Six Charged in Armed Robbery at Warren Marijuana Facility

The Warren Police Department is providing an update regarding the investigation and arrest of six individuals involved in an armed robbery at a commercial marijuana facility on 10/14/2026.

At approximately 2:43 a.m. on 10/14/2026, Warren Police officers responded to an active alarm call at a commercial business located in the 28,000 block of Lorna. Upon arrival, officers learned that approximately six suspects had arrived at the facility in a U-Haul truck and a Chevrolet Camaro. During the incident, one suspect held an on-site security guard at gunpoint, forced the guard to turn over his weapon, and ordered him face-down on the ground before the group forced entry into the building.

Responding officers arrived quickly, locating both the Chevrolet Camaro and the U-Haul truck as they attempted to flee the scene. The Chevy struck a patrol car during the encounter, after which officers took two suspects into custody without further incident. The U-Haul truck fled southbound on Van Dyke Avenue with a vehicle pursuit ensuing. Officers deployed tire-deflation devices near 11 Mile Road which were successful. Near Van Dyke and Lantz Street in Detroit, four suspects then fled from the U-Haul on foot. Following a brief foot pursuit, officers apprehended the four remaining suspects without incident. Inside the U-Haul, officers recovered over 200 pounds of stolen marijuana alongside additional evidence linked to the robbery.
