help bridge the gap between local law enforcement and neighborhood families, ensuring our youth start the year off right with adequate school supplies.

To help local students gear up for the upcoming school year, community members are asked to donate essential classroom supplies, including:

- Backpacks (including clear backpacks)
- Notebooks
- Crayons
- Pens
- Pencils
- Glue Sticks

Donations can also be dropped off at the Warren Police Department front desk or at the Mayor's Office at City Hall.

"Building directly on the tremendous momentum of our inaugural event last year, this wonderful initiative was again organized by our community policing unit," said Warren Police Commissioner Eric Hawkins. "Seeing how much that initial success meant to our families inspired us to make this year even bigger. We look forward to coming together once again as a community to support our kids, strengthen our local relationships, and ensure every student has the tools they need to succeed in the classroom."

"Operation Back to School is community policing at its best—our officers, residents and local businesses working side by side to support Warren students and families," said Mayor Lori M. Stone. "This effort does more than fill backpacks. It strengthens relationships, builds trust and shows our young people that their entire community is invested in their success."

Residents and local businesses are encouraged to stop by the Fitzgerald High School parking lot during the event hours to help "stuff" the school bus with supplies.
